**MINUTES
RECREATION & FACILITIES COMMITTEE MEETING
January 18, 2022**

1. Roll Call:

A regular meeting of the Hoffman Estates Park District Recreation & Facilities Committee was held on January 18, 2022 at 7:44 p.m. at the Triphahn Center in Hoffman Estates, IL.

Present: Chairman Chhatwani, Commissioner Kaplan, Comm Reps Beranek, Henderson, Macdonald, MacGregor, McIlrath (phone)

Absent: None

Also Present: Executive Director Talsma, Director of Parks, Planning and Maintenance Hugen, Director of Recreation Kapusinski, Director of Golf & Facilities Bechtold, Director of Administrative Services Cahill, Director of Administration and Finance Hopkins, Executive Assistant Flynn

Audience: President Kinnane, Commissioners Friedman, McGinn, and Evans

2. Approval of Agenda:

Comm Rep Macdonald made a motion, seconded by Comm Rep Beranek to approve the agenda as presented. The motion carried by voice vote.

3. Approval of the Minutes:

Commissioner Kaplan made a motion, seconded by Comm Rep Beranek to approve the minutes of the October 19, 2021 meeting as presented. The motion carried by voice vote.

4. Comments from the Audience:

None

5. Old Business:

None

6. New Business:

A. Recreation Board Report and 4Q Goals / M22-001:

Director Kapusinski highlighted the following:

- Pat Bodame has left the District and the Parks industry entirely to go into medical sales.
- Liz Blake was our aquatics manager who will be moving to Indiana with her husband.
- All of the numbers in the report summarize where we ended our fall programming. Next month will include the current winter program enrollment.
- December had several special holiday-oriented events: Breakfast with Santa which offered a few new activities, including the TopTracer soft opening; Santa Drive-By; Seniors Holiday Party and other holiday events.
- The STAR program is being effected by the staffing shortage in District 15. All buses have been running late, so effective February 23, school start and end times will shift as bus schedules are adjusted. Due to this, Whitely and Thomas Jefferson STAR locations will have longer coverage times, which will mean higher fees. Families have already begun receiving communication. There will be another change for the fall.
- In athletics, the basketball programs are up and running, and we were able to add three teams from the waitlist, for a total of 290 players in the program.
- The ice program remains popular, with 51 skaters who came to Try Hockey for Free, and 75 skaters came to Try Figure Skating for Free. Fall figure skating had 336 skaters, compared to 207 last fall.
- Seascape passes are on sale: we have sold 89 passes for 2022 as of December 31.
- We have begun hiring for summer lifeguard and camp positions.

Commissioner Chhatwani asked what time the school is now starting. Director Kapusinski stated that Thomas Jefferson (D15) is moving from a 7:50 to 8:30 a.m. start. Whitely (D15) is moving from 8:30 to 9:15. She added that staff has reached out to the schools regarding additional space, as we are expecting an uptick due to the later start times.

Executive Director Talsma noted that the District worked closely with Cook County to adjust the vaccine mandate. Many of our youth programs would have been affected if this was not changed. Commissioner Friedman said this was well-received by many coaches. Comm Rep Beranek thanked Executive Director Talsma for sharing the emails, noting they were eloquently written and she was impressed by what he was able to accomplish.

Comm Rep MacGregor made a motion, seconded by Comm Rep Macdonald to send the Recreation Board Report and 4th Quarter Goals to the full Board as presented. The motion carried by voice vote.

B. Facilities Board Report and 4Q Goals / M22-007:

Director Bechtold highlighted the following for Bridges:

- We had golf in December through the 17th. This is the latest date we can remember for golf.
- The TopTracer facility opened December 10 for a VIP event which went well. Then, from December 10 through the end of the month we had 198 hours of rental, without much publicity at all. A full opening is planned for March. The facility is closed until then, as we cannot pick up range balls in the snow. He added that there are still supply chain issues with range balls.
- Breakfast with Santa had 275 attendees. Santa was in the room this year; tables were spread out; everything flowed well.
- In terms of other event bookings, there was one holiday event canceled (125 planned attendees); one meeting was changed to meeting only (no food); early 2022 weddings have been contacted and those clients are looking at other locations due to the vaccine mandate.
- Winter golf course maintenance began after the last round on December 17. PJ Bugay followed final golfers and put sand on the greens to protect them. The staff is working on maintaining the equipment for the winter.

Commissioner Kaplan stated that he has seen another TopTracer-style facility advertise on Facebook and they are still open. Director Bechtold replied that Itasca is still open since they have turf and can plow the snow and pick up balls. He added that another facility, Green Valley on Lake Street, is closed in January and February.

Director Bechtold highlighted the following for The Club:

- We gained 168 new members for the year.
- Staff is doing a great job handling the vaccine mandate.
- The business department offered a great system for quickly entering vaccine information and only having to enter it once per member.
- We offered cancelations and free holds. We have taken about 140 cancelations and 147 holds (these are free while the vaccine mandate is in place, and once lifted, they will automatically reactivate).
- All other fitness centers in Cook County are following the vaccine mandate as well.
- The C&M department is putting together a google tour of The Club. Staff came after hours on a Sunday for 4-5 hours to take photos for the tour.
- We have held a couple of Parents Night Out events which were well received.

Commissioner Kaplan asked if we have had to call the police at all over the vaccine mandate. Executive Director Talsma responded no, we have not.

Comm Rep MacGregor asked about the lack of towels at The Club. Executive Director Talsma stated that we removed them in the beginning of COVID for cleanliness reasons, but have realized a cost saving without them. We lost many to theft when we were using them, approximately 3,000 towels per year.

Comm Rep MacGregor made a motion, seconded by Commissioner Kaplan to send the Facilities Board Report to the full Board as presented. The motion carried by voice vote.

7. Committee Member Comments:

Comm Rep Henderson complimented Commissioner Chhatwani for the way she runs the meetings.

Commissioner Kaplan thanked staff for coming into the gym to remind people to wear their masks.

Comm Rep Macdonald said that he had a great experience at TopTracer.

Commissioner Chhatwani noted the great planning and execution by staff for all that they are doing. She is looking forward to a great year.

8. Adjournment:

Commissioner Kaplan made a motion, seconded by Comm Rep Macdonald to adjourn the meeting at 8:07 pm. The motion carried by voice vote.

Respectfully submitted,

Craig Talsma
Secretary

Cindy Flynn
Executive Assistant

Dance:

- There are 176 dancers enrolled in the winter/spring session compared to 111 last winter.
- Staff has been prepping for the spring recital and placed all costume orders this month.
- Stars Dance Company competed in their first competition since before COVID on February 5 in Des Plaines.

Outdoor Recreation:

- Nine people participated in the Snowshoe Hike on January 29 in our partnership with the Cook County Forest Preserve.
- A Free Ice Fishing Clinic was held on January 9 with 86 participants. Last year there were 58.
- An Ice Fishing class on January 16 had 2 participants and January 23 had 12 participants.
- The Ice Fishing Derby is scheduled for February 6. Right now there are 13 enrolled.

Senior Center January & early February events:

- January Birthday Lunch 1/28: 18 participants
- Paramount Theater Groundhog Day 2/2: 6 participants
- Bingo Night 2/8: 5 participants

Drop-in activities have seen a decrease in participation due to the Cook County Vaccine Order. A new TC Facility “Vax Pass” was created for drop-in users to have their vax card checked once and issued a free facility Vax Pass. Drop-in attendees simply swipe in at the service desk upon each visit to show clearance.

Drop-in Chair Volleyball was added back to the schedule due to high interest on Wednesdays from 10 to 11am.

Upcoming events with enrollment to date:

- Valentine’s Day Luncheon 2/14: 15 participants
- Seniors out Socializing 2/18: 4 participants

- Pub Trivia 2/24: 28 participants
- February Birthday Lunch 2/25: 5 participants

Early Childhood

Little Stars Child Care has 37 children enrolled; last December there were 18 children. The third LSC classroom opened on January 10. Two part-time teachers have transitioned to their full-time teacher roles within the LSC, Charlotte Chiero and Remya Nedumpurath. A third LSC full-time teacher will begin on February 14. Having three full-time teachers provides one consistent teacher in each classroom everyday alongside a half-day part-time preschool teacher in the morning and afternoon.

LSC open houses will be held on February 12 and March 12 to boost enrollment in each classroom.

WRC preschool is still looking for a director-qualified part-time teacher.

The preschool program was awarded \$3,960 and \$22,440 from the Child Care Workforce Grant. These funds are used for teacher bonuses as the grant was created to support teachers returning to the workforce during COVID.

Winter Early Childhood enrichment: Five classes are running at TC with 38 students and WRC has four classes running with 28 students. These enrichment classes are offered immediately after preschool dismissal giving students an extended day in their classroom. Enrichment was not offered last year for comparisons due to COVID and not mixing students.

Other winter Early Childhood enrollment:

- 6 in Tot Rock

Bridges General Programs

- Preferred Tee Time contracts have been sent out using our new electronic form software PandaDoc. This new method was a big help in tracking and receiving them back in a timely manner. Captains were able to sign electronically and pay their license fee all online with final executed contracts being instantly returned to the Captain. The deadline for the renewal is February 25 with an early \$60 off promotion if received by February 11. Currently we have 20 contracts received for this season.
- League Contracts are being drafted and will be going out mid-February. We have been in communication with all leagues and we believe all leagues will be returning for the 2022 season.
- Golf Merchandise has been ordered for the 2022 season. The shop will have apparel from Columbia and Adidas this season. The hard goods lines will consist of Callaway, Taylor Made, and Tour Edge.
- Staff has created our Event Schedule for 2022. Bridges has the following events planned:
 - March Madness Golf Event: March 19
 - New Event: TopTracer Team Event: March 27
 - Breakfast with the Bunny April 2
 - Par 3 Challenge: April 6
 - New Event: Spring Senior Scramble: May 18
 - ProAm Scramble: October 9
 - Turkey Shoot: November 5
 - New Event: TopTracer Team Event: November 12
 - Breakfast with Santa & Winter Fest: December 10
- With the assistance from the C&M department, the new 2022 golf outing brochure, rate cards, and golf information ads have been created. Staff is finishing final edits and will have all updated information on the website by the end of February.
- Staff is working on getting ready for TopTracer Range to open in early March. We will continue to monitor the weather and snow and we will open as soon as we feel we can retrieve range balls on a regular basis.

Member Services/Sales

- The Club experienced another set-back in January with Cook County announcing they were mandating proof of vaccine for facility use on January 3. This made an impact on our new member enrollments as well as cancellation numbers. We finished the month with 110 new enrollments, and unfortunately 128 (plus approximately 15 more that cancelled in December as soon as we put out the communication) cancellations. Almost all of the cancellations indicated it was because of the vax mandate.
- We had about 150 members take advantage of the no charge hold option we offered to those who were unable or unwilling to provide proof of vaccination. These members will be removed from hold status when the mandate lifts.
- We are looking forward and planning for March to be an exciting month as we believe all mandates will be lifted and expect members on hold to return, as well as those who do not want to work out with masks to return as well.
- We had 1,483 unique visits in January. Meaning, approx. 70% of members are visiting/using the facility at least once a month. This is not a bad number given the restrictions, but should definitely be higher for a fitness facility in January.

Operations and Fitness Departments:

- We needed to pull back on a lot of our planned rentals and activities in January, because of the vax mandate. For example, we would typically run adult volleyball tournaments throughout the winter months, but because this would require vax proof from the participants, these organizations cancelled with us and went elsewhere. We also had to cancel our Parent's Night Out event because we serve a pizza dinner as part of that event, and 2 birthday parties and 2 overnight lock-ins cancelled with us as well.
- Looking past this somewhat disappointing month, The Club staff are looking forward to adding in some great programming beginning in March. We are going to offer a teen weight training intro class, personal training for golfers, teen yoga and parent-baby yoga classes, and an early childhood art class.
- We have also gotten word that some of the corporate park companies will begin to bring back staff mid-March. With this, we will likely bring back one or two noon time group fitness classes.
