Re: Supply and Install of Carpet Tiles: Addendum #2

These changes will be reflected within the Form of Proposal

- Alternate #1: Cost for replacement of Hallway and Office Carpeting
- Replacement of base cove with same product and color (include in install cost)

These changes will not be reflected within the specifications form, but must be followed for bid to be accepted

- Contractor MUST provide dumpster for all project material waste
- Alternate colors can be submitted for project, but MUST be approved by the owner prior to bid submission.
- Contractor is responsible for the removal of existing carpet and base cove, as well as the movement and reorganization of the fitness equipment
