### *Wolf Pack Overspeed Clinics*

Come skate with WolfPack Hockey this summer and improve your skills! We are offering three different options for skaters this summer:

#### **Overspeed Defense**

This three day clinic is for Squirts through Bantams to work on defensive skills - eliminating scoring chances, timing, positioning, knowledge and awareness. Clinics will include on and off ice training - off ice from 5:30-6:15pm and ice time from 6:30-7:45pm. Space is limited so be sure to register early! run by Nick Candotti and Randy Jordan.

#### **Mite Overspeed Clinic**

This Mite Overspeed Clinic is open to players born in 2010 or later. Clinic will include both on and off ice time - Off ice from 9:30am-10:15am and On ice from 10:40am-12:00pm. Mites will focus on the 7 elements of skating-Sumo, Edges/Stopping, transition/agility, forward strides, backward strides, Crossover/Under and explosive accelerations. Run by Jeff Muffitt

#### **Overspeed Extreme**

This Overspeed Extreme Clinic is open to Squirt and PeeWee skaters. Clinic will include both on and off ice time - On ice from 9:00am-10:30am and Off ice from 10:45am-12:00pm. This clinic will be run by Master Level coaches Randy Jordan and Nick Candotti. Players will focus on the 7 elements of skating in addition to the other 4 major skills; stick handling, passing, shooting and safe checking.
