2018 Compliance**

Dear Comptroller Mendoza:

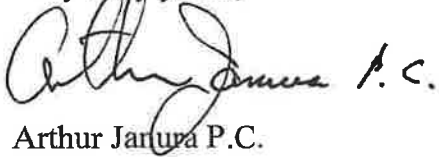

Subject to the qualifications and limitation herein, we are of the opinion that, for the period of January 1, 2018 to December 31, 2018, we are not aware of any material violation by the Village of any of the applicable requirements of the Illinois Tax Increment Redevelopment Allocation Act (the "Act") except for the annual meeting of the Joint Review Board.

Whenever we indicate that our opinion with respect to the existence or absence of facts is based on our knowledge, our opinion is based solely on the current actual knowledge of Arthur L. Janura. We have made no independent investigation as to such factual matters. We have not undertaken to identify or review any facts which could constitute any potential non-compliance by the Village under the Act.

This opinion is given as of the date hereof and we undertake no obligation to advise you or anyone else of any subsequent changes in any matter stated herein, changes in any law related thereto or changes in facts or any other matters that hereafter may occur or be brought to our attention. The opinion expressed herein is specifically limited to the laws of the State of Illinois and the Federal laws of the United States and no opinion express or implied, is rendered as to the effect that the law of any other jurisdiction might have upon the subject matter of the opinion expressed herein.

This opinion is rendered solely to the addressee hereof and is not to be quoted in whole or in part or otherwise referred to nor is it to be filed with any governmental agency or any other person nor is it intended to be relied upon, nor may it be relied upon, by any entity or individual other than such addressee without the prior written consent of this firm. No opinion may be inferred or implied beyond the matters expressly contained herein.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Arthur Janura P.C.", is written over the typed name. The signature is fluid and cursive, with the initials "A.J." being prominent at the start.

Re: Barrington/Higgins Tax Increment Financing District Obligations

Dear Rachel,

The Village of Hoffman Estates, Illinois (the "Village") has engaged Speer Financial, Inc. ("Speer") as municipal advisor with respect to the Village's Barrington/Higgins Tax Increment Financing District (the "Barrington/Higgins TIF"). As municipal advisor, Speer has prepared the following analysis in order to aid the Village in complying with its annual reporting requirements for the Barrington/Higgins TIF (the "Annual TIF Analysis"). The Annual TIF Analysis describes the following:

- 1) Whether any obligations were issued related to the Barrington/Higgins TIF; and
- 2) The nature and term of the obligation and projected debt service including required reserves and debt coverage.

In review of the information supplied by the Village and after due diligence, Speer has determined that no debt was issued in FY2018 related to the Barrington/Higgins TIF. The Village existing obligations related to the Barrington/Higgins TIF currently outstanding. Such obligations are described below.

The Second Amended and Restated Redevelopment Note (Barrington Higgins Project), Series 1997A (the "1997A TIF Note") was issued on April 30, 1997 and last modified on July 17, 2017. The 1997A TIF Note was originally issued in the amount of \$3,584,840.00 at an annual interest rate of 5.0%. During FY2018, there was no principal was paid on the 1997A TIF Note and the outstanding principal amount was \$3,584,840.00.

The 1997A TIF Note is payable only from (i) certain incremental taxes received from the Barrington/Higgins TIF, if any, (ii) the portion of taxes, if any paid within the Barrington/Higgins TIF arising out of the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act (collectively "Sales Taxes") over and above the initial Sales Taxes paid within the Barrington/Higgins TIF, (iii) the portion of taxes, if any, paid within the Barrington/Higgins TIF arising out of the Sales Taxes that are paid to the Village from the Local Government Tax Fund over and above the initial Sales Taxes paid within the Barrington/Higgins TIF ("Municipal Sales Taxes") and (iv) the amounts on deposit in and pledged to the 1997A principal and Interest Account of the Barrington-Higgins District Tax Increment Redevelopment Project Area Special Tax Allocation Fund as established in connection with the Barrington/Higgins TIF (collectively, the "1997A Pledged Revenues"). Each of the 1997A Pledged Revenues described above relate only to the Eastern Property (as defined in the redevelopment agreement) within the Barrington/Higgins TIF. The 1997A TIF Note does not constitute an indebtedness of the Village. Should the 1997A Pledged Revenues be insufficient to pay the principal of and interest on the 1997A TIF Note, the owner of the 1997A TIF Note shall have no recourse against the Village and no right to compel the exercise of the taxing authority of the Village or to use any funds of the Village (other than the pledged funds) for payment of principal on the 1997A TIF Note. The Village has a continuing obligation to repay the 1997A TIF Note until it is paid in full or the expiration of the Barrington/Higgins TIF.

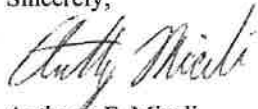

The Restricted Tax Increment Allocation Revenue Note (Barrington Higgins Project), Series 2014 (the "2014 TIF Note") was issued on January 20, 2016. The 2014 TIF Note was issued in the amount of \$541,447.28 and is non-interest bearing. During FY2017 and FY2018, \$440,000.00 was paid on the 2014 TIF Note and the outstanding principal amount was \$101,447.28.

The 2014 TIF Note is payable only from certain incremental taxes received from the Barrington/Higgins TIF, if any. The 2014 TIF Note does not constitute an indebtedness of the Village. Should the incremental taxes pledged as security to the 2014 TIF Note be insufficient to pay the principal due, the owner of the 2014 TIF Note shall have no recourse against the Village and no right to compel the exercise of the taxing authority of the Village or to use any funds of the Village (other than the pledged funds) for payment of principal on the 2014 TIF Note. The Village has a continuing obligation to repay the 2014 TIF Note until it is paid in full, or until the maturity date of the 2014 TIF Note of December 1, 2021.

Pursuant to these terms, it is Speer's understanding that the Village was not required to carry any reserves dedicated to the 1997A TIF Note and/or 2014 TIF Note and as such there were no reserves held. Further, due to the nature of the obligations, there is no level of debt service coverage required.

Speer has relied on information provided by the Village to prepare this analysis. This analysis is intended to aid the Village in complying with the reporting requirements for the Barrington/Higgins TIF; however, there may be additional reporting requirements beyond the scope of this analysis required to be provided by the Village.

Sincerely,

Anthony F. Miceli  
Senior Vice President

## **INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE**

The Honorable Village President  
Members of the Board of Trustees  
Village of Hoffman Estates, Illinois

We have examined management's assertion, included in its representation letter dated June 11, 2019 that the Village of Hoffman Estates, Illinois (the Village) complied with the provisions of subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) during the year ended December 31, 2018. Management is responsible for the Village's assertion and for compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Village's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Village's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Village's compliance with statutory requirements.

In our opinion, management's assertion that the Village of Hoffman Estates, Illinois complied with the aforementioned requirements for the year ended December 31, 2018 is fairly stated, in all material respects.

This report is intended solely for the information and use of the President, the Board of Trustees, management of the Village, Illinois State Comptroller's Office and the joint review boards and is not intended to be and should not be used by anyone other than these specified parties.

## **INDEPENDENT AUDITOR'S REPORT**

The Honorable Village President  
Members of the Board of Trustees  
Village of Hoffman Estates, Illinois

We have audited the accompanying basic financial statements of the Barrington/Higgins TIF District Fund (the Fund), a special revenue fund of the Village of Hoffman Estates, Illinois, as of and for the year ended December 31, 2018, and the related notes to the financial statements, as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Barrington/Higgins TIF District Fund, a special revenue fund of the Village of Hoffman Estates, Illinois, as of December 31, 2018 and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Emphasis of Matter**

As discussed in Note 1, the financial statements present only the Barrington/Higgins TIF District Fund and do not purport to, and do not, present fairly the financial position of the Village of Hoffman Estates, Illinois, as of December 31, 2018, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Other Information**

Our audit was conducted for the purpose of forming an opinion on the basic financial statements as a whole. The supplementary information (the information) (schedule of fund balance by source for the Barrington/Higgins TIF District Fund) is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

#### **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the Barrington/Higgins TIF District Fund of the Village of Hoffman Estates, Illinois (the Village) have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to government units. The financial statements present only the Barrington/Higgins TIF District Fund and does not present fairly the financial position of the Village. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Village's accounting policies are described below.

##### Reporting Entity

The Barrington/Higgins TIF District Fund (the Fund) was established to account for transactions related to the Redevelopment Plan and Redevelopment Project within the municipal boundaries established by village ordinance.

##### Fund Accounting

The accounts of the Village are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions.

The Fund is classified as a Governmental Special Revenue Fund.

##### Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The modified accrual basis of accounting is used by governmental funds. The main revenue source included in the fund is incremental revenues from the designated TIF area. Governmental funds are used to account for the Village's general government activities. Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting revenues are recognized when susceptible to accrual (i.e., when they are measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Village considers all revenues available if they are collected within 60 days after year end.

Basis of Accounting (Continued)

Expenditures are recorded when the related fund liability is incurred, except for unmatured interest on general long-term debt which is recognized when due, and certain compensated absences and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources.

Property taxes for 2018 attach as an enforceable lien on January 1, 2018 on properties assessed as of the same date. Taxes are levied on a calendar year basis by the last Tuesday of December. Tax bills are prepared and mailed by the County on or about February 1, 2019 and August 1, 2019, and are payable in two installments, on or about March 1, 2019 and September 1, 2019. The County collects such taxes and remits them periodically. Since the 2018 levy is intended to finance the 2019 fiscal year, the levy has been recorded as receivable and unearned revenue. The revenues in the current year financial statements represent the 2017 property tax levy.

Interfund eliminations have not been made in the aggregation of this data. If there is an expenditure incurred for purposes for which both restricted and unrestricted fund balance is available, restricted fund balance is considered to have been spent first. Investments with a maturity date of one year or less when purchased and all non-negotiable certificates of deposit are stated at cost or amortized cost. Investments with a maturity greater than one year when purchased are reported at fair value. The components of fund balance include the following line items:

- A. Nonspendable fund balance is inherently nonspendable, such as portions of net resources that cannot be spent because of their form and portions of net resources that cannot be spent because they must be maintained intact.
- B. Restricted fund balance has externally enforceable limitations on use, such as limitations imposed by creditors, grantors, contributors or laws and regulations of other government as well as limitations imposed by law through constitutional provision or enabling legislation.
- C. Committed fund balance has self-imposed limitations set in place prior to the end of the period. The limitations are imposed at the highest level of decision-making that requires formal action at the same level to remove. For the Fund and the Village, the Board of Trustees is the highest level of decision-making. As of December 31, 2018, the Fund does not have any commitments of fund balance.

- D. Assigned fund balance has limitations resulting from intended use consisting of amounts where the intended use is established by the Village Board of Trustees designated for that purpose. The intended use is established by an official designated for that purpose. The Village has not designated anyone for this purpose. However, GASB No. 54 has outlined that fund balance outside of the General Fund is to fall in this category if there is not a deficit fund balance for the Fund.
- E. Unassigned fund balance is the total fund balance in the General Fund in excess of nonspendable, restricted, committed and assigned fund balance. If there is an expenditure incurred for purposes for which both restricted and unrestricted fund balance is available, the Village will consider restricted fund balance to have been spent before unrestricted fund balance. Further, if there is an expenditure incurred for purposes for which committed, assigned or unassigned fund balance classifications could be used, then the Village will consider committed fund balance to be spent before assigned fund balance, and consider assigned fund balance to be spent before unassigned fund balance.

**2. CASH AND INVESTMENTS**

The Village's investment policy authorizes the Village to invest in debt securities guaranteed by the United States Government (explicitly or implicitly), debt securities of the United States Government or its agencies, interest-bearing savings accounts, time deposits and certificates of deposit of a bank that is insured by the FDIC, certain insured short-term obligations of corporations organized in the United States Government, certain money market mutual funds, interest-bearing bonds of other local governments and The Illinois Funds, a money market fund created by the State Legislature under the control of the State Treasurer that maintains a \$1 share value.

The Illinois Public Treasurers' Investment Pool, known as The Illinois Funds, operates as a qualified external investment pool in accordance with the criteria established in GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, and thus, reports all investments at amortized cost rather than market value. The investment in The Illinois Funds by participants is also reported at amortized cost. The Illinois Funds does not have any limitations or restrictions on participant withdrawals. The Illinois Treasurer's Office issues a separate financial report for The Illinois Funds which may be obtained by contacting the Administrative Office at Illinois Business Center, 400 West Monroe Street, Suite 401, Springfield, Illinois 62704.

**2. CASH AND INVESTMENTS (Continued)**

**A. Deposits with Financial Institutions**

Custodial credit risk for deposits with financial institutions is the risk that in the event of bank failure, the Village's deposits may not be returned to it. The Village investment policies require pledging of collateral for all bank balances in excess of federal depository insurance with the collateral held by an agent of the Village in the Village's name.

**B. Investments**

Interest rate risk is the risk that change in interest rates will adversely affect the fair value of an investment. In accordance with its investment policy, the Village limits its exposure to interest rate risk by structuring the portfolio to provide liquidity for operating funds and maximizing yields for funds not needed currently. The investment policy limits the maximum maturity lengths of most investments to two years.

The Village limits its exposure to credit risk, the risk that the issuer of a debt security will not pay its par value upon maturity, by requiring investments primarily in obligations guaranteed by the United States Government or securities issued by agencies of the United States Government that are explicitly guaranteed by the United States Government. The Illinois Funds are not subject to custodial credit risk.

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the Village will not be able to recover the value of its investments that are in possession of an outside party. To limit its exposure, the Village investment policies require all security transactions that are exposed to custodial credit risk to be processed on a delivery versus payment (DVP) basis with the underlying investments held by a third party acting as the Village's agent separate from where the investment was purchased.

Concentration of Credit Risk - The Village's investment policy has the following diversification guidelines: no more than 50% of the Village's investments can be held at any one financial institution, exclusive of bonds, notes debenture or other obligations of the United States Government or its agencies.
