Re: Addendum #1: Court Measurements

The following addendum is to relay the estimated crack lengths for each court, due to snow cover obstructing court surface:

**Evergreen Courts – 500 linear feet of cracks**  
**Victoria Courts – 700 linear feet of cracks**  
**Victoria Basketball – 300 linear feet of cracks**

For any questions, please contact Dustin Hugen at [dhugen@heparks.org](mailto:dhugen@heparks.org), or at (847) 285-5465.
