5. Old Business:

None

6. New Business:

A. A&F Report and 4Q2017 Goals/M18-005:

Deputy Director Talsma reviewed the item noting that he had been working to extend the district's use of the billboard signs and that staff would be meeting with the new auditing firm Lauterbach and Amen to begin field work.

Chairman Kilbridge asked if staff could recap the process leading to the agreement on the bill board signs. Deputy Director Talsma explained that no bill boards had been allowed within the Village limits until legislation had been passed allowing for billboards if maintained by a public entity (Hoffman Estates Park District). He explained that the agreement would need to be extended in 2019. Executive Director Bostrom noted that the district also had a lease with Nicor for the air rights over the signs. Commissioner Bickham asked if this was for the 4 billboard signs on I90 and it was noted that it was.

Commissioner McGinn asked about the Rectrac Upgrade and Deputy Director Talsma explained that they were mostly working on a punch list but that the district wanted Rectrac to come for a 1 day training seminar for the Managers and Supervisors that used Rectrac in the coming weeks.

Deputy Director Talsma noted that the Marquee Signs would be about \$70,000 short in revenue and that they would be re-evaluating the cost to rent out the signs. Commissioner K. Evans asked how the signs were scheduled and Deputy Director Talsma noted that they had 4 slots or 16 openings to sell that would run all hours. He also explained that from October to December they filled more slots due to the coming holidays than generally speaking.

Comm Rep Utas asked if they could make more slots by shortening the running time and Deputy Director Talsma noted that that could and had tried but there had been issues with vendors receiving less time. Comm Rep Utas asked if the bartering for signs could be documented and Deputy Director Talsma noted that it was as it impacted the Advertising and Sponsorship Manager's commission. He estimated that there was another \$6,000 - \$8,000

in barter and Executive Director Bostrom noted that the Foundation probably received another \$6,000 for their advertisements.

Commissioner R. Evans asked about pricing on peak times and overall and Deputy Director Talsma explained that the ads run for continuous 24 hour periods so there is no price differential. Commissioner Evans also asked how long it took to place ads and Deputy Director Talsma responded to get a new advertisement up was between 30 minutes if they provided the artwork and 24 hours if our staff had to create the artwork.

Comm Rep Utas made a motion, seconded by Comm Rep Chhatwani to send the A&F Report and 4QGoals 2017 as outlined in M18-005 to the board. The motion carried by voice vote.

B. Open and Paid Invoice Register:

Commissioner Bickham made a motion, seconded by Comm Rep Chhatwani to recommend the board approve the Open and Paid Invoices in the amount of \$660,889.72. The motion carried by voice vote.

C. Revenue and Expenditure Report:

Deputy Director Talsma reviewed the item noting that overall, the district had done well. He noted that in those areas where revenue had been down, there had usually been off-setting savings in expenses.

He noted that the general fund was approximately \$200,00 better than budget. The rec fund revenues were down about \$350,000 however, there was \$150,000 savings in payroll expenses, \$60,000 in utilities, and \$50,000 in capital. Therefore, overall the rec fund was approximately \$40,000 short of budget. He also noted that IMRF was good, Debt Service was down \$60,000 mainly due to uncollected property tax, FICA had \$40,000 savings due to district-wide payroll savings, PSSWC fell short of budget approximately \$120,000; 90,000 due to over expenditures in capital. Additionally membership revenues were up \$15,000, BPC was approximately \$90,000 above budget.

Comm Rep Utas made a motion, seconded by Comm Rep Chhatwani to recommend the board approve the Revenue and Expenditure Report as presented. The motion carried by voice vote.

7. **Committee Member Comments:**

Commissioner Bickham congratulated staff on the budget; reminded everyone that the Fish Fry would begin February 16, that there was a Hoffman Walk at PSSWC on February 10 and not to miss the Daddy Daughter Dance or the Mother Son Event.

Comm Rep Utas congratulated Executive Director Bostrom on his IPRA Lifetime Achievement Award and noted that the hockey program was going well.

Chairman Kilbridge congratulated Deputy Director Talsma on the budget. She questioned the need to offer sexual harassment training ASAP as something she became aware of at Conference. Deputy Director Talsma will check on this issue.

8. Adjournment:

Comm Rep Utas made a motion, seconded by Comm Rep Chhatwani to adjourn the meeting at 7:50 p.m. The motion carried by voice vote.

Respectfully submitted,

MEMORANDUM NO. M18-020

To: Administration & Finance Committee
From: Dean Bostrom, Executive Director
Craig Talsma, Deputy Director/Director A&F
Re: Intergovernmental and Real Estate Sale Agreement between School District 54
and HE Parks
Date: February 21, 2018

Background

Schaumburg Community Consolidated School District 54's (SD54) Board of Education made the decision in the fall of 2017 that former Twinbrook Elementary School no longer fit into the school district's long range plans. Immediately following this decision, the park district, school district and village staff worked in cooperation to develop a plan that would be beneficial to both districts as well as the community. The attached Intergovernmental Agreement (IGA) was drafted to enable the transfer of the Twinbrook school property from the school district to the park district.

On February 20th, the park district held a public meeting regarding the proposed purchase of the Twinbrook property; approximately 20 residents attended the meeting. The residents unanimously supported the park district's purchase of the Twinbrook school property which prior to purchase would be converted to open green space.

Implications

The terms of the IGA provide that the school district will assume full responsibility for the demolition of the school building as well as full restoration of the property to open green space according to specifications approved by the park district. While the actual purchase price of the approx. 3.33 acres of property is \$10, a condition of the IGA includes that the park district will share the cost of the demolition and restoration work by reimbursing the school district for half of the school district's out of pocket costs not to exceed \$320,000, or \$160,000 which is the park district's share.

The closing on the property would not occur until all provisions and conditions outlined within the IGA are fulfilled by SD54. The actual closing on the property would be scheduled to occur within 30 days of May 15, 2018 or as mutually agreed upon.

Paragraph 13 – Option to Purchase addresses the school district's interest in acquiring approximately 1 acre of property within Fairview Park which is located adjacent to the school district's Fairview Elementary School located at 341 Arizona Blvd, Hoffman Estates. While the park district is under no obligation to sell any portion of Fairview Park in the future, the IGA does provide that the park district shall not sell, agree to sell, or market any portion of Fairview park property without first offering to sell the property to the school district. If the park board agrees to sell a portion of Fairview Park to the school district, the purchase price shall be

roughly equal to the price per square foot calculation attributable to the Twinbrook property being acquired by the park district as specified in the IGA.

Legal counsel from both the park district and SD54 worked together to draft the IGA which was approved by the SD54 Board of Education on January 18, 2018. Additionally, the park district must officially pass an Ordinance for the purchase of this property. A copy of both the IGA and Ordinance O18-002 is attached.

Recommendation

The A&F Committee recommends to the full board approval of the following:

1. *Intergovernmental and Real Estate Sale Agreement between the Board of Education of Schaumburg Community Consolidated School District 54, Cook County, Illinois and the Board of Commissioners of the Hoffman Estates Park District.*
2. *Ordinance O18-002, An Ordinance Requesting the Transfer of Property from the Board of Education of Schaumburg Community Consolidated School District 54 to the Hoffman Estates Park District Pursuant to the Local Government Property Transfer Act.*

**INTERGOVERNMENTAL AND REAL ESTATE SALE
AGREEMENT BETWEEN THE BOARD OF EDUCATION OF
SCHAUMBURG COMMUNITY CONSOLIDATED SCHOOL
DISTRICT 54, COOK COUNTY, ILLINOIS AND THE BOARD OF
COMMISSIONERS OF THE HOFFMAN ESTATES PARK DISTRICT**

THIS AGREEMENT is made and entered into this ____ day of January, 2018, by and between the Board of Commissioners of the Hoffman Estates Park District, an Illinois park district, ("Purchaser" or "Park District") and the Board of Education of Schaumburg Community Consolidated School District 54, Cook County, Illinois, an Illinois public school district ("Seller" or "School District").

WITNESSETH:

WHEREAS, Seller currently holds title to the parcel of real estate located at 1035 Ash Road, Hoffman Estates, Illinois, commonly known as Twinbrook School and further identified as all or a portion of P.I.Ns 07-14-107-020-0000 and 07-14-107-021-0000 (per the survey completed by Compass Surveying Company), legally described on Exhibit "A" attached hereto and made a part hereof (said real estate, together with any improvements, easements, appurtenances and benefits pertaining thereto being hereinafter referred to as the "Real Estate"); and

WHEREAS, Seller provides educational services to students in several cities and villages and their affiliated park districts, including, but not limited to, the Hoffman Estates Park District; and

WHEREAS, Purchaser desires to purchase the Real Estate from Seller, and Seller desires to sell the Real Estate to Purchaser, upon the terms and conditions hereinafter set forth; and

WHEREAS, Seller is transferring the Real Estate to Purchaser in the spirit of intergovernmental cooperation so as to benefit and enrich both the Seller's and Purchaser's constituents; and

WHEREAS, pursuant to Sections 5-22 and 5-23 of the Illinois School Code (105 ILCS 5/5-22 and 5-23) and Section 2 of the Local Government Property Transfer Act (50 ILCS 605/2), Seller has the authority to transfer title of the Real Estate to Purchaser and/or exchange title of the Real Estate with Purchaser upon such terms as may be agreed upon by the parties; and

WHEREAS, the Seller and Purchaser are further authorized to enter into this Agreement pursuant to Article VII, Section 10 of the Illinois Constitution and the Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.); and

WHEREAS, the Seller and Purchaser desire to utilize the powers granted them under Article VII, Section 10 of the Illinois Constitution, the Local Government Property Transfer Act and the Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) to enter into this Agreement; and

WHEREAS, Purchaser has determined that it has an interest in acquiring the Real Estate; and

WHEREAS, Seller has determined, by two-thirds of its Board of Education, that the Real Estate is unnecessary, unsuitable or inconvenient.

NOW, THEREFORE, in consideration of the mutual covenants and promises of Seller and Purchaser, and other good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, Seller and Purchaser hereby covenant and agree as follows:

1. **Sale and Purchase.** Seller agrees to sell and Purchaser agrees to purchase the Real Estate on the terms and conditions herein set forth at a price of Ten Dollars (\$10) ("Purchase Price"), plus or minus prorations at the time of Closing, as hereinafter defined.
2. **Conveyance.** At the Closing, Seller shall convey or cause to be conveyed to Purchaser or Purchaser's nominee by recordable Quit Claim Deed (the "Deed") the Real Estate, subject only to (a) general real estate taxes not due and payable as of the date of the Closing; (b) acts of Purchaser; and (c) covenants, conditions and restrictions of record.
3. **Survey.** Seller shall obtain, at its cost, a survey of the Real Estate prepared in accordance with current Land Title Survey standards. Seller shall provide Purchaser with an original of said survey (hereinafter "Survey").
4. **Evidence of Title.** Seller shall obtain, at its cost, a current title commitment from Chicago Title Insurance Company (hereinafter referred to as the "Title Company") for an owner's title insurance policy in an amount satisfactory to Purchaser. Seller shall provide Purchaser with a copy of the title commitment. The aforesaid commitment shall show title in the intended grantor or in Purchaser, subject only to the title exceptions set forth in Paragraph 2 hereof. The title commitment shall be conclusive evidence of good title as therein shown as to all matters to be insured by the title policy subject only to the exceptions therein stated.

If Purchaser has an objection to items disclosed in the Commitment or the Survey provided for herein, Purchaser shall have fifteen (15) business days after receipt of both the Commitment and the Survey ("Objection Period") to make written objections to Seller concerning matters shown on the Commitment or Survey. If Purchaser makes objections, Seller shall have thirty (30) calendar days from the receipt thereof ("Cure Period"), to cure Purchaser's objections. If the written objections are not cured or satisfied within the Cure Period, Purchaser shall, as Purchaser's sole and exclusive remedy, elect in a writing delivered to Seller within fifteen (15) business days after the expiration of the Cure Period, either (i) to terminate this Agreement, or (ii) to proceed with this Agreement, in which event the Purchaser shall have the right to deduct from the Purchase Price any amount necessary to cure all liens and encumbrances of a definite or ascertainable amount. If Purchaser does not so notify Seller within fifteen (15) business days after the expiration of the Cure Period, Purchaser shall be deemed to have elected to proceed with this Agreement, in which event the Purchaser shall have the right to deduct from the Purchase Price an amount necessary to cure all liens and encumbrances of a definite or ascertainable amount. If Purchaser fails to timely notify Seller in writing of any such objections during the Objection Period, it shall be deemed that Purchaser has approved and found the Commitment, the Survey and all matters reflected on or in any of them to be acceptable and permitted hereunder and Purchaser agrees to take title to the Property subject to such matters. Any items to which Purchaser does not object in writing within the Objection Period or to which Purchaser does object but subsequently waives (or is deemed to have waived) such objection shall be deemed to be a permitted exception(s) ("Permitted Exceptions").

The Purchaser shall be responsible, at its expense, for obtaining a title policy for the Real Estate.

5. **As-Is Condition.** Purchaser acknowledges that it is acquiring the Real Estate on an "AS- IS" basis without any representations or warranties whatsoever, unless specifically set forth in this Agreement. Purchaser further acknowledges that it has inspected the Real Estate and that it accepts the Real Estate in its "AS-IS" condition.
6. **Closing.** The Closing of the transaction herein described (the "Closing") shall be within 30 days of May 15, 2018 or as mutually agreed (or on the date to which such time is extended by reason of Paragraph 4 or 11 hereof, whichever date is later) at the offices of the Title Company or at such other location as the parties hereto mutually agree. The transaction herein contemplated may, upon election of either party, be closed through an escrow with the Title Company, in accordance with the general provisions of the usual form of a Deed and Money Escrow then in use by said Title Company, with such special provisions inserted in the escrow agreement as may be required to conform with this Agreement. Upon the creation of such an escrow, anything herein to the contrary notwithstanding, payment of the consideration and delivery of the Deed shall be

made through the escrow and the cost of said escrow shall be shared equally by the parties.

7. **Delivery of Possession.** Seller shall deliver possession and control of the Real Estate on the day of the Closing.
8. **Closing Adjustments.** In the event the Real Estate is not exempt from real estate taxes, Purchaser shall receive a credit at the Closing for general real estate taxes and any other applicable charge levied against the Real Estate not yet due or payable or due but not yet paid. The amount of any general real estate taxes not then ascertainable shall be credited on the basis of One Hundred Five Percent (105%) of the amount of the most recently ascertainable taxes. All prorations shall be final. Any stamp tax imposed by law by the State of Illinois, the County of Cook, and any municipality, on the transfer of title shall be paid in accordance with local custom or as provided by law or ordinance. The Parties agree that transaction should be exempt from real estate transfer stamps pursuant to paragraph (b) of Section 31-45 of the Real Estate Transfer Tax Law.
9. **Covenants, Representations, and Warranties.** In order to induce Purchaser to enter into this Agreement, Seller hereby represents to Purchaser as of the date hereof and as of the date of Closing that, to the best of Seller's knowledge:
 - A. **Authority of Seller.** Seller has full power to execute, seal, acknowledge and deliver this Agreement, and to consummate each and all of the transactions contemplated hereby.
 - B. **Violation of Laws.** Seller has not received any notice relating to any violations of applicable laws, ordinances, statutes, rules, regulations and restrictions pertaining to or affecting the Real Estate.
 - C. **Notice of Legal Proceedings.** Seller has not received any notice relating to any legal actions, suits, or other legal or administrative proceedings, including pending assessments, condemnation, eminent domain, or quiet title cases, pending or threatened, against the Real Estate, including but not limited to any environmental laws and regulations.
 - D. **Foreign Status of Seller.** Section 1445 of the Internal Revenue Code (the "Code") does not apply to this transaction in that Seller is not a nonresident alien, foreign corporation, foreign partnership, foreign trust or foreign estate (as those terms are defined in the Code and Income Tax Regulations). On or before the date of the Closing Seller shall provide, if required by law, Purchaser with an affidavit of compliance with Section 1445, as set forth in the Code and applicable Regulations. If Seller fails to provide the necessary affidavit and/or documentation of exemption on or before the date of Closing, or if Purchaser has reason to believe such affidavit is false or incorrect, Purchaser shall have the right to proceed with the withholding provisions as set forth in Section 1445 of the Code.

- E. Notice of Action. From the date hereof through the Closing, Seller shall promptly comply with and forthwith give notice to Purchaser of all notices received by Seller relating to the Real Estate given pursuant to any threatened or actual litigation or any Federal, state, city, or municipal law, ordinance, regulation, or order, and shall comply with the requirements of any authority, state, city or municipal department or other governmental entity having jurisdiction over the Real Estate or the use thereof.
 - F. Prohibition on Encumbrances. Between the date of this Agreement and the Closing Seller shall not:
 - (1) Create, incur or suffer to exist any mortgage, lien, pledge or other encumbrance in any way affecting the Real Estate; and
 - (2) Enter into any contracts or agreements pertaining to the Real Estate (excluding those contracts related to the demolition work described in paragraph 12 below) without first obtaining the written consent of Purchaser.
10. Provisions with Respect to the Closing. At the Closing, Seller shall deliver or cause to be delivered to the Purchaser the following documents ("Closing Documents"):
- A. A non-foreign affidavit in accordance with Section 1445 of the Internal Revenue Code, if required by law;
 - B. Affidavit of Title in customary form;
 - C. Closing Statement executed by the parties;
 - D. Applicable Real Estate Transfer Declarations;
 - E. Quit Claim Deed in customary form conveying the Real Estate to Purchaser subject only to the Permitted Exceptions;
 - F. Owner's Title Insurance Policy issued by Chicago Title; and
 - G. All such further conveyances, assignments, confirmations, satisfactions, releases, powers of attorney, instruments of further assurance, approvals, consents and any and all such further instruments and documents as are reasonably required by the Title Company to issue the Title Commitment described in Paragraph 4 hereof.
11. Conditions to Purchaser's Obligations to Close. Purchaser shall have no obligation to consummate the transaction provided for by this Agreement (but Purchaser shall be entitled to consummate the transaction provided hereby) unless each and every one of the following conditions shall have been satisfied:

- A. This Agreement shall not have been previously terminated pursuant to any other provision hereof.
- B. The Seller shall be prepared to deliver to Purchaser all instruments and documents to be delivered to Purchaser at the Closing pursuant to the terms and provisions hereof.
- C. Seller shall have caused the work described in Section 12 to be completed according to the terms and conditions thereof.
- D. Seller shall have delivered to Purchaser all final lien waivers and contractors' sworn statements demonstrating that all labor and materials consumed in the demolition and restoration of the Real Estate have been paid in full.

12. **Demolition Activities and Cost Sharing.**

- A. Seller has solicited bids for the demolition of the school building and related improvements currently located on the Real Estate and adjoining property. Seller is prepared to accept the bid of apparent low bidder and award a contract in the amount of Three Hundred and Twenty Thousand Dollars (\$320,000) to a demolition contractor to accomplish said demolition and to grade the Real Estate and seed the same.
- B. Purchaser has agreed to share the cost of said demolition work by reimbursing Seller for one-half of Seller's out-of-pocket costs, not to exceed the \$320,000 demolition bid price, upon completion of the work, said payment to be made prior to or at the Closing.
- C. Purchaser is prepared to grant Seller the temporary use of its adjoining property to assist Seller and its contractor with the aforementioned demolition work.
- D. Before commencing any work by an outside contractor on Purchaser's property Seller shall furnish Purchaser with insurance coverage satisfactory to Purchaser. The coverage and limits under the policies of insurance shall be subject to Purchaser's decision and approval, and shall name Purchaser, its officers and employees, as named insureds. Additionally, Seller shall furnish Purchaser with certificates of insurance from all outside contractors performing labor or furnishing materials that insure Seller against any and all liabilities which may arise out of or be connected in any way with said demolition, alterations, changes and improvements. Seller shall cause all contracts with outside contractors to contain an indemnification provision substantially similar to the following language:

To the fullest extent permitted by law, the Contractor shall waive any right of contribution against the Owner and Hoffman Estates Park District and

shall indemnify and hold harmless the Owner, Hoffman Estates Park District and their officers, officials, employees, volunteers and agents ("Indemnitees") from and against all claims, damages losses and expenses, including, but not limited to, legal fees (attorney's and paralegal's fees, expert fees and court costs) arising out of or resulting from the performance of the Contractor's Work, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of property, other than the work itself, including the loss of use resulting therefrom, to the extent it is caused by any wrongful or negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the Indemnitees would otherwise have. The Contractor shall similarly, protect, indemnify and hold and save harmless, the Owner, its officers, officials, employee, volunteers and agents against and from any and all claims, costs, causes, actions and expenses, including, but not limited to, legal fees, incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of any provisions of the Contract. The indemnification obligations under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or any subcontractor under Workers' Compensation or Disability Benefit Acts or Employee Benefit Acts.

- E. All work related to the demolition and restoration of the Real Estate shall be executed in compliance with the Prevailing Wage Act. Seller shall acquire and retain certified payrolls from any outside contractors performing labor on the Real Estate.
- F. Before issuing a certificate of substantial completion, the Seller shall grant Purchaser an opportunity, for ten days after receipt of notice, to inspect the Real Estate and the restoration work. If Purchaser discovers any defects in labor or materials during its inspection, the Purchaser may deliver notice of its objections to Seller, which shall cause such objections to be corrected. Purchaser's failure to deliver any objections shall not be deemed a waiver of any claims against third party contractors or the guarantee described in paragraph G below.
- G. School District shall permit the Park District to participate in pre-construction and construction meetings and inspections related to the restoration work and to review and approve as-built plans prepared following all restoration work on the Real Estate, including the grading and seeding.

13. **Option to Purchase.** As further consideration for Seller's sale of Real Estate and other activities specified in this Agreement, Park District hereby grants School

District an irrevocable Option to Purchase a portion of Park District's property located adjacent to School District's Fairview School at 341 Arizona Boulevard, Hoffman Estates, Illinois, ("Offer Property"). In that regard, Park District shall not sell, agree to sell, or market the Offer Property, or any portion thereof, without first offering to sell such to School District ("Offer"). The word "sell" as used in this Paragraph 13 shall include any transfer, exchange, conveyance, assignment or pledge of all or any portion of the Offer Property. School District shall present its Offer to Park District in writing on substantially the same reasonable terms and conditions that are set forth above in paragraphs 1-11 of this Agreement. School District's Offer shall, at a minimum, include the following: (a) description of the property to be acquired by School District (which shall consist of an Offer Property parcel of approximately one acre), (b) the purchase price (which shall be based upon a price per square foot calculation roughly equivalent to the price attributable to the Real Estate being acquired by the Park District above (as calculated by reference to the survey completed by Compass Surveying Company)), and (c) the time of closing (which should be accomplished simultaneously with the sale of the Real Estate described above).

14. **Notices.** Any notices and communications required to be given under this Agreement shall be in writing and, except as otherwise expressly provided, shall be (i) mailed by registered or certified mail, return receipt requested, postage prepaid, (ii) sent by electronic facsimile transmission, or (iii) personally delivered by hand against receipt therefor to the parties at the address set forth below, or such other address as any party may designate to the others by notice hereunder. All such notices shall be deemed to have been received on the date of personal delivery, electronic facsimile transmission, or, if mailed, on the date of receipt.

HOFFMAN ESTATES PARK DISTRICT MEMORANDUM NO. M18-022

TO: Administration & Finance Committee
FROM: Dean Bostrom, Executive Director
Craig Talsma, Deputy Director/Director A&F
Dustin Hugen, Director Parks & Facilities Services
RE: Schaumburg Township proposal to acquire a portion of Maple Park to
expand the Township's existing parking lot
DATE: February 22, 2018

Background

Schaumburg Township staff in July of 2017 inquired with park district staff about the Township's desire to expand the size of its current parking lot.

The Schaumburg Township's lone facility is located at One Illinois Blvd in HE and is located directly south of the park district's Maple Park. Maple Park is 2.93 acres and includes a neighborhood playground at the north end of the park and a neighborhood baseball field at the south end of the park. The ballfield has a backstop and sideline fencing, however, the field has not been used for park district games or practices for the past several years. Based on the park district's current demand for baseball fields of this size, there are no plans in the immediate future to utilize this field for programs, practices or games.

The park district scheduled a public hearing per the district's policy in cooperation with Schaumburg Township on February 22, 2018 at their Schaumburg Township offices. A meeting notification sign was placed at Maple Park and the attached letter was sent to 47 residents who live within 350+/- feet of Maple Park boundaries. Approximately 22 residents attended the meeting. Attached is an email chain from a resident expressing comments and concerns.

Also attached you will find the Agenda, Sign-In Sheet and Minutes from the public meeting which was attended by District staff and four Commissioners. At the conclusion of the meeting, attendees were informed that the next meeting for public input would be Tuesday, February 27th at TC at 7pm. The sign was changed as well.

Recommendation

There is no recommendation at this time. Staff is currently evaluating the implications addressed at the public meeting and will provide an update at the A&F committee meeting on February 27th.

Dear Maple Park resident:

The purpose of this letter is to inform you that the Township of Schaumburg has a strong interest in acquiring approximately 1.2 acres of property from the Hoffman Estates Park District.

The property in question is located at the south end of Maple Park which abuts to the far north end of the current Schaumburg Township parking lot and access drive. If the Township acquires the 1.2 acre parcel from the park district, the property would be developed to create additional parking. A proposed site plan depicting the proposed parking lot is attached.

A public meeting is scheduled for Thursday, February 22nd at 7:00 p.m. at the Schaumburg Township Administration Building at One Illinois Blvd in Hoffman Estates. At the meeting both Schaumburg Township and Hoffman Estates Park District representatives will provide an overview of the proposed acquisition and development of the property into additional off-street parking. All interested residents are encouraged to attend the meeting.

For further information, please contact either Eric Johnson, Schaumburg Township Administrator at 847-884-0030 or ejohnson@schaumburgtownship.org, or Dean Bostrom, the Executive Director of the Hoffman Estates Park District at 847-310-3604 or dbostrom@heparcs.org.

As Captain of the Illinois Blvd. neighborhood watch program, thank you for taking time to express the thoughts of both you and your neighbors regarding the public meeting tonight. The park board is holding the meeting tonight to listen to resident input regarding the proposal. No decisions have been at this time regarding the Township's proposal and no decisions will be made at the meeting tonight. I also wanted to clarify that Maple Park is owned and maintained by the Hoffman Estates Park District and that the park is not owned or maintained by the Village of Hoffman Estates as implied in your email. Your correspondence will be shared with the Park District Board of Commissioners for consideration along with the resident input presented at the meeting tonight. The Hoffman Estates Park District is planning to discuss the Schaumburg Township's proposal regarding Maple Park at park district's board meeting next Tuesday February 27, 7:00 pm at the Triphahn Center [1685 W. Subject: Regarding the paving of Maple Park on Illinois Blvd

Good afternoon Mr. Bostrom and Mr. Johnson:

I regret that I am unable to attend tonight's meeting at The Schaumburg Village Township regarding the proposed destruction of Maple Park and the possible construction of an additional parking area for the Township.

As Captain of our Illinois Blvd. neighborhood watch, many of our neighbors have been coming to me expressing dismay at the possible construction of a parking lot in the area of Maple Park on Illinois Blvd.

We understand that the Township would like to add parking spaces but we neighbors would like to discourage this measure for the following reasons:

- a. the construction of a detention pond would put **neighborhood children and pets at risk** of falling into the deep gully (especially those children with ASD, Autistic Spectrum Disorder, as these children are drawn to areas of water

- b. the building of a **parking lot will do away with one of the few the baseball diamonds** remaining in our area which are open to many children and families for

improvised games of baseball, softball and kickball...in this era of childhood obesity we actually need MORE playgrounds not more parking lots

c. the construction of a parking area **could lead to a "hang out" area for unsupervised adolescents** in the evenings and on weekends both with and without cars...

these young people could also benefit from the baseball diamond for open play

d. Homeowners across from Maple park and in that area will be in **danger of lowering the value of their homes** as the view of an empty parking lot evenings weekends and holidays would make their homes less marketable

e. **The Township Seniors and Disability Services** holds many functions in Maple Park and the families of these citizens would be celebrating in a parking lot instead of in the open air on park land.

Gentlemen: Please re-consider the construction of a parking lot on Village Park land.

We, as neighbors, would highly prefer that the Maple Park land, baseball diamond and green spaces remain in their natural state.

Thank you.

MINUTES

**SCHAUMBURG TOWNSHIP / HOFFMAN ESTATES PARK DISTRICT
JOINT PUBLIC MEETING**

at

**SCHAUMBURG TOWNSHIP ADMINISTRATION BUILDING
ONE ILLINOIS BLVD., HOFFMAN ESTATES, IL**

**THURSDAY, FEBRUARY 22, 2018
7:00 P.M.**

Executive Director Dean Bostrom called the meeting to order at 7:00 p.m. and introduced Commissioners and staff present from the Hoffman Estates Park District.

Schaumburg Township Administrator, Eric Johnson, introduced the public officials who were in attendance representing Schaumburg Township.

Executive Director Bostrom stated that this was a public meeting to provide information to residence in attendance and to allow input from residents and that no decisions were going to be made at this meeting.

Executive Director Bostrom provided an overview of the purpose of the meeting regarding Schaumburg Township’s interest in acquiring approx. one acre of Maple Park from the park district to expand their existing parking lot by approx. 50 additional spaces.

Administrator Johnson provided an overview of the Township’s current parking situation and provided an overview on the Township’s need to expand parking for public safety reasons.

Todd Abrams from WT Group provided an overview of the proposed parking lot, including the storm water management requirements of the project. Todd stated that he did not believe that on-site detention would be required which would reduce the total amount of land required for the project.

Executive Director Bostrom provided an overview of Maple Park, including the history of the park and the amenities included.

Executive Director Bostrom solicited public input from the residents in attendance.

The questions and concerns presented from the residents included:

1. Additional parking lot lights and the potential adverse impact of those lights on adjacent residents.
2. The future status of the large tree located between the Township's parking lot and Maple Park, as well as the trees located along the west side of the park between Illinois Blvd. and Maple Park.
3. The buffer (landscaping or fencing) that would be provided between the parking lot and the park and the additional parking lot and the street parking.
4. Concern over the amount of trash generated from the parking lot and street parking.
5. Public safety with the number of cars that currently park on both sides of Illinois Blvd.
6. Accessibility required for senior citizens to park along Illinois Blvd.
7. ADA requirements for additional parking.
8. How the expanded parking lot would comply with storm water detention requirements.
9. If the backstop or fencing would be maintained
10. Would there be enough green space to play activities like soccer.
11. If the wooded areas on the east side would be maintained.
12. That the retention area would not be there to allow easy access to the green space
13. That the new lot and any ramps would conform with ADA requirements

Executive Director Bostrom stated that the park district was not going to be making decisions at this public meeting, and there is an additional meeting which has been previously scheduled for next Tuesday, February 27th at 7pm at the Triphahn Center. He encouraged all residents to attend. A new sign will be posted regarding the meeting. He also stated that the park district anticipates scheduling additional meetings in March to further discuss the proposed project and solicit additional input from residents.

Meeting adjourned at 8:15 p.m.

DATE: February 22, 2018

Background:

As part of the Foundation Board Retreat on November 6, 2017, a consensus was reached that a Memorandum of Understanding (MOU) between the Foundation and the Park District should be developed. Recommendation:

The board approve the Memorandum of Understanding as presented with this memo effective March 1, 2018 through June 30, 2019 and thereafter from July 1 to June 30. This MOU will automatically renew each July 1 on an annual basis unless either party gives 30 days' written notice to cancel or amend the MOU.

TO: A&F Committees
FROM: Dean R. Bostrom, Executive Director
Craig Talsma, Deputy Director/Director A&F
RE: Bond Abatements
DATE: February 23, 2018

Background

Each year the District abates the additional levies on our bonds as filed with the county. This is done every year to insure that we do not levy taxes for additional revenues to pay off our alternate revenue bonds. The abatement needs to be filed prior to the second installment of property taxes which is calculated by Cook County; the due date for this filing is April 1.

Implications

The District needs to approve this abatement to insure that the correct dollar amount is levied for the district's property taxes to coincide with our tax levy and budget which coincide with our actual needs.

Recommendation

Recommend to the full board approval of Ordinance O18-001 abating taxes levied for the District's bonds for the 2017 Levy.

NOW, THEREFORE, be it ordained by the Board of Park Commissioners, Hoffman Estates Park District, Hoffman Estates, Illinois as follows:

Section One: The 2017 levies as provided in the above ordinances for the Bonds shall be abated in their entirety.

Section Two: A certified copy hereof shall be filed with the County Clerk of Cook County who shall abate the 2017 levy for each of the Bonds.

Section Three: This ordinance shall be in full force and effect from and after its passage, and approval as provided by law.

MEMORANDUM NO. M18-009A

TO: A&F Committee
FROM: Dean R. Bostrom, Executive Director
Gary Buczkowski, Director Planning & Development
RE: Court Repair, Color Coating, Striping
DATE: February 21, 2018

Background

The attached Memorandum M18-009 regarding Court Repair, Color Coating & Striping was inadvertently omitted from the February 20th B&G agenda/packet. The item was approved to add to the agenda for discussion purposes at the B&G Committee meeting, however, the Open Meetings Act does not allow action to be taken on agenda items that are not advertised 48 hours in advance of the meeting. The B&G committee discussed the memo and the consensus of the committee was to concur with staff's recommendation to award the bid for court repair work for 2018 to American Sealcoating of Michigan City, Indiana for a total cost of \$37,800. As no formal action was taken regarding the Court Repair, Color Coating & Striping at the B&G Committee meeting, this has been added to the A&F Committee agenda.

Recommendation

Staff recommends that the A&F Committee recommend the Board award the bid for court repair work for 2018 to American Sealcoating of Michigan City, Indiana for a total cost of \$37,800. The amount budgeted in the 2018 capital fund for this work was \$45,000.

MEMORANDUM NO. M18-009

TO: A&F Committee
FROM: Dean R. Bostrom, Executive Director
Gary Buczkowski, Director of Planning and Development
RE: Court Repair, Color Coating, Striping
DATE: February 6, 2018

Background:

As part of the 2018 Capital Improvement Plan, funds have been earmarked for improvements to tennis courts, basketball courts and inline hockey rinks throughout the district. The bid for this work was released early in December 2017 to allow contractors the chance to visit sites prior to the onslaught of the winter weather. The following projects will be completed as part of this contract award:

- Repair cracks and resurface Cannon Crossings Park single Tennis Court
- Repair cracks and resurface Cannon Crossings (half) Basketball Court
- Repair cracks and resurface Charlemagne Park Tennis Courts (2)
- Repair cracks and resurface Charlemagne Park Basketball Court
- Repair cracks and resurface South Ridge Park Tennis Courts (2)
- Repair cracks and resurface Armstrong Park Basketball Court

Note annual crack filling and repair at all other HEPD courts are going to be accomplished by the HEPD park staff.

Implications:

On February 6, 2018, staff opened five bids for the 2018 court repair work. Attached is a summary of the bids received. The low bidder, American Sealcoating has been in the business of sport court coating repair and striping for over ten years. Staff contacted a number of their references including their material supplier and found their work and workmanship came highly recommended. Staff has personally had the opportunity to see this company's work first hand in Elk Grove Village and deemed in to be to HEPD standards.

American Sealcoating understands this proposed work falls under the Illinois Prevailing Wage Act and understands they will need to provide documentation regarding compliance with this requirement.

Work on these courts is planned to begin in June and be completed with 30 days of start (weather permitting).

Recommendation:

Staff recommends the B&G Committee recommend the board award the court repair work for 2018 to American Sealcoating of Michigan City, Indiana for a total cost of \$37,800. The amount budgeted in the 2018 capital fund for this work was \$45,000.

RE: Supply of Playground Equipment Bid Opening
DATE: February 21, 2018

Background

The attached Memorandum M18-010 regarding playground equipment was inadvertently omitted from the February 20th B&G agenda/packet. The item was approved to add to the agenda for discussion purposes at the B&G Committee meeting, however, the Open Meetings Act does not allow action to be taken on agenda items that are not advertised 48 hours in advance of the meeting. The B&G committee discussed the memo and the consensus of the committee was to concur with staff's recommendation to award the bid for playground equipment at Armstrong and MacArthur to Zennon Company for the low bid price of \$76,233. As no formal action was taken regarding the playground equipment at the B&G Committee meeting, this has been added to the A&F Committee agenda.

Recommendation

Staff recommends that the A&F Committee recommend the Board award the bid for playground equipment at Armstrong and MacArthur to Zennon Company for the low bid price of \$76,233. Staff's budget amount for this equipment for the two projects was \$80,000.

RE: Supply of Playground Equipment Bid Opening
DATE: February 6, 2018

Background:

As part of Park District's 2018 Capital Improvement Plan, \$208,000 has been earmarked for the redevelopment of playgrounds at Armstrong and MacArthur School playgrounds. As part of the process, staff normally bids out supply of equipment to be purchased directly from vendors and that equipment is supplied to the installation contractors. The installation bid portion of the project will be released once the equipment vendors are known and will be presented at the March meetings.

Playground design concepts for both of these projects were developed by staff and presented to the public and the Board in December of 2017. From the comments received, staff developed a performance playground design which was to be used in the bid process. A total of five vendors expressed interest in supplying this equipment. To be qualified, the vendor had to present a manufacturer's product of a certain quality and be able to provide a design with an overall similar play value as the performance specified playground design. All five vendor designs for the Armstrong project were accepted and approved with four out of the five being qualified and accepted for the MacArthur project.

Implications:

At the time of bid opening, staff received five bid packages and read them aloud. Attached is a summary of bids received. The bids received represent extremely aggressive discounts based on the competitive process and the timing of the bid. Since each of the vendors' designs had been pre-qualified, there was no need to re-qualify as part of the official bid. Zennon Company, the low bidder, assumed both playgrounds would be shipped at the same time for a combined discounted cost. Zennon who represents Play Craft Equipment Company has supplied the district with playgrounds for the two past years. Their quality and service has met staffs expectations in every case.

Recommendation:

Staff recommends that the A&F Committee recommend the Board award the bid for playground equipment at Armstrong and MacArthur to Zennon Company for the low bid price of \$76,233. Staff's budget amount for this equipment in the two projects was \$80,000.

FROM: Dean R. Bostrom, Executive Director
Craig Talsma, Deputy Director / Director of Administration & Finance
Eric Leninger, Superintendent of HR / Risk Management
SUBJECT: Revised Park District Safety Manual
DATE: February 19, 2018

The Hoffman Estates Park District safety manual is a large document that acts as a catalogued resource for pertinent park district safety documents and our crisis communication plan. This document is compliant with our Park District Risk Management Agency's loss control recommendations. It was last revised and approved by the board in 2013.

Implications

The safety manual has received several semantical updates including: updating the president of the board of commissioners, updating staff names/titles/contact information, and updating the heparks logo throughout.

A link to the safety manual, via the heparks website, is listed below:

RE: Balanced Scorecard
DATE: February 16, 2018

Background

According to the definition from Wikipedia, “*the **Balanced Scorecard (BSC)** is a strategy performance management tool - a semi-standard structured report, supported by design methods and automation tools, that can be used by managers to keep track of the execution of activities by the staff within their control and to monitor the consequences arising from these actions*”

The phrase 'Balanced scorecard' is commonly used in two broad forms:

- 1. As individual scorecards that contain measures to manage performance, those scorecards may be operational or have a more strategic intent; and*
- 2. As a Strategic Management System, as originally defined by Kaplan & Norton.*

Key components in utilizing the Balanced Scorecard methodology

- its focus on the strategic agenda of the organization concerned*
- the selection of a small number of data items to monitor*
- a mix of financial and non-financial data items.”*

Implications

The District continues to refine our Balanced Scorecard and have made certain adjustments to ensure that the measurement values that we utilize are relevant and functional. The goal is to provide a snapshot view of these key components at a specific point in time and to have an annual year to year comparison. This allows us to determine on a very broad spectrum the direction in which the District is moving.

These key components are not being analyzed on a valuation to current budgets or forecasts as much as to the same time period in previous years. Those types of evaluations are provided in the monthly Recreation Committee participation reports and the financial statements in the A&F Committee reports. The Balanced Scorecard comparison gives us a broad overview as to the direction the District is moving with regard to our overall mission, values and goals. The Balanced Scorecard has been updated to report quarterly numbers and compare these numbers to previous quarters. This is then done for the year to date (YTD) totals as well.

Certain numbers that are included may have changed and if significant we have included a small note under the measurement definition.

Recommendation

Staff recommends the Board approve the Balanced Scorecard for the 4th Quarter 2017.
