Junior Wolf Pack Starter Skating Program

Skating is the most important skill required to properly execute the other 4 major skills (stickhandling, passing, shooting and safe checking) and enjoy playing the most enjoyable sport there is for life. This program is designed to give all young starter hockey players the essential skating foundation to progress into the renowned HE Parks Development Program. Getting it right from the beginning is very important. Our superb professional instructors will ensure keen students enjoy great progress in a fun environment. *All players must wear at least a bike helmet.*
No Class: 10/31, 11/4 & 25
(3-12 years - Triphahn)

COMBINED* Junior Wolf Pack Starter Skating Program & Wolf Pack Hockey Skills Development

This program is designed to share the rink equally. Half of the rink will be for teaching young starter hockey players the essential skating foundation, while the other half is for more advanced skaters to work on learning and executing the other 4 major skills (*stick handling, passing, shooting and safe checking*). See other descriptions for details on programming, gear and age requirements. This is simply an additional lesson time slot that allows both ability levels to practice simultaneously.

Wolf Pack Hockey Skills Development

Players must have attended and graduated from the Jr Wolf Pack Starter Skating Program before participating in this training with sticks.

This renowned training is for players 5-15 years, where the skating skills enable the learning and execution of the other 4 major skills (*stick handling, passing, shooting and safe checking*). Although the focus on the program remains the mastering of the "Sumo System" of skating it also includes training in stick work and small area games. The goal is to prepare players to advance to joining a Wolf Pack hockey team. Players are to supply USA Hockey approved hockey helmet with full face mask and a stick (*purchase low cost stick that comes up to nose without skates and has minimal curve*). All other equipment is available up to certain sizes. Price includes both days. **No Class: 11/4 & 25**
