HOFFMAN ESTATE PARK DISTRICT  
Hoffman Estates, Illinois  

FORM OF PROPOSAL  

Proposal of ______________________________________________________________  
hereinafter called the "BIDDER", (a) / (an)____________________________________________________________________,  
(Corporation, Partnership, Individual)  
doing business as ______________________________________________________________.  

To Hoffman Estates Park District, hereinafter called the "OWNER."

***

The Bidder, in response to your advertisement for bids for **Tax Exempt 2017 Golf Cart Lease and Maintenance Agreement** and delivery, having examined the Specifications and other Documents and being familiar with all of the conditions surrounding the proposed work (purchase/sale) including availability of materials and labor, hereby proposes to furnish all labor, materials and supplies and to construct the project in accordance with the Contract Documents, within the time set forth therein and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the Contract Documents of which this proposal is a part.

Bidder acknowledges receipt of the following Addenda, which are a part of the Contract Document:

Numbers: __________, __________, __________, __________.

Bidder hereby agrees to provide order and delivery confirmation within three (3) business days of the Contract Award from the Owner and to deliver all equipment no later than **February 1, 2017**.

Bidders agree to provide all equipment described in the Specifications for the sum of:

SUSTAINABILITY STATEMENT

Introduction

The Hoffman Estates Park District is committed to green and sustainable practices and good environmental stewardship. Consequently, we are asking bidders to provide a Statement of Sustainability to ensure our bidders are also incorporating sustainability into their firm’s practices.

Instructions

Provide a clear description of your firm’s sustainable practices, policies or procedures to the below sections or attach a copy of your practice. These practices may include but are not limited to:

Waste Minimization within the office or facilities through recycling programs, double-sided copying, electronic internal communications, recycled content in materials, reusable cups, limited printing, electronic document management, green purchasing policies, green cleaning supplies or reduced packaging in materials procured or supplied.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Energy Efficiency within office, facilities or firm through lighting retrofits, photosensor switches for lighting, use of day lighting, Energy Star rated appliance or equipment, alternative fuel or efficient fleet, anti-idling policy, or indoor temperature management.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Water Efficiency in office, facilities or firm through faucet or fixture retrofits, switch individual bottled water to office water coolers or drinking fountains, drought tolerant landscaping.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________
Staff are encouraged to be sustainable and supported by your firm through public transit benefits, bicycle accommodations, telecommuting options, support to attend green seminars, US Green Building Council LEED accredited or the creation of an internal green team. 

Education of your staff about green practices, your business peers of your green accomplishments, your community of your sustainability, or any environmental awards your firm has achieved.
