

HOFFMAN ESTATES PARK DISTRICT
Hoffman Estates, Illinois

FORM OF PROPOSAL

Proposal of Midwest Decorating, Inc., hereinafter
called the "BIDDER", (a) / (an) Corporation,
(Corporation, Partnership,
individual) doing business as _____, to Hoffman
Estates Park District, hereinafter called the "OWNER."

* * *

The Bidder, in response to your advertisement for bids for **Painting** having examined the Specifications and other Documents and being familiar with all of the conditions surrounding the proposed work (purchase/sale) including availability of materials and labor, hereby proposes to furnish all labor, materials and supplies and to construct the project in accordance with the Contract Documents, within the time set forth therein and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the Contract Documents of which this proposal is a part.

Bidder acknowledges receipt of the following Addenda, which are a part of the Contract

Document: Numbers: Issued for bid set 9/20/16, _____.

Bidder hereby agrees to start work within five (5) days after receipt of "Notice to Proceed" from the Owner and to complete the project according to the scheduled provided in the contract documents. All work under this proposal shall be completed no later than April 28th 2017 unless an extension due to extenuating circumstances is granted by the Construction Manager.

SCOPE OF WORK
PAINTING

The specifications and drawings are to govern the extent of the Work required or reasonably incidental to this Bid package. The following list of Work items is to be included and considered complementary to the drawings and specifications:

Furnish all labor, tools, material, and equipment required and necessary to complete the following:

1. Complete all painting work including, but not limited to, surface preparation, painting, priming, staining, epoxy painting, back priming, caulking and finishing of all exposed surfaces and installed products requiring field paint.
2. Provide all bidding and contract requirements: General Requirements, Painting and related sections as specified.
3. Extreme care should be taken in order to protect adjoining surfaces from being marred or damaged. Any cleaning, repair or replacement of damaged surfaces shall be this Contractor's responsibility.
4. Prepare and match any minor surface imperfections prior to finishing the surface. This shall include sanding, primer touch up, spackle, wood filler and other ordinary products used in preparation.
5. All latex caulk required and necessary to close the gap between adjoining surfaces and other finishes shall be installed as part of the painting scope of work.
6. All concrete floor sealer and preparation shall be included as part of the painting scope of work.
7. Provide wall prep and removal of existing applied materials as required for an acceptable and approved appearance.
8. Provide a **\$1,500** allowance in the Base Bid price for labor and material to perform on a T&M basis for modifications as directed by Construction Manager. Unused portions shall be credited back to the Owner.
9. This facility must remain in operation, including all services, at all times. All work must be closely coordinated with Owner requirements, which shall take precedence. Trade contractor shall anticipate and have auxiliary work to fall back to should an area be temporarily closed to work.
10. Provide adequate staff to review the Contract Documents and request, in writing, any additional information required well in advance of the actual fabrication or installation. Coordinate and communicate installation information with all other trades where there is interface, connection or contact with a product or work being installed and/or supplied by others.
11. If this Contractor is determined to impede the progress of the project schedule, the work delaying such progress will be passed over in a normal course of business and this Contractor shall be responsible for installing the work under other means and paying for additional costs, remedial work or damages resulting from such action.
12. Provide markers indicating limits of work and clear identification of items and areas requiring protection. Provide barricades, warning signs, and warning lights at conditions where there is a danger of injury to persons, or materials falling into excavations, pits, or depressions in the surrounding grade. This contractor is solely responsible for determining the potential for injury to persons and damage to property. Where such potential is present, take appropriate protective measures. Protect persons from injury and protect existing and new improvements from damage caused directly or indirectly by construction operations.
13. The Trade Contractor shall be liable and responsible for payment of all OSHA fines and/or other penalties against their work for failure to comply with all such requirements. Trade Contractor shall also reimburse the Construction Manager for all OSHA and other fines and/or penalties charged to the construction manager due to Trade Contractor's negligence.
14. Clean up shall be on a daily basis. This shall include sweeping and other housekeeping methods necessary to maintain the building, and removal of debris from streets, roads, and landscaped areas. All unused materials, packaging, debris, food-related items shall be placed in rubbish containers and daily removed from the site.

15. Submit the following information within five (5) days after bidding, when requested: (a) approximate number of man-days anticipated for each major function of work; (b) All paint draw downs for approval shall be submitted within twenty-one (21) days of the Contract date.
16. No extras shall be accepted on this project unless initiated by the Owner. Discrepancies, exclusions, clarifications regarding each contractor's scope of work shall be addressed by contractor, in writing, and to the architect during the bidding process.
17. Contractor shall provide certificate of insurance with coverage as specified in the Project Manual and naming architect as additional insured's.

Bidders agree to provide all materials, labor, supervision and markup costs to complete the work required under this proposal as specified in the contract documents for the sum of:

Which includes an allowance of \$1,500 to be used by the owner should it be necessary to complete the work. Allowance monies unused will be retained by the owner.
