

## **ADDENDUM NO. CF - 2**

*Prepared by :* Gary Buczkowski Hoffman Estates Park District

*Date Issued:* March 20, 2015

*Project:* **Crack Fill, Seal Coating & Striping**

NOTE: The following changes are hereby made to the contract documents and insofar as the original contract Documents are inconsistent therewith, the changes herein shall govern. All Bidders shall acknowledge this addendum by inserting its number and date on their bid form.

*Items included in this addendum:*

Item: (Final Paragraph prior to the TOTAL COST OF ALL TEN PROJECTS to address the possible discount to a single vendor)

The bidder understands that the owner may eliminate some of the above work due to budget constraints and should take the fact in consideration when pricing each of the projects individually. However the total cost of all ~~NINE~~ **TEN** projects combined may not add up to the sum total of items ~~1-8~~ **1-10** due to an additional discount applied to the total if all ~~eight~~ **TEN** projects are awarded to a single bidder. In that case the difference in the price between the sum total of items and the total listed price will be figured as a percentage ~~difference~~ **DISCOUNT OF FINAL COST OF WORK BASED UPON UNIT BID PRICING** and that percentage difference will be applied to each of the unit costs for each project item. In no case will the owner award the above work to multiple contractors on a project by project basis.
