

REQUEST FOR PROPOSALS

Victoria Park Temporary Fencing

RFP Due Date: March 24, 2016

Job Site location: Victoria Park
1100 Kingsdale Lane
Hoffman Estates Illinois 60169

The Hoffman Estates Park District is requesting pricing from fencing contractors to supply and install 6-ft high construction fencing with gates around an existing playground within Victoria Park. All work performed on site associated with this work shall be paid at no less than the Illinois Prevailing Wage rate for the associated job classification. A certified payroll will be required prior to invoicing for any work performed on this project. In addition, the successful contractor will be required to provide insurance documents naming Hoffman Estates Park District as additionally insured on the policy. Insurance minimum requirements are available upon request. The successful contractor will be required to obtain a contractor's license to perform work in the Village of Hoffman Estates.

It is anticipated that this construction fence be in place by the end of the third week of April and will be in place for no less than four months from the date of installation. Should delays occur in obtaining the new playground equipment, the installation date may be put off until the arrival of equipment is better known.

The fence can either be a post driven or a panel system. If panels are provided, the fence contractor shall provide sand weights for each section of fence. The top of the fence fabric shall be nicked back so as to eliminate a sharp protrusion point.

Pricing:

The contractor shall supply, install and maintain **430 lin.** feet of 6-ft high chain link construction fence with **two 10-ft X 6-ft high gates**. Price shall include the removal of all temporary construction fencing when the work is completed by others.

We propose to supply and install temporary construction fence at Victoria Park as per above description and attached drawing for or the total price of:
