2019 Compliance**

Dear Comptroller Mendoza:

Subject to the qualifications and limitation herein, we are of the opinion that, for the period of January 1, 2019 to December 31, 2019, we are not aware of any material violation by the Village of any of the applicable requirements of the Illinois Tax Increment Redevelopment Allocation Act (the "Act") except for the annual meeting of the Joint Review Board.

Whenever we indicate that our opinion with respect to the existence or absence of facts is based on our knowledge, our opinion is based solely on the current actual knowledge of Arthur L. Janura. We have made no independent investigation as to such factual matters. We have not undertaken to identify or review any facts which could constitute any potential non-compliance by the Village under the Act.

This opinion is given as of the date hereof and we undertake no obligation to advise you or anyone else of any subsequent changes in any matter stated herein, changes in any law related thereto or changes in facts or any other matters that hereafter may occur or be brought to our attention. The opinion expressed herein is specifically limited to the laws of the State of Illinois and the Federal laws of the United States and no opinion express or implied, is rendered as to the effect that the law of any other jurisdiction might have upon the subject matter of the opinion expressed herein.

This opinion is rendered solely to the addressee hereof and is not to be quoted in whole or in part or otherwise referred to nor is it to be filed with any governmental agency or any other person nor is it intended to be relied upon, nor may it be relied upon, by any entity or individual other than such addressee without the prior written consent of this firm. No opinion may be inferred or implied beyond the matters expressly contained herein.

Very truly yours,

Arthur Janura P.C.

REDEVELOPMENT ACTIVITIES

In 2019, Village of Hoffman Estates staff has worked to improve the Golf Center, Hoffman Plaza Shopping Centers and subsequent outlots in the Roselle Road TIF. Economic activities in 2019 included the Village's annual participation in the ICSC RECon convention in May, the Chicago Deal Making Conference in October and the New York Deal Making Conference in December. Various networking and business development events throughout the year were attended by the Economic Development Director, Village Manager, Assistant Village Manager-Development Services, and other staff members.

By the end of 2019, Golf Center was nearly fully leased, as Robin Realty, the center owner, worked to retain and attract tenants.

Sterling Organization, the owner of Hoffman Plaza, worked to redevelop the center by starting construction on an outlot on the south side of the center with a drive-thru food tenant. Sterling also submitted preliminary plans for another outlot along Roselle Road with the hope of getting approval in 2020.

Lastly, the Village issued an RFP to find a new developer for the 75 and 85 East Golf Road site. No developer was selected following the submittals so the search will continue in 2020.

The Honorable Village President
Members of the Board of Trustees
Village of Hoffman Estates, Illinois

We have audited the basic financial statements of the Village of Hoffman Estates, Illinois, as of and for the year ended December 31, 2019, and have issued our report thereon, dated June 19, 2020.

We have also audited the Village's compliance with the provisions of subsection (q) of Section 11-74.4-3 of the *Illinois Tax Increment Redevelopment Allocation Act* (Illinois Public Act 85-1142) for its Roselle Road TIF District Fund. The management of the Village of Hoffman Estates, Illinois, is responsible for the Village's compliance with those requirements. Our responsibility is to express an opinion on compliance with those requirements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Village complied in all material respects with the requirements referred to above. An audit includes examining, on a test basis, evidence about the Village of Hoffman Estates, Illinois' compliance with those requirements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the Village of Hoffman Estates, Illinois, complied, in all material respects, with the requirements of subsection (q) of Section 11-74.4-3 of the *Illinois Tax Increment Redevelopment Allocation Act* (Illinois Public Act 85-1142) for its Roselle Road TIF District Fund.

Independent Auditor's Report

Independent Auditor's Report

The Honorable Village President
Members of the Board of Trustees
Village of Hoffman Estates, Illinois

We have audited the accompanying financial statements of the Roselle Road TIF District Fund (the Fund), a special revenue fund of the Village of Hoffman Estates, Illinois, as of and for the year ended December 31, 2019, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Roselle Road TIF District Fund, a special revenue fund of the Village of Hoffman Estates, Illinois, as of December 31, 2019, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Roselle Road TIF District Fund and do not purport to, and do not, present fairly the financial position of the Village of Hoffman Estates, Illinois, as of December 31, 2019, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statements. Such missing information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. Our opinion on the financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, schedule of fund balance by source, is presented for purposes of additional analysis and is not a required part of the financial statements.

The schedule of fund balance by source is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1: Summary of Significant Accounting Policies

The financial statements of the Roselle Road TIF District Fund of the Village of Hoffman Estates, Illinois (Village) have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to government units. The financial statements present only the Roselle Road TIF District Fund and do not present fairly the financial position of the Village and the changes in its financial position. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Village's accounting policies are described below.

Reporting Entity

The Roselle Road TIF District Fund (Fund) was established to account for transactions related to the Redevelopment Plan and Redevelopment Project within the municipal boundaries established by village ordinance.

Fund Accounting

The accounts of the Village are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions.

The Fund is classified as a Governmental Special Revenue Fund.

Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The modified accrual basis of accounting is used by governmental funds. The main revenue source included in the fund is incremental property tax revenues from the designated TIF area. Governmental funds are used to account for the Village's general government activities. Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting revenues are recognized when susceptible to accrual (*i.e.*, when they are measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Village considers all revenues available if they are collected within 60 days after year end.

Expenditures are recorded when the related fund liability is incurred, except for unmatured interest on general long-term debt which is recognized when due, and certain compensated absences and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources.

Village of Hoffman Estates, Illinois
Roselle Road TIF District Fund
Notes to Financial Statements
December 31, 2019

Investments

Investments with a maturity date of one year or less when purchased and all non-negotiable certificates of deposit are stated at cost or amortized cost. Investments with a maturity greater than one year when purchased are reported at fair value.

Property Taxes

Property taxes for 2019 attach as an enforceable lien on January 1, 2019, on properties assessed as of the same date. Taxes are levied on a calendar year basis by the last Tuesday of December. Tax bills are prepared and mailed by the County on or about February 1, 2020, and August 1, 2020, and are payable in two installments, on or about March 1, 2020, and September 1, 2020. The County collects such taxes and remits them periodically. Since the 2019 levy is intended to finance the 2020 fiscal year, the levy has been recorded as receivable and unavailable revenue. The revenues in the current year financial statements represent the 2018 property tax levy.

Fund Balance

The components of fund balance include the following line item:

Restricted fund balance has externally enforceable limitations on use, such as limitations imposed by creditors, grantors, contributors or laws and regulations of other government as well as limitations imposed by law through constitutional provision or enabling legislation.

Note 2: Cash and Investments

The Village's investment policy authorizes the Village to invest in debt securities guaranteed by the United States Government (explicitly or implicitly), debt securities of the United States Government or its agencies, interest-bearing savings accounts, time deposits and certificates of deposit of a bank that is insured by the Federal Deposit Insurance Corporation, certain insured short-term obligations of corporations organized in the United States Government, certain money market mutual funds, interest-bearing bonds of other local governments and The Illinois Funds, a money market fund created by the State Legislature under the control of the State Treasurer that maintains a \$1 share value.

The Illinois Public Treasurers' Investment Pool, known as The Illinois Funds, operates as a qualified external investment pool in accordance with the criteria established in GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, and thus, reports all investments at amortized cost rather than market value. The investment in The Illinois Funds by participants is also reported at amortized cost. The Illinois Funds does not have any limitations or restrictions on participant withdrawals. The Illinois Treasurer's Office issues a separate financial report for The Illinois Funds which may be obtained by contacting the Administrative Office at Illinois Business Center, 400 West Monroe Street, Suite 401, Springfield, Illinois 62704.

Notes to Financial Statements
December 31, 2019

Deposits With Financial Institutions

Custodial credit risk for deposits with financial institutions is the risk that in the event of bank failure, the Village’s deposits may not be returned to it. The Village investment policies require pledging of collateral for all bank balances in excess of federal depository insurance with the collateral held by an agent of the Village in the Village’s name.

Investments

Interest rate risk is the risk that change in interest rates will adversely affect the fair value of an investment. In accordance with its investment policy, the Village limits its exposure to interest rate risk by structuring the portfolio to provide liquidity for operating funds and maximizing yields for funds not needed currently. The investment policy limits the maximum maturity lengths of most investments to two years.

The Village limits its exposure to credit risk, the risk that the issuer of a debt security will not pay its par value upon maturity, by requiring investments primarily in obligations guaranteed by the United States Government or securities issued by agencies of the United States Government that are explicitly guaranteed by the United States Government. The Illinois Funds are not subject to custodial credit risk.

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the Village will not be able to recover the value of its investments that are in possession of an outside party. To limit its exposure, the Village investment policies require all security transactions that are exposed to custodial credit risk to be processed on a delivery versus payment (DVP) basis with the underlying investments held by a third party acting as the Village’s agent separate from where the investment was purchased.

Concentration of Credit Risk - The Village’s investment policy has the following diversification guidelines: no more than 50% of the Village’s investments can be held at any one financial institution, exclusive of bonds, notes debenture or other obligations of the United States Government or its agencies.

Cash and investments as of December 31, 2019, is comprised of the following:
