**6. New Business:**

A. Real Estate Purchase Contract with Schaumburg Township for Maple Park Resolution R18-002/M18-039:

Executive Director Bostrom reviewed the issue noting that in July 2017 the Township asked to expand their parking using part of the open space at Maple Park. He explained that numerous public meetings had been held for resident input and that based upon that input several revisions to the parking lot plans had been made. He explained that some of the concerns had been:

- Dirt Infield – moving ball field and replacing with grass
- Dugouts - removed
- What could be built on the property – only what is agreed to through the park district
- ADA requirements – Village has strict compliance requirements that will be met
- Who approves the contract first – Park District; \$1.08 /square foot purchase price which is the same cost the park district paid for the property from the school district at Birch Park.

Commissioner Bickham asked about the parking permission on Illinois and Executive Director Bostrom noted that only the Village could address that issue.

Ms. Wroblewski from the Township noted that parking was permitted on Illinois.

Comm Rep Katis asked about the number of parking spaces/handicapped spaces would be available and Mr. Green noted there would be 50 new spots and 3 new handicapped; exceeding the ADA requirement. Comm Rep Katis asked about the bus parking and the number of trees as well as the open space next to the lot. It was noted that the Township would have to coordinate the bus parking in the area, that 16 new trees would be added and Executive Director Bostrom explained that the Federal Government owned the land in that area and it was not for sale.

Comm Rep Musial asked if the district had seen the plans and the recommendations for the lighting. It was noted that the district was working

with the Township on the plans and Mr. Green showed a diagram with 3 light poles on the east side and one on the west side. Executive Director Bostrom explained that the park district would be working with the Village on the lighting.

Commissioner Bickham asked if the residents had been contacted by the park district and it was noted that the Township had made the contact.

Jodi Mitchell thanked the park district for the many meetings and asked if the lights would go off at 11 p.m. like they do now. Executive Director Bostrom noted that the timing issue would have to be deferred to the Township and Ms. Wroblewski said she anticipated that they would be in keeping with the current practices.

Ms. Mitchell asked about devaluation of the property and Executive Director Bostrom noted that ordinarily property near a park added value. Ms. Mitchell noted that the Palatine Township had 90 parking spaces, 5 handicapped and 10 visitor spots without street parking. She also noted that she heard the Village had waived the no parking on Illinois on Thursday (Bingo) night. Executive Director Bostrom explained that the park district had no jurisdiction over the parking and felt that adding the parking spaces would help with that and that residents should clarify the no parking issue with the Village. Ms. Mitchell asked if everyone had received a copy of the position and that only 1 person on the list lived on Illinois and that the last pages of the petition were not residents of Hoffman Estates. Executive Director Bostrom explained that when the district built the Triphahn Center they took into consideration all the residents and/or non-residents that would use the facility and not only the residents adjacent to the property. She asked if they had explored other options first.

Sue Ratio addressed the committee expressing concern for the traffic and safety in the area suggesting employees park on Payson and the schedule be re-visited. Executive Director Bostrom suggested they bring their traffic issues to the Village and attend the Township meeting to be held the next night.

Commissioner Bickham thanked the residents and urged them to bring their concerns to the Township and the Village.

Comm Rep Kafis also thanked the residents noting that the park district would want to work with the residents.

Ms. Ratio asked about the water on the parking lot and it was noted that it should drain towards the creek and that park district staff would be reviewing that item. She also explained that the trees in the area need to be trimmed and there was a lot of dead wood that could be removed.

Commissioner Kilbridge said she had walked the property and felt that the additional parking lot would not negatively impact park users.

Executive Director Bostrom noted that staff will look at the type of trees to be recommended; something fast growing and leafy to reduce the visual impact of the additional lot area.

Comm Rep Chhatwani suggested moving the busses to the Dominick's lot across the street to open more parking.

Ms. Mitchell asked about looking at some alternatives before building the parking lot. Executive Director Bostrom explained that the first response to the issue had not been to sell park property for a parking lot and avenues of scheduling and reconfiguring the lot had already been explored.

Commissioner Bickham made a motion, seconded by Comm Rep Chhatwani to recommend the board approve the real estate purchase contract and Resolution R18-002 as outlined in M18-39. The motion carried by voice vote.

B. Revision to Personnel Policy Manual Section VII/M18-026:

Executive Director Bostrom reviewed the item noting that the district needed to update the language in the policy to meet CAPRA requirements to educate the public on district policies and procedures.

Comm Rep Katis asked if all FT and PT employees had access to the Policy Manual and it was noted that it was available on the internal S/Drive and on the web site.

Comm Rep Katis made a motion, seconded by Comm Rep Chhatwani to recommend the board approve the updated language in Section VII of the personnel policy manual as outlined in M18-026. The motion carried by voice vote.

C. Surplus Ordinance O18-003/M18-040:

Executive Director Bostrom reviewed the item noting that the equipment was 12 years old and had been used for parts.

Comm Rep Katis made a motion, seconded by Comm Rep Chhatwani to recommend the board approve Ordinance O18-003 for Surplus Property as outline in M18-040. The motion carried by voice vote.

D. A&F Report/M18-038:

Deputy Director Talsma reviewed the report noting that the district had not been properly charged for the water usage at Cannon Crossings and that it

was determined that the bill was \$170,000 of which the Village agreed to payment of \$62,000. He also explained that they had negotiated a reduction of 15% on both irrigation areas and splash pad which would save the district about \$10,000 each year.

Commissioner Bickham asked who installed the meter and it was noted that Village's Public Works had done the installation.

Comm Rep Katis asked where the \$60,000 was coming from and Deputy Director Talsma explained that it was being taken from last year's surplus in the general fund. Comm Rep Katis asked about the cost of a ThorGuard system and Deputy Director Talsma and Director Buczkowski said it would be \$4,500 - \$5,000.

Comm Rep Katis made a motion, seconded by Comm Rep Chhatwani to send the A&F Report M18-038 to the board. The motion carried by voice vote.

E. Open and Paid Invoice register: \$659,611.49:

Comm Rep Katis asked about the controlled burns at \$8,250 and Deputy Director Talsma explained that they would be multiple burns and that the district budgeted \$20,000 each year for them. Comm Rep Katis asked about the F&B Wet Jet Kitchen Drain at \$1,500 and Executive Director Bostrom noted that he believed it was done every couple of year and budgeted for. Staff will check.

Comm Rep Musial asked about the JC Restoration coming from an account receivable and Deputy Director Talsma noted that it would be a reimbursement from PDRMA.

Comm Rep Katis made a motion, seconded by Comm Rep Chhatwani to recommend the board approve the Open and Paid Invoice Register in the amount of \$659,611.49. The motion carried by voice vote.

F. Revenue and Expenditure Report:

Deputy Director Talsma reviewed the report noting that things were good. He pointed out a change in the Ice Budget from 2017 to 2018 noting that the debt service payment had moved to the admin area. He also noted that the February and March golf revenues were down from last year but were still unbudgeted over all.

President Kaplan asked about the \$64,000 off in ice from last year and Deputy Director Talsma noted that \$10,000 was rentals, \$36,000 lessons (ice and hockey) and \$10,000 in adult hockey.

Commissioner Kinnane noted that part of the adult hockey loss was their moving to the private rink in Mount Prospect with a full serve bar.

Comm Rep Musial asked about C&M expenditures in the Rec and PS budgets and Deputy Director Talsma explained that it was more due to timing and large mailings than an over-expenditure item.

Comm Rep Katis made a motion, seconded by Comm Rep Chhatwani to recommend the board approve the Revenue and Expenditure Report as presented. The motion carried by voice vote.

**7. Committee Member Comments:**

Comm Rep Katis said he took the resident's concerns very seriously.

Commissioner Bickham reminded everyone that the last Fish Fry was this weekend.

**8. Adjournment:**

Comm Rep Katis made a motion, seconded by Comm Rep Chhatwani to adjourn the meeting at 8:25 p.m. The motion carried by voice vote.

Respectfully submitted,

Secretary

**RE:** District Wide Concession Agreement

---

**Background**

The District has utilized the Flores Rosales Family Corp (Flores) for the past seven years to provide our District concessions. They are currently paying the district \$1,000 per month in operating fees plus 10% of gross sales over \$60,000 annually, which last year 2017 total sales reported by Rosales equated to \$59,912.

As the current contract with Flores expires at the end of April, staff sent out requests for proposals (RFP) for the operations of a food and beverage concessions at the District. This would provide concession services at the Community Center & Ice Arena (TC), Seascope Family Aquatic Center (SFAC), Prairie Stone Sports and Wellness Center (PSSWC), and Cannon Crossings Park (CC).

Flores has provided concession operations for the District including special events. During the last year staff has noticed a decline in service and quality of food. Staff has also heard from patrons about the same decrease in quality of food in addition to wait times and cleanliness at some locations. Also during this past year they were not able to successfully make the food service at PSS&WC work from an operational standpoint.

**Implications**

Staff received two responses from the following vendors: Sadie Investments LLC. dba, Hoffman Estates Garibaldis (HE Garibaldis) and Flores.

The results are as follows as it relates to their proposals:

<b><u>Provider</u></b>	<b><u>Monthly Operating Fee</u></b>
HE Garibaldi's	\$1,500 or 10% of gross revenue/whichever is higher
Flores Rosales Family Corp.	\$1,000 and 10% of gross sales over \$60,000 annually in district wide concession sales.

HEPD has been working with HE Garibaldis over the past two years in our Early Learning Center. They provide fresh meals each day (40 lunches) to our children; staff has been very happy with their quality of food and service. As you can see from the references attached those came in very favorable. HE Garibaldis is located in Hoffman Estates, is licensed to do business in Illinois and is in good standing with HEPD, and has very favorable references (attached).

Staff met with HE Garibaldi's and explained that we would also like an investment in capital, including signage and some equipment (food cart at PSSWC) as well as additional branding and advertising for the concession locations. Staff proposed lowering the rental amount in exchange for the additional investment into the operations. It was agreed that the District would receive a flat \$1,200 per month (a 20% increase from the Flores rent) and additionally Garibaldis would pay for the requested capital and marketing initiatives.

Staff is proposing entering into a three year licensing agreement with Garibaldis to provide the District's concession operations for \$1,200 per month with the understanding that HE Garibaldi's will commit up to \$3,600 per year in advertising, signage, branding and equipment improvements to the concession operations. A copy of the licensing agreement is attached.

**Recommendation**

Staff recommends that the Administration & Finance Committee recommend to the full Board entering into a three-year licensing agreement with Sadie Investments LLC. dba Hoffman Estates Garibaldis for concession services as outlined above.

The Parties intend this contractual arrangement to be a license which will not subject the Licensee to real estate taxes. In the event that, in spite of the efforts of Licensee and Park District, it should be determined that the arrangement between the parties results in the obligation to pay real estate taxes regarding the rights transferred to the Licensee, the payment of any such taxes shall be the responsibility of the Licensee. Provided, however, that at its own expense the Licensee may contest such tax obligation.

Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this paragraph. In no event shall Licensee be required to indemnify and/or hold harmless the Park District's Indemnified Parties to the extent of any act(s) and/or omission(s) of the Park District and/or its employees, agents, contractors, and/or permitted and intended users, excluding Licensee's users, and program participants, for which the Park District is held liable under Illinois law. G. The Park District shall not be responsible in any way for any damage to or loss of Licensee's equipment or supplies.

H. It is understood, acknowledged and agreed by the parties that the relationship of Licensee to the Park District arising out of this Agreement shall be that of an independent contractor. Neither Licensee nor any employee or agent of Licensee is an employee or agent of the Park District, and therefore, is not entitled to any benefits provided to employees of the Park District. Licensee has no authority to employ or retain any person as an employee or agent for or on behalf of the Park District for any purpose. Licensee covenants, for the term of this Agreement and for one additional year thereafter, not to employ, or solicit for employment, any Park District employee whose principle place of work is the Premises.

I. Neither the Park District nor any employee or agent of Park District is an employee or agent of Licensee, and therefore, is not entitled to any benefits provided to employees of Licensee. The Park District has no authority to employ/retain any person as an employee or agent for or on behalf of Licensee for any purpose. Neither the Park District nor any person engaging in any work or services related to this Agreement at the request or with the actual or implied consent of the Park District may represent himself to others as an employee of Licensee. Should any person indicate to the Park District or any employee or agent of the Park District by written or oral communication, in the course of dealing, or otherwise, that such person believes an employee of the Park District to be an employee or agent of Licensee, the Park District shall use its best efforts to correct such belief.

J. Licensee shall not knowingly employ any person who has been convicted of any of the offenses enumerated in Section 8-23 of the Illinois Park District Code, 70 ILCS 1205/8-23.

K. Licensee acknowledges the Premises are located on smoke-free campuses, and shall not allow smoking in any areas of the Concession Areas by both parties and employees.

L. Licensee shall provide "good will" discounts to Hoffman Estates Park District employees on select merchandise and services for their personal use only. The Park District shall provide a list of eligible employees for whom the discounts will apply. Due to varying availability and margins, Licensee will not offer a blanket discount on all goods and services. Discounts will be applied fairly and equally to all Park District employees based on the particular goods and services purchased. Any evidence of abuse of this benefit, such as resale of discount items or purchases for use for other than by the Park District employee for which it is intended, will be reported to the Park District and discounts to the offending employee will terminate.

M. Licensee shall offer a menu of products for sale that is approved by Park District.

7. Termination.

A. In the event Licensee shall breach or be in default under any of the material provisions of this Agreement, with the exception of provisions relating to license fees or insurance, the Park District may terminate this Agreement if Licensee shall not have cured such default within thirty (30) days after the Park District shall have notified Licensee thereof in writing. In the event Park District shall breach or be in default under any of the material provisions of this Agreement, Licensee may terminate this Agreement if Park District shall not have cured such default within thirty (30) days after Licensee shall have notified Park District thereof in writing.

B. In the event Licensee shall breach or be in default under the license fee or insurance provisions of this Agreement, the Park District may terminate this Agreement effective immediately; provided however, Park District shall reinstate the grant of license and terms and conditions of this Agreement upon Licensee providing the Park District, within 10 days of the effective date of the notice of termination, with the balance of the delinquent licensee fees and/or proof of insurance or such other documentation as is necessary to demonstrate that Licensee is in compliance with the license fee or insurance requirements set forth herein and Licensee paying any License Fees which would have accrued during the interim period of termination.

C. In the event Licensee shall have (1) filed a voluntary petition in bankruptcy or made an assignment for benefit of creditors; (2) consented to the appointment of a receiver or trustee of all or part of its property; or (3) an involuntary petition in bankruptcy shall have been filed in regard to Licensee and the same shall not have been dismissed within ten (10) days of such filing, this Agreement shall automatically terminate upon ninety (90) days prior written notice by either party to the other party.

D. In the event Licensee fails to conduct operations for which this License is issued for more than ten (10) days out of any consecutive thirty (30) day period, the Park District shall have the right to terminate this Agreement effective immediately. This provision shall not apply during any period when the Park District is performing capital improvements to the Concession Areas or the Premises in a manner which frustrates the ability of the Licensee to operate the Concession Areas.

E. Notwithstanding the provisions of this Section, the termination of this Agreement shall not terminate the obligations of the respective parties regarding indemnification set forth in paragraph 5.E. hereof.

F. If for any reason Licensee's product and/or services substantially fail to meet the District's standard of quality, the District will request immediate rectification in writing. If Licensee fails to improve the product and/or services in order to meet the District's requirements within 30 calendar days, the District has the right to terminate this license, effective immediately.

8. Force Majeure.

Neither party shall be liable for damages for its failure to perform due to contingencies beyond its reasonable control, including but not limited to, fire, storm, flood, earthquake, explosion, accident, public disorders, sabotage, lockouts, labor disputes, labor shortages, strikes, riots, or acts of God. Notwithstanding the foregoing, neither party shall be entitled to rely on this provision unless it is using its commercially reasonable efforts to resume performance. Any delay in performance permitted under this provision shall be for no longer than the duration of the event giving rise to the delay.

9. Waiver.

Failure or delay on the part of either party to exercise any right, power, privilege, or remedy under this Agreement shall not constitute a waiver thereof. No modification or waiver by either party of any provision shall be deemed to have been made unless in writing. Waivers of a specific failure or delay shall not be construed as a general waiver.

10. Severability.

The provisions of this Agreement shall be severable and the invalidity of any provision, or portion thereof, shall not affect the enforceability of the remaining provisions.

11. Authorized Signatures/Effectiveness.

The persons signing this Agreement shall have all legal authority and power in their respective capacities to bind Licensee and the Park District, and the Agreement shall not be effective until fully executed and delivered to both Parties.

14. Rights of Third Parties.

The License is entered into solely for the benefit of the contracting parties, and nothing in the License is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person or entity who is not a party to this License, or to acknowledge, establish or impose any legal duty to any third party. Nothing in this License shall be construed or interpreted in any way as a waiver, express or implied, of any common law and/or statutory privileges and/or immunities of the Park District as to any claim, cause and/or cause of action of any kind whatsoever.

In addition, Licensee shall produce records which are responsive to a request received by the District under the Freedom of Information Act so that the District may provide records to those requesting them within the time frames required. If additional time is necessary to compile records in response to a request, then Licensee shall so notify the District and if possible, the District shall request an extension so as to comply with the Act. In the event that the District is found to have not complied with the Freedom of Information Act due to Licensee failure to produce documents or otherwise appropriately respond to a request under the Act, then Licensee shall indemnify and hold the District harmless, and pay all amounts determined to be due including but not limited to fines, costs, attorneys' fees and penalties.

18. Entire Agreement and Amendments.

This Agreement constitutes the entire understanding between the Parties and supersedes all previous agreements or negotiations on the subject matter herein, whether written or oral, and shall not be modified or amended except by written agreement duly executed by the Parties.

19. Execution in Duplicate.

This Agreement may be signed in duplicate with the same effect as if the signatures to each copy were upon the same Agreement.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized officers.

Re: Garibaldi's Restaurant

Dear Mike:

It is my understanding that Garibaldi's Restaurant has been given the opportunity to bid on operating four food service areas inside facilities that are owned by HEPD.

I am writing to let you know our experience in partnering with Michael Bagen and Steve Carlson and their staff with Garibaldi's during our first season has exceeded all of our expectations. We partnered with Garibaldi's to have them provide food service for our Premium Seating customers via an exclusive catering area that is open during pre-game activities.

Michael and Steve have not only provided food that has been well received by our best guests, more importantly, they have gone above and beyond by providing incredible customer service for our guests. Given their important roles with our game day operations, we view Garibaldi's as an extension of our staff and the feedback that we receive from our guests has been positive and appreciated as part of their game day experience.

We highly recommend Garibaldi's for the opportunity that is available and are certain that HEPD would reap the same benefits that we have by partnering with Michael and Steve.

Please feel free to reach out to me if you would like to learn anything further about our partnership and how Garibaldi's can work with HEPD to grow its business.

Sincerely,

To Whom It May Concern:

I wanted to write on behalf of Garibaldi's and the partnership we have formed. We have been involved with Steve and Garibaldi's for the last three years and have had nothing but great success in that time frame. They have always been punctual with our deliveries, have always had top quality pizza, salads and Italian ice for entire seasons and continually helped whenever we were in a bind. Our fans always let me know how much they love the fact that we get our pizza from them. I cannot say a single negative thing about Steve and his crew and should absolutely be considered for this next project of his. If there are any questions or would need me to elaborate more about Garibaldi's, please do not hesitate to reach out to me. Thank you for your time and consideration with Garibaldi's.

Dear Mr. Kies:

Every month, Plum Grove Printers and our sister company, Tradeshow And Displays runs a companywide lunch meeting. We have done this for decades. And for years, we had this event catered by one of several different restaurants in the area.

Over time, the people at Plum Grove have expressed a preference for Garibaldi's and now we exclusively have all our company events catered by Garibaldi's.

As we became a consistent client of Garibaldi's, the relationship between the firms grew. Plum Grove has worked with Garibaldi's for on-site branding, including at the Hoffman Estates Sears Centre Arena and the Boomer's Stadium. One of the fun things we suggested is giant pizza slices on the floor leading to the concession stand. This subliminal advertising has created more revenue for the Village of Hoffman Estates and for Garibaldi's – pepperoni pizzas sell out!

I want to share an endorsement of Garibaldi's Restaurant and of the owner, Michael Bagan and Executive Vice President Steve Carlson and his entire team. They know food. They know what people like and want. They know workflow for a no-wait experience. The integrity of ownership, the attitude of the staff has made for an always-positive relationship and great food.

We would highly recommend Garibaldi's as a partner for Hoffman Estates Park District.

Sincerely,

Peter Lineal

Owner, Plum Grove Printers & Tradeshow And Displays

Garibaldi's Restaurant:

This past weekend your restaurant provided food for a block party in the Poplar Creek Townhouse Association (located just east of Moon Lake Blvd. and just north of Golf Road, in Hoffman Estates). I am a resident of that association.

Someone (not me) within my association made a request to your restaurant to provide the food free of charge. Your restaurant agreed to the request! Not only was the request honored, but also there appeared to be no limit to how much food would be provided: there was a prodigious amount of food donated. The multiple, large trays of catered food and multiple pizzas brought by one of your delivery men astounded us at the party. To illustrate the amount, there were at least 60 people at the party, and all were adequately fed solely by the contribution from you folks. The generosity of your restaurant was on display, and it was noted.

Your restaurant—or at least the decision makers there—certainly deserve the gratitude and future business of those of us in the Poplar Creek Townhouse Association. May your restaurant thrive indefinitely!

RE: Policy Change regarding Annual Meeting date

---

**Background**

Currently the district's Policy 4.1.06 states that the Annual Meeting of the Board shall be held on the **third** Tuesday in May for the purpose of electing and/or appointing board and community representatives to various boards, associations and committees.

**Implications**

As the A&F Committee meetings are now held on the fourth Tuesday of each month, staff is requesting that we change Policy 4.1.06 to state that the Annual Meeting of the Board be held on the **fourth Tuesday in May** instead of the third Tuesday in May. Holding the Annual Meeting on the fourth Tuesday in May allows for all community representatives to complete their terms in May, and begin their new terms in June.

**Recommendation**

Staff recommends that the A&F Committee recommends that the Board approve changing Policy 4.1.06 to state that the Annual Meeting of the Board shall be held on the **fourth Tuesday in May**.

### **A. Finance/Administration**

- The District's credit card funding institution Elavon migrated from Trustkeeper to PCI Compliance Manager as the company to perform the independent system scans for potential vulnerabilities. PCI Compliance Manager uses Sysnet Global Solutions as the approved scanning vendor to perform these services. Sysnet recommended a quarterly scan which the District conducted and received a pass rating with zero vulnerabilities. Beginning with second quarter, we are resuming our previously desired monthly scans to ensure a higher level of best practice.
- Lauterbach & Amen was on site the week of March 19<sup>th</sup> for field work and testing. While this was the first year with a new auditing firm, the process was extremely smooth and efficient. Staff looks forward to working together for the next several years.
