2's Playschool 2020-21

21-32 mos

Does your toddler want to go to school too? This class is the perfect class for the toddler who is ready to go to the big school too! Children will learn socialization skills and early cognitive learning skills through songs, stories, crafts, and free play. Gradual separation from a parent will help your child prepare for preschool. A parent/caregiver will attend school with the child from September - December. After winter break, 15 minutes will be added to the class and the parent/caregiver will attend the first and last 15 minutes of each class. After spring break, the child will attend class without the parent/caregiver. Please note, when the parent/caregiver is not in the classroom, he/she must remain in the building as the teacher is not responsible for changing diapers. Children must be 21 months old in order to enroll in this class. Children may begin anytime during the school year while space is available.

Participants in the 2's Playschool class will receive priority registration for next year's 2021-2022 preschool or 3's Playschool.

3's Playschool 2020-21

33-36 mos

This class is designed for children who missed the September 1, 2020 deadline, and have a birthday in September, October, November or December. Class meets the entire school year. A preschool teacher teaches in a preschool classroom setting. Activities will include songs, stories, free play at learning centers, crafts, outside fun, and gym time. Children may be in Pull-Ups. (Teachers will not be responsible for changing Pull-Ups.) Fifteen minutes will be added to the length of class after winter break to prepare the children for a longer preschool day. Fees can be prorated for children who begin during the school year. Children enrolling must be 3 years old by December 31, 2020. Registration must be done in person. \$100 initial payment + \$50 registration fee is due at the time of registration. There are 8 automatic monthly payments that are deducted on the 15th of each month (August 15, 2020 - March 15, 2021).

Come join us to Learn, Play and Grow! Our program is state licensed by DCFS, so you can be confident that your child will benefit from superior educators, classroom equipment and opportunities to help build a solid foundation for his or her future.

The Creative Curriculum® focuses on hands-on activities and experimentation. Activities such as music, movement, dramatic play, science and open ended art projects help cultivate children's imaginations and give them confidence to express themselves. Group activities encourage socialization and

teach important lessons in sharing and being part of a community. Daily outdoor or gym time helps children develop their large motor skills. Fine motor skills are developed through tabletop activities like puzzles, cutting, and painting, which also fosters imagination and cognitive development.

A quality child care experience for the community of Hoffman Estates.
