Dear Parents,

The end of the school year is almost here! It's hard to believe that there are only a few weeks left. The year has gone by quickly. The children have grown in many ways. They are more confident, have made new friends and learned many new things. It has been fun watching them grow!

May

The caterpillars came in. We had fun watching and observing the baby caterpillars. We had five caterpillars that grew over an inch long and went into their cocoons. The children gathered around the butterfly house and were fascinated by what was happening. They were so excited about the whole process and couldn't wait to see them turn into butterflies. The day finally came and they popped out. We watched the butterflies fly around and then let them out in the park.

As we are busy preparing for the end of the year, we will be celebrating summer birthdays on **Friday, May 11th**. You are welcome to bring in goody bags, but they are optional.

Monday, May 14th, we will be visiting Vogelei Park. We will be taking snack and water with us. Please remember to dress for the weather.

Our last day of preschool class will be on **Wednesday, May 16th** and we will be having a special graduation ceremony on **Friday, May 18th**. The children should come to school at their regular class time of 9:15 am on graduation day. Parents and guests should then go downstairs to the mini gym. The ceremony will begin at 9:30 am. Parents, siblings, grandparents, aunts/uncles are invited. We will sing some songs and the children will get their Preschool diplomas! We will have cake, snacks and juice. A special invitation will be coming home. We hope you can join us!

Summer camp registration is open. Keep your skills sharp this summer in the *Ready for Kindergarten Camp* with Ms. Asiya, or come play with Ms. Karen in the *Kinder Camp*. Camps begin June 4th and are two week sessions from 9:30am-1:30pm. Registration is available on-line at heparks.org.

We have enjoyed having your child with us this year and wish them the best as they continue to Kindergarten. We want to thank you for your help throughout the year. Have a safe and happy summer!
