RE: Proposals for Purchase of Playground Equipment

To Whom It May Concern:

The Hoffman Estates Park District will be accepting playground designs and material cost for the replacement of playground equipment at Hoffman Park in Hoffman Estates. Proposals must be submitted by February 8, 2022 at 10am and can be submitted electronically or via mail. Each vendor may submit two proposals for this project. The proposal should include the following items:

- Price breakdown of all equipment to be purchased, attached separately from the districts form of proposal.
- Joint purchasing cooperative and any discounts that apply.
- All warranties that come with the material purchase.
- Confirmation that playground designs fits within current layout of existing park, assume no changes to existing footprint.
- Renderings of the playground from different angles to show all aspects of the playground.
- Shipment date assuming equipment is purchased 2/23/2022. Materials will be shipped to 2352 Hassell Road, Hoffman Estates, IL 60169.

1. The 5-12 year old structure must have the following components:

- Minimum of three slides.
- Minimum of three climbing features.
- Minimum of two brachiating items.
- Three deck play features (examples are talking tubes, telescope, play panels, etc.).
- Minimum of one ground based play features included in the 5-12 year structure.
- Permanent shade options

2. The 2-5 year old structure must have the following components:

- One to two slides
- Two entry points to the slides, one climbing and one stairs.
- A balance feature or brachiating feature

3. Stand Alone Features Required

- Swing bay with traditional belt swings (2 swings) Bay can be connected to another bay.
- Swing Bay with toddler belts (2 swings). Bay can be connected to another bay.
- Non Traditional swing option. Examples would be an Arch swing, Air venture Glider, Team swing and or a Pendulum swing or equal. Bay can be connected to another bay.
- Free Standing motion or spinning features (This should be based on amount of space remaining on footprint,
- Free Standing See Saw.

The Park District is excited about the new structures at Hoffman Park and so is the community. We have a budget of \$100,000 for all aspects of the playground developments, this includes install of equipment and EWF fall surface. Attached along with this is a dwg file of the footprint of the existing park/playground as well as a google earth image of the current layout. The final page below is the form of proposal for total cost to be placed on, but once again please provide your breakdown of all the equipment with your submittal. I can be reached at the email and or phone number listed below if you have any questions.

Thanks,

Dustin Hugen
