**MINUTES
ADMINISTRATION & FINANCE COMMITTEE
April 26, 2022**

1. Roll Call:

A regular meeting of the Hoffman Estates Park District Administration and Finance Committee was held on April 26, 2022 at 7:27 p.m. at the Triphahn Center in Hoffman Estates, IL.

Present: Chairman Friedman, Commissioner Dressler, Comm Reps Kulkarni, Musial, Utas, Wilson, and Winner

Absent: None

Also Present: Executive Director Talsma, Director of Administration and Finance Hopkins, Director of Administrative Services Cahill, Director of Parks, Planning and Maintenance Huguen, Director of Recreation Kapusinski, Director of Golf & Facilities Bechtold, Executive Assistant Flynn

Audience: President Kinnane, Commissioners Chhatwani, Evans, Kaplan, and McGinn; Community Rep Evans

2. Approval of Agenda:

Comm Rep Wilson made a motion, seconded by Community Rep Utas to approve the agenda as presented. The motion carried by voice vote.

3. Approval of the Minutes:

Comm Rep Winner made a motion, seconded by Comm Rep Kulkarni to approve the minutes of the March 22, 2022 meeting as presented. The motion carried by voice vote.

4. Comments from the Audience:

None

5. Old Business:

None

6. New Business:

A. Athletico Rental Agreement Addendum / M22-033

Executive Director Talsma stated that Athletico had asked to redo the lease at The Club. The request was received within the legal timeline. They are looking for a storefront location. The rent per square foot was lowered to \$25, which is more in line with the market rate. The lease is now month-to-month with a 90-day notification of lease termination.

Community Rep Musial asked why there is a 90-day lease termination on a month-to-month lease. Executive Director responded that both parties agreed to the lease terms as written.

Community Rep Utas made a motion, seconded by Community Rep Wilson to recommend to the full Board the approval of the Athletico Rental Agreement Addendum as presented. The motion carried by voice vote.

B. Surplus Ordinance / M22-039 / O22-001

Executive Director Talsma noted that this is a housecleaning task. All items in the list are from the IT department, and are no longer useful to the District. The items will be picked up by Chicago Surplus and the District will receive a certificate of destruction, certifying that all data is erased and/or destroyed.

Community Rep Wilson made a motion, seconded by Community Rep Winner to recommend to the full Board the approval of the Surplus Ordinance 022-001. The motion carried by voice vote.

C. Poplar Park Playground Equipment – SD 54 / M22-041

Executive Director Talsma noted the following:

- School District 54 is moving their special needs program to the John Muir School.
- Poplar Park is the playground adjacent to the school, and it is currently not inclusive. The school district requires a fully inclusive playground for the special needs program, and the playground is needed by August 15, a tight turnaround.
- This can be accomplished through a simple addendum to the existing IGA with School District 54.
- The school district will pay 100% of the materials and install costs.
- Once complete, the Park District will be responsible for maintaining the park.
- The park district had planned to do a fully inclusive playground at Vogeley, which was part of the 2020-2024 CMP. This would fulfill that goal, but at a different location.
- The cost is not to exceed \$425,000.

Director Hugen added the following:

- He has reached out to vendors through the coops (OMNIA and Sourcewell).
- GameTime (Cunningham Recreation) is working on a conceptual plan which we hope to have by May 4. This will be taken to a public meeting at Poplar Park for community input.
- It will take 8 weeks to receive the material, and 4 weeks to remove old playground and install the new playground equipment.

Community Rep Musial asked how we know if the recommended “not to exceed” amount is anywhere near what is needed. Director Hugen responded that he spoke with Cunningham regarding the cost of the poured-in-place mulch as well as the preliminary design requests. Both feel that the \$425,000 mark is well above what will be needed.

President Kinnane asked how this project will affect other planned projects for the summer. Director Hugen assured that he will be able to schedule all projects appropriately.

President Kinnane then asked if the school district will be reimbursing the Park District for man hours. Director Hugen stated that our fixed costs will be included in the reimbursed cost. Our man hours will not be included, but we are receiving a brand new playground.

Community Rep Utas asked the District to please keep the Vogelei inclusive playground project in mind. Executive Director Talsma suggested that possibly the District can work with NWSRA to apply for a grant. This is not off the table, and Vogelei is an excellent location.

Community Rep Kulkarni asked to clarify what the project involves. Director Hugen stated that we will be removing the existing playground, replacing the fall surface with a poured-in-place surface to allow wheel chairs to get to the play structures.

Community Rep Utas made a motion, seconded by Community Rep Wilson to recommend to the full board the approval of the Poplar Park Playground Equipment project and IGA addendum with School District 54. The motion carried by voice vote.

D. Administrative Services Report and 1st Quarter Goals / M22-040:

Director Cahill highlighted the following:

- Staff has implemented the PandaDoc digital download process for all new hires. The turnaround time for paperwork is very quick.

- Staff has been reviewing the employment application and recruitment software system. We have paid this year's fee for the current AppliTrack system, and will include in the budget an estimate for a new system starting in 2023.
- Staff held a week-long hiring event at various locations. We received 35 applications and completed several new hires as a result. In addition, there are 8 to 9 lifeguards pending hire after the certification process.

Community Rep Winner made a motion, seconded by Commissioner Dressler to forward the Administrative Services Board Report and 1st Quarter Goals to the full board. The motion carried by voice vote.

E. Administration and Finance Report and 1st Quarter Goals / M22-034

Director Hopkins highlighted the following:

- The business department completed the audit fieldwork, which was done remotely this year. Everything went very smoothly over the course of four days.
- The IT staff installed security cameras at the TopTracer facility and the halfway house structure.

Community Rep Kulkarni asked if this is the last year for the audit company's contract. Director Hopkins said that yes, we will go to RFP for next year, and will include a request for a remote process.

Comm Rep Wilson made a motion, seconded by Comm Rep Winner to forward to the full board the Administration & Finance Board Report and 1st Quarter Goals. The motion carried by voice vote.

F. Open and Paid Invoice Register: \$980,233.43:

Commissioner Dressler asked about the cost of the curtain at The Club. Executive Director Talsma explained that this is a gym divider, replacing one that is 20 years old. There are two other curtains that are needed.

Commissioner Dressler asked about the wipes purchase. Executive Director Talsma noted that Director Hugen made a bulk purchase for the District.

Commissioner Dressler asked about the \$30,000 attorney fee. Executive Director Talsma responded that this was a reimbursement for our share of the attorney fees in the Sears EDA dissolution.

Commissioner Dressler asked about the NWSRA special assessment. Executive Director Talsma noted that this is a fee we pay two times per year for our share of their services. There are 17 districts included in the NWSRA, and the fee depends on the EAV (equalized assessed value) and the population of the district.

Community Rep Wilson made a motion, seconded by Comm Rep Utas to recommend to send the Open and Paid Invoice Register in the amount of \$980,233.43 to the full board for approval. The motion carried by voice vote.

D. Revenue and Expenditure Report, Financial Analysis and District-Wide Operations Statement:

Director Hopkins reviewed the highlights of the Revenue and Expenditure Report for the 1st Quarter 2022.

Commissioner McGinn asked about the advertising revenue from the marquis signs. Executive Director Talsma stated that we receive approximately \$60,000 per year from this. The signs are used mostly for our own advertising. He added that we have other sponsorships as well, including St. Alexis. The marquis signs had an issue with moving from 3G to 4G; we have an extended warranty, which will reimburse us for previous panel repairs.

Commissioner Evans said that the District expected \$100,000 for 10 years to cover the cost of the signs. Executive Director Talsma noted that the District averages about \$75,000 per year in advertising revenue.

President Kinnane reminded the committee that there are rules for each sign. Executive Director Talsma confirmed this by noting that only 49% of the advertising at Triphahn Center and Vogeley can be external advertising. The signs at Bridges and Willow must be 100% internal.

Community Rep Winner asked about the Amita sponsorship and if we still receive sponsorship payment from them. Executive Director Talsma explained that we used to have a 3-year contract with Amita, but it is now a 1-year contract which gets renewed every year. When the correct contact person changes, it can be difficult to get the annual renewal complete, but the quarterly payments are consistent. The District is part of Amita's Community Impact commitment.

Comm Rep Utas made a motion, seconded by Comm Rep Winner to recommend the Board approve the Revenue and Expenditure Report, Financial Analysis and the District-Wide Operations Statement as presented. The motion carried by voice vote.

7. **Committee Member Comments:**

Community Rep Musial said she attended the TopTracer fundraising event for the Foundation. She said it was a great event.

Commissioner Dressler thanked the District for their support of the Bon Appetit event put on by the Chamber of Commerce.

Community Rep Winner said thank you to staff, and to keep up the great work.

Community Rep Utas congratulated Executive Director Talsma for 25 years of service. He also thanked staff for all of their hard work.

Community Rep Kulkarni thanked the staff for their great work.

8. **Adjournment:**

Comm Rep Wilson made a motion, seconded by Comm Rep Utas to adjourn the meeting at 8:12 p.m. The motion carried by voice vote.

Respectfully submitted,

HOFFMAN ESTATES PARK DISTRICT MEMORANDUM NO 22-049

TO: A&F Committee
FROM: Craig Talsma, Executive Director
Nicole Hopkins, Director of Finance & Administration
Lynne Cotshott, Superintendent of Business
RE: 2021 Final Draft Audit
DATE: May 24, 2022

Background:

The District's auditors, Lauterbach & Amen, LLP have completed the annual audit for the fiscal year ending December 31, 2021. The Annual Comprehensive Financial Report is comprised of three sections: introductory-which includes the transmittal letter; financial-which includes the management discussion and analysis (MDA); and statistical section. The entire document must follow Governmental Accounting Standards Board (GASB) and Generally Accepted Accounting Principles (GAAP) guidelines.

With the acceptance of the Annual Comprehensive Financial Report, staff will once again be applying for the Government Finance Officers Association of the United States and Canada (GFOA) award of Certificate of Achievement for Excellence in Financial Reporting on behalf of the District. This prestigious award is issued to recognize a government for publishing an easily readable and efficiently organized annual report that satisfies both GAAP and applicable legal requirements. We have received this the last eight times since applying in 2014 for fiscal year ending 12/31/13, and believe that our annual report meets these requirements for 2021.

Lauterbach & Amen, LLP has included their communication to the board of commissioners which would include any recommendations. Lauterbach & Amen, LLP will be in attendance for the Administration and Finance Committee meeting to give a brief presentation of the audit.

Implications:

The auditors have issued an unmodified report. Upon acceptance of the 2021 final audit, the audit will then be filed with the County Clerk and all other required agencies and the Annual Comprehensive Financial Report will be submitted to GFOA.

Recommendations:

Staff recommends the A&F Committee recommend to the board acceptance of the final annual audit for the fiscal year ending December 31, 2021, as presented by Lauterbach & Amen, LLP.

Members of the Board of Commissioners
Hoffman Estates Park District
Hoffman Estates, Illinois

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Hoffman Estates Park District, Illinois for the year ended December 31, 2021. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (and, if applicable, *Government Auditing Standards* and the Uniform Guidance), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 16, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the District are described in the Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2021. We noted no transactions entered into by the District during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the governmental financial statements were:

Management's estimate of the depreciation expense on capital assets is based on assumed useful lives of the underlying capital assets and the net pension liability/(asset) is based on estimated assumptions used by the actuary, adjusted for inflation. We evaluated the key factors and assumptions used to develop the depreciation expense and net pension liability/(asset) estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Any material misstatements detected as a result of audit procedures were corrected by management.

Significant Audit Findings - Continued

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated May 16, 2022.

Management Consultations with Other Independent Auditors

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the District's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the District's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to the required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the other supplementary information and supplemental schedules, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Restrictions on Use

This information is intended solely for the use of the Board of Commissioners and management of the District and is not intended to be, and should not be, used by anyone other than these specified parties.

We wish to express our gratitude to the Board of Commissioners and staff (in particular the Finance Department) of the Hoffman Estates Park District, Illinois for their valuable cooperation throughout the audit engagement.

MANAGEMENT LETTER

FOR THE FISCAL YEAR ENDED
DECEMBER 31, 2021

May 16, 2022

Members of the Board of Commissioners
Hoffman Estates Park District
Hoffman Estates, Illinois

In planning and performing our audit of the financial statements of the Hoffman Estates Park District (the District), Illinois, for the year ended December 31, 2021, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

We do not intend to imply that our audit failed to disclose commendable aspects of your system and structure. For your consideration, we herein submit our comments and suggestions which are designed to assist in effecting improvements in internal controls and procedures. Those less-significant matters, if any, which arose during the course of the audit, were reviewed with management as the audit field work progressed.

The accompanying comments and recommendations are intended solely for the information and use of the Board, Executive Director and senior management of the Hoffman Estates Park District, Illinois.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various District personnel. We would be pleased to discuss our comments and suggestions in further detail with you at your convenience, to perform any additional study of these matters, or to review the procedures necessary to bring about desirable changes.

We commend the finance department for the well prepared audit package and we appreciate the courtesy and assistance given to us by the entire District staff.

PRIOR RECOMMENDATIONS

1. GASB STATEMENT NO. 87 LEASES

Comment

In June 2017, the Governmental Accounting Standards Board (GASB) issued Statement No. 87, *Leases*, which provides guidance regarding the information needs of financial statement users by improving accounting and financial reporting for leases by governments. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. In accordance with GASB Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*, which was issued as temporary relieve to governments and other stakeholders in light of the COVID-19 pandemic, GASB Statement No. 87, *Leases* is applicable to the District's financial statements for the year ended December 31, 2022.

Recommendation

Lauterbach & Amen, LLP will work directly with the District to review the new lease criteria in conjunction with the District's current leases to determine the appropriate financial reporting for these activities under GASB Statement No. 87.

Status

This comment has not been implemented and will be repeated in the future.

Management Response

Management acknowledges this comment and will work with Lauterbach & Amen to implement for our December 31, 2022 financial statements.

PRIOR RECOMMENDATIONS - Continued

2. FUNDS OVER BUDGET

Comment

During our current year-end audit procedures, we noted that the following funds had an excess of actual expenditures over budget but not over the appropriation for the fiscal year:

<u>Fund</u>	<u>Actual</u>	<u>Budget</u>	<u>Appropriation</u>
Recreation	\$ 4,001,717	3,785,942	6,246,522
Illinois Municipal Retirement	363,878	346,565	1,145,958
Social Security	494,500	475,120	1,080,875
Special Recreation	507,924	461,640	1,047,579

During the previous fiscal year, the following funds had an excess of actual expenditures over budget but not over the appropriation:

<u>Fund</u>	<u>Actual</u>	<u>Budget</u>	<u>Appropriation</u>
Debt Service	\$ 6,816,526	6,702,715	8,755,671
Capital Projects	2,762,103	2,445,000	4,455,023

Recommendation

We recommended the District investigate the causes of the funds over budget and adopt appropriate future funding measures.

Status

This comment has not been implemented and will be repeated in the future.

Management Response

Recreation Fund: The Recreation Fund was budgeted to break even and ended the year with a net revenue of \$972,437. Due to the ever changing conditions due to the pandemic, all areas of the District were budgeted conservatively. As more normal operations began later in the year, additional revenue was generated and the increase to expenses was directly related to the revenue produced.

Illinois Municipal Retirement Fund and Social Security Fund: Caused by an increase in staffing as additional revenue was generated.

Special Recreation Fund: The Special Recreation Fund was over budget in expenditures due to the reclassification of elevator repairs. Future elevator related expenses will be budgeted directly to the Special Recreation Fund.

To the Board of Commissioners
The Residents of Hoffman Estates

Presented for your review is the Hoffman Estates Park District (hereinafter "District") Annual Comprehensive Financial Report for the fiscal year ended December 31, 2021. Illinois state statute requires that municipal governmental entities publish a complete set of financial statements within six months of the close of the fiscal year. The financial statements must be presented in conformity with Generally Accepted Accounting Principles (GAAP) and audited by independent certified public accountants (CPA). The following financial statements meet this requirement and have been audited by the CPA firm of Lauterbach & Amen, LLP.

Management assumes full responsibility for the completeness and accuracy of the attached reports, representing the District's overall financial operations and performance. The complete financial framework for which these are presented is established with the utilization of internal controls to prepare and report the financial operations for the District accurately. Our internal control system is designed to ensure the proper safeguarding of the District's assets within a cost-benefit level to ensure that costs for our controls do not exceed the benefit they produce.

Lauterbach & Amen, LLP has given the audited financial statements an unmodified opinion, meaning that the financial statements represent fairly, in all material aspects, the District's financial position for the fiscal year ended December 31, 2021. This opinion assures the user of the fairness and accuracy of the financial statements. To help the user better understand the financial statements and compare them to prior years, the management discussion and analysis (MDA) is prepared by staff and presented immediately following the auditor's report. The MDA provides an additional overview, insight, and analysis to make the financial statements easier to understand. The financial statements along with this transmittal letter should be read in conjunction with the MDA.

Profile of the District

The Hoffman Estates Park District was created by a voter-approved referendum in 1964 and celebrated its 50th anniversary in 2013. The referendum established the District for the sole purpose of providing park and recreation services for the community residents. A seven-member board of commissioners governs the District that the District's residents publicly elect on staggered four-year terms. The Board of Commissioners then elects the officers for President, Vice President, and Treasurer among themselves. The District operates to fulfill its mission of providing first-class parks, programs, facilities, and services for our residents and guests in an environmentally and fiscally responsible manner.

Primarily contiguous with the Village of Hoffman Estates, a home rule municipality incorporated in 1959, the District includes three main areas due to the division by major highways. These areas are the north, south, and west regions of Hoffman Estates located within Cook County. The District serves a population of 52,530 and currently has 81 parks totaling over 930 acres. The District had 20,079 participants in our recreational programs in 2021. Major programming areas include early childhood, youth and adult athletics, dance, gymnastics, karate, and many other programs based heavily upon our operational pillars of fitness, environmental stewardship, and social equity. The COVID-19 pandemic still impacted, 2021, but participation is beginning to increase. In addition to the parks and programs, the District has the following major facilities:

Triphahn Center (TC) is the home of the District's administrative offices and is the central recreation point for District activities. Located on the south side of Hoffman Estates, it houses a full-size gymnasium, fitness center, and locker rooms with 523 members at the end of 2021. Preschool and early learning center activity rooms, a dance room, multi-purpose areas, and the District's "50+ Club". This facility is also the practice facility for the Chicago Wolves. Because of this partnership, the current facility was expanded, and two professional-sized ice rinks were added. In 2020, the facility became the home rink for the Chicago Wolves' home games. Due to COVID-related facility closures and restrictions, this facility recorded an annual attendance of 138,735 patrons.

Bridges of Poplar Creek Country Club (BPC) is a 150-acre 18-hole par 70 golf course. The clubhouse also serves as a full restaurant and meeting facility, including banquet accommodations for 250+ guests. A recent award-winning renovation to the course not only remodeled and revamped the exciting layout of the golf course but also added a beautiful outside gazebo and event area. This space is a perfect wedding spot for our award-winning wedding operation (winner of the "Best of the Knot" for the last nine years). In 2018, the large banquet room was remodeled, providing a fresh contemporary look. 2020 challenged the District's innovation for contactless customer service to open the course under state-mandated guidelines, which we continued to utilize in 2021. The course recorded its highest rounds since 2017, with 30,830 rounds of golf played in 2021. Additionally, the course enhanced a portion of the outdoor range by adding a driving range enclosure powered by Top Tracer technology. This addition allows extended seasonal play and attracts all skill sets.

Seascape Family Aquatic Center is located adjacent to the Bridges of Poplar Creek. It includes a large outdoor zero-depth pool with body and raft water slides, a bathhouse with locker rooms, an event area, volleyball courts, and a concession stand. Seascape is open from late May to mid-August. In 2018, the Sand Filters at Seascape were wholly replaced, improving water clarity and circulation. Annual passes for individuals or families are sold here as well as a daily visit option. The facility opened in 2021 after remaining closed during the 2020 season due to COVID restrictions. The 2021 season had 1,642 annual pass members and 20,521 daily visit passes sold.

The Club at Prairie Stone (formerly known as Prairie Stone Sports & Wellness Center), located on the west side of Hoffman Estates, is a 100,000 square foot sports and health facility. It includes three gymnasiums, a High Intensity Interval Training space, an indoor zero-depth pool and lap pool, public and member locker rooms, a running track, and aerobic and group fitness rooms. Spa services, massages, and childcare are also available. Monthly membership dues generate the most revenue for the facility, with 2,160 members at the end of 2021. There were 147,503 visits in 2021. As a part of our commitment to maintaining state-of-the-art facilities, the Club underwent a renovation in 2020 to include a new functional fitness and strength area. An alternative revenue source and partnership has been established here with Athletico, a primary physical therapy provider. Athletico has a full-service center located within The Club, where they lease approximately 200 square feet of space.

Willow Recreation Center is a smaller recreational facility than Triphahn Center located on the north side of Hoffman Estates. It houses a gymnasium and a small fitness center and locker rooms with 139 members at the end of 2021, racquetball courts, and preschool and programming rooms. It is also the location of our outdoor skate park and Bo's Run, one of the District's two dog parks (the other dog park, Freedom Run, is located on the west side of Hoffman Estates). The District had 700 annual dog park members at the end of 2021. The Palatine Public Library leases approximately 1,200 sq. ft. within this facility to provide a branch library to our mutual residents. This facility recorded an annual attendance of 34,260 patrons.

Vogelei Park, House & Barn is a 10-acre park located at the southeastern entry point to Hoffman Estates. Found here is a historic house and barn, both of which are used for rentals. The barn and large park area are also excellent spots for many of our summer camps and special events. This historic site housed the District's first administrative offices after it was purchased in 1969. The park area was completely revamped, and the historic house was refurbished as part of a significant renovation in 2010. The barn is the primary site for gymnastics and is also used for various summer camps, rentals, and the teen center. In early 2021, a new eSports Zone opened at this location. Construction began in 2021 to make remodel and this site completely accessible, as Northwest Special Recreation Association (NWSRA) will relocate to this facility.

The annual budget is the funding mechanism to meet our mission by providing and maintaining our parks, programs, and facilities. The annual budget is an ongoing process by which all management staff continually looks for new and innovative ways of providing services to accompany our core services and facility offerings already in place. The budget starts with each department developing objectives for the upcoming year. These objectives are specific planned actions based on the District's mission, vision, and goals outlined in our five-year Comprehensive Master Plan (CMP). These objectives provide specific, measurable actions to be implemented in the budget year. The budget will be the mechanism to fund all of our objectives and all other services and offerings.

It is the responsibility of each department: Parks for Maintenance and construction, Recreation for programming, and Facilities for facility usage and memberships (in addition to the specific Club and BPC operations which are budgeted separately) to outline a balanced working budget for their respective areas. Each year's budget is zero-based, and all items are carefully reviewed. Working closely with the business department, departments develop an overall budget. The operational budgets also include inter-fund charges for shared costs like funding for the Illinois Municipal Retirement Fund (IMRF, our employee pension system), social security expenses, in addition to certain debt service payments.

The working budget is reviewed by the Director of Finance and Administration, who works with all departments throughout the process. A balanced budget for the District as a whole is developed utilizing all of the program areas. The District's annual tax levy and the Budget and Appropriations (B&A) Ordinance are developed to coincide with the budget process. This budget then goes through a rigorous review by the Executive Director before going to the Board of Commissioners and our District's Committee as a Whole for the final review.

The committee as a whole is made up of the District's three community committees, including an Administrative and Finance Committee, a Recreation Committee, and a Building and Grounds Committee. Each separate committee is comprised of a different set of five residents along with two Board members. Each committee then reviews each respective area and each department. Only after all board committees of the District have reached a consensus are the final documents displayed for public input for 30 days. During that time, an additional public meeting is held. Then the working budget, Tax Levy and B&A Ordinance are formally approved by the District's Board of Commissioners. The final B&A Ordinance puts legal spending limits on each operating fund of the District.

Our District approves the budget every December before the start of the fiscal year, even though we could legally wait until 90 days after the budgeted year has started. We prefer to have the B&A Ordinance approved along with our annual tax levy, which is required to be approved in December. This process allows the District to start each fiscal year with a formally approved budget document.

Budgetary control during the year is maintained through continual review of financial performances and a well-controlled purchasing system requiring approved purchase orders for expenditures. Monthly financial statements and listings of all expenditures are approved every month by the Administration & Finance Committee and then by the Commissioners' Board of Commissioners. The budget numbers are an integral part of the financial statements, which are eventually audited and comprise part of our Annual Comprehensive Financial Report.

Local Economy

The local, state, and national economies are all still navigating through and beginning recovery from the COVID-19 pandemic. The most dramatic effect of the pandemic is seen in user access. User access significantly declined in connection with closures and mitigation recommendations as advised and required by the State of Illinois and the CDC. The District is starting to see a rebound in participation as mitigation recommendations loosened throughout 2021.

The District's "Assessed and Actual Value of Taxable Property" chart in the statistical section shows the past ten years of equalized assessed value (EAV). The EAV for general district taxation since 2009 dropped losing more than a third in value (2009-\$1,907,073,711 and 2015-\$1,643,399,445). The 2020 EAV for general district taxation reflects improvement over prior years at \$1,650,993,361, but still not as high as was reflected in 2009. The EAV and tax levy years are always one year behind the fiscal year they fund. To continue our dedication to maintaining first-class parks and facilities, in 2016, the District invested in Graphical Information System (GIS) software. This new software tracks all of the District assets and their useful lives. In the future, this will allow all our residents to quickly view all park and facility amenities, such as where is a playground, tennis courts, splash bad, or even a park shelter, by simply going to our website. Additionally, this tracks all repairs and replacements for all of our assets and will simplify our CAMP process each year in evaluating our required replacements for any significant assets of the District.

The day-to-day District operations are supported by user fees, tax dollars, and alternative revenues. The tax dollars are capped each year based on the taxes collected from our current annual levy plus an increase for CPI. This increase was 2.30% for 2020 and 1.40% for 2021. The minimal increase ensures that we must continuously operate as efficiently as possible and be conservative in our financial operations. With these tax funds, the District maintains and supports all of our park operations, ADA, and specific program areas for seniors and at-risk youth. The majority of our other operations are supported and paid for by user fees. This includes our operations at BPC, The Club, and most programming, whether early childhood, athletics, or ice.

The state and county mitigation guidance in 2021 has affected the District, local, and statewide economies. At the issuance of this report, mask and vaccination requirements became optional for public patrons. District continues to see increased participation and visits to our locations by the public. Due to the uncertainty and unprecedented nature of the current situation, we are continually developing scenario planning to address future needs and priorities to mitigate any negative impact. The District also closely monitors legislation, both state and federal, to determine the effects they may have.

Alternative revenues constitute a significant component of our financial planning. These include revenues from various partnerships like the Chicago Wolves that provide \$150,000 in rent every year as part of our new agreement in 2020. The renewal of this agreement continued the Chicago Wolves relationship and increased those services in 2020 to include hosting their home games at our ice arena facility. We also have partnerships with cellular carriers for cell sites on our properties that generate over \$62,000 per year. Other partnerships are not necessarily dollar-based, but they provide additional programming space like our agreements with the local school districts for additional gym and classroom space, especially in demand during the summer camp season. We have a very large before and after school program that generates a large portion of our Early Childhood revenues. These programs are held at local schools through an intergovernmental agreement with those school districts.

We also have an agreement with the Wings and Talons that house their birds of prey at our Vogelei Park and, in turn, provide environmental education for our residents with classes and special events. Other rental and partnership agreements include rental of space with Athletico, Sky High Volleyball, and the Windy City Bulls.

In 2021, the District entered into an agreement with Northwest Special Recreation Association (NWSRA) to renovate the District's Vogelei Park house to become a future site for NWSRA and Clearbrook's cooperative Adult Day Program, called PURSUIT. In 2021, there were 105 participants enrolled between all five PURSUIT sites with an interest list of another 203 individuals waiting to join.

In 2014, the District erected four large digital marquee signs. These signs promote our programs, and in a partnership with the Village of Hoffman Estates, they provide community awareness messages such as AMBER alerts. Two of the signs are also allowed to generate additional revenue through the sale of advertising. While in 2019, these two signs generated just over \$86,000 in revenue, due to the COVID-19 pandemic, the revenue for 2021 was just over \$46,000.

One of the largest sources of alternative revenue for us is grants. Over the last 30 years, the District has received almost \$6 million in grants. Many of the larger grants were Illinois Department of Revenue open space and land acquisition (OSLAD) grants. These grants enabled us to develop our parks and facilities to the level and total acreage we have today. Many other recent smaller grants have come from the Illinois State Parks Energy Efficient Program and State Comptroller's Office that has allowed our District to become more environmentally responsible within our parks and facilities. In 2019, the District was awarded a \$400,000 OSLAD grant from the Illinois Department of Natural Resources to support a renovation at South Ridge Park. In 2020, an additional \$225,000 was awarded for the Birch Park Revitalization project. In 2020, the District was awarded a Child Care Restoration grant of just over \$162,000, and in 2021 an additional \$125,000 for staffing, improvements, and COVID safety-related expenses of the ELC program. The bond rebates from the Federal government for our Build America Bond issue generated just over \$77,000 in revenue for 2020 as the District refunded that series.

The annual budget governs our financial operations each year. Our long-range plans allow for the appropriate planning to ensure funding for current and future years of operations. Our District has an established fund balance reserve policy (implemented in 2012) that provides for the careful allocation of District reserves. These reserves help enable the District to overcome any potential cash flow shortfalls should they arise. The reserves are also a mechanism that can be used to help fund future CIRP items.

The District recently finished the final stage of the agency debt reallocation plan that has effectively spread our debt over applicable future years that allow our residents to enjoy the parks and facilities that created the original debt. Due to favorable market conditions, the District was able to enter into advance refunding agreements for the 2010A and 2010C bonds, achieving a net present value savings of just under \$4.9 million. This ensures that the future availability of annual bonds will match the requirements of our CAMP for the foreseeable future.

Throughout all of our careful utilization of our bonding authority to maintain the debt repayment plan, the District has maintained a Standard & Poor's bond rating of AA+. (This bond rating was reconfirmed in 2020). This high rating reflects the careful planning and financial integrity that the District practices every year and was reaffirmed with our most recent bond issue.

Major Initiatives

The District's CMP is a very detailed process to complete this statistical document. Starting in 2018, the District engaged the services of the ETC Institute to help us in preparation for this new five-year document. A significant component of this document is the community-wide attitude and interest survey. This was completed in 2018 and measured a variety of data from our residents. The survey focused on measuring the residents' satisfaction with the District's parks, facilities, programs, and services. It asked for information on the importance of different types of programming and prompted residents to provide ideas for new services we could provide. The entire CMP included studying demographics, benchmarking, best practices, strengths, weaknesses, opportunities, and threats (SWOT) assessments, and a complete revision of the District's CAMP. The District also completely reevaluated its mission, vision, and goals. This plan is reviewed every year as part of the budget process.

As part of our CAMP, playgrounds are continually planned for renovation and replacement. This is a significant focus on the District's mission, and we take great pride in each and every playground through careful planning and construction. In 2021, Birch Park received a significant renovation. Every time a playground is renovated, community meetings are held to gather public input on the functionality, usage, and design. Birch Park was completely renovated to include a basketball court, playground, shelter, soccer field, sled hill, a trail, and a berm for residents. Additionally, any time a capital project impacts the use of our land or facilities, public meetings are held for input. Below are some of the significant initiative projects for 2021: Birch Park, Bridges of Poplar Creek Driving Range Enclosure, Early Childhood space renovation, eSports Center, and maintenance equipment replacements.

Awards and Acknowledgments

The District received its eighth Government Finance Officers Association of the United States and Canada (GFOA) award of Certificate of Achievement for Excellence in Financial Reporting in 2022 for our 2020 Annual Comprehensive Financial Report. This prestigious award recognizes a government for publishing an easily readable and efficiently organized Annual Comprehensive Financial Report that satisfies both GAAP and applicable legal requirements. We believe that our Annual Comprehensive Financial Report for 2021 also meets these requirements, and we are submitting it to the GFOA to determine its eligibility for this certificate.

The District was a National Recreation and Park Association (NRPA) Gold Medal finalist in 1989, 1990, 1991, 2007, 2008, and 2009 when it was named the Gold Medal winner for Class IV (population 50,001-100,000). This award recognizes the best overall park and recreation agency in the nation based on the criteria established by the NRPA.

The District received the Illinois Association of Park Districts (IAPD)/Illinois Park & Recreation Association (IPRA) Joint Distinguished Agency Accreditation. This prestigious accreditation was awarded to the District in 1999, 2005, 2011, and 2017. In 2013, the District also received the IAPD License plate award for promoting youth activities and the license plate program sponsored by IAPD. In 2021, IAPD awarded the District and Cabela's Hoffman Estates with the Partnership award for the work done together in promoting the District's fishing programs. Cabela's and their parent company Bass Pro Shops support a nationwide movement dedicated to encouraging families to be outside.

The District's partner AMITA Health was awarded the "Best Friend of Illinois Parks" in the large business category (more than 500 employees) from the Illinois Association of Park Districts in 2018. This honor is awarded to a business or corporation that demonstrates exemplary support to either a local park district, forest preserve, conservation, recreation, or special recreation agency.

Also received from IPRA in 2014 and 2015 was the Exceptional Workplace Award presented by the Health & Wellness Committee of IPRA. This award signifies a healthy and satisfying work environment based on peer and staff review.

In 2018 the District joined the elite park and recreation agencies and departments across the nation by earning accreditation through the Commission for Accreditation of Park and Recreation Agencies (CAPRA) and the NRPA. The District achieved a perfect 144 out of 144 score and, at the time of completion, became the first Illinois Park District to have won the NRPA Gold Medal, CAPRA/NRPA accreditation, and also IAPD/IPRA accreditation. The District performed the reaccreditation process in 2018 and once again received a perfect score of 151 out of 151. The reaccreditation for CAPRA is every five years, and we will submit again in 2022.

In 2013, the District received the Illinois Sunshine Award from the Illinois Policy Institute, a nonpartisan and nonprofit research organization that recognizes governments for their transparency. Numerous criteria are measured to ensure complete transparency of the government's operations to the public. Our District scored a 94%, which is the highest score ever received by an Illinois Park District. To see some of the information rated by this award, please visit our website heparks.org and click on the transparency/FOIA (Freedom of Information Act) tab. There you will find a complete five-year financial history and all related District documents. It also has a quick link to request District FOIA information. While the District still maintains full transparency on the website, the Illinois Sunshine award no longer exists.

The District is also accredited by the Park District Risk Management Association, of which the District is a member for purposes of pooling of insurance for liability, property, and casualty as well as for our employee health insurance. The District was accredited in 2005, 2009, 2013, and 2017. Reapplication is accepted every four years, and each time the District has received an exceptional rating and scored in the top one percent (1%) of all park district members in the pool. However, in 2017, the District received an all-time high score of 99.05 on the accreditation process. Reaccreditation for this was scheduled for 2021, but has been delayed by PDRMA as their process is evolving.

In 2013, 2015, and 2018, the District was named the Hoffman Estates Chamber of Commerce Public Sector of the Year as determined by the Hoffman Estates Chamber of Commerce, in which the District is an active member. The District was also awarded our annual accreditation from the National Association for the Education of Young Children (NAEYC) for both of our preschool locations (Triphahn Center and Willow Recreation Center). Due to COVID, the accreditation process through ExceleRate has been delayed due to their not performing on-site visits. We hope 2022 brings many such processes currently on hold back to normal.

For six years in a row, 2014-2019, we received the Four-Star Aquatic Safety Award from Starguard Aquatics Institute to recognize exceptional operational safety standards for lifeguard professionalism and excellence in risk management practices. After being closed for the 2020 season, we are pleased to say that we once again received the Four-Star Aquatic Safety Award for the 2021 season. In 2020, the District received third place in a statewide award given to a sports turf facility that is managed with a high degree of excellence by the SportsTurf Managers Association.

The District is fortunate to have a professional and dedicated Board of Commissioners to guide our District and a terrific administrative and business staff that take pride in performing at the highest levels while maintaining uncompromising integrity and sound financial policies. We sincerely appreciate all of the contributions of the entire business department staff in making this document first class. Finally, we wish to thank Lauterbach & Amen, LLP staff for the guidance and oversight of our audit process and the final presentation of our Annual Comprehensive Financial Report.

INDEPENDENT AUDITORS' REPORT

May 16, 2022

Members of the Board of Commissioners
Hoffman Estates Park District
Hoffman Estates, Illinois

Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Hoffman Estates Park District, Illinois, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Hoffman Estates Park District, Illinois, as of December 31, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management’s discussion and analysis and budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Hoffman Estates Park District, Illinois' basic financial statements. The other supplementary information and supplemental schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, other supplementary information and supplemental schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

MANAGEMENT'S DISCUSSION AND ANALYSIS

HOFFMAN ESTATES PARK DISTRICT, ILLINOIS

Management's Discussion and Analysis

December 31, 2021

Our discussion and analysis of the Hoffman Estates Park District's financial performance provides an overview of the District's financial activities for the fiscal year ended December 31, 2021. Please read it in conjunction with the transmittal letter, which can be found in the introductory section of this report and the District's financial statements, which can be found in the basic financial statements section of this report.

FINANCIAL HIGHLIGHTS

- The Hoffman Estates Park District's net position increased \$1,326,919, which is an increase of 40.7 percent from the prior year's restated net position of \$3,260,096. This is due to significant increases in charges for services (\$7,400,027 in 2021 compared to \$5,034,893 in 2020) as COVID restrictions were lifted. Grant and contribution revenue also increased (\$548,495 in 2021 compared \$142,975 in 2020).
- During the year, government-wide revenues for the primary government totaled \$18,068,543 while expenses totaled \$16,741,624, resulting in an increase to net position of \$1,326,919.
- The Hoffman Estates Park District's net position totaled \$4,587,015 on December 31, 2021, which includes (\$9,978,596) net investment in capital assets, \$5,996,866 subject to external restrictions, and \$8,568,745 unrestricted net position that may be used to meet the ongoing obligations to citizens and creditors.
- The General Fund reported a decrease for the year of \$216,659, prior to disposal of capital assets and transfers in of \$5,191. The net change in fund balance of (\$211,468) brings the fund balance in the General Fund to \$3,932,439, resulting in a decrease of 5.1 percent.
- Beginning net position/fund balance was restated due to the recognition of prior year grant revenue and allocation of bond proceeds between the correct funds.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities provide information about the activities of the District as a whole and present a longer-term view of the District's finances. For governmental activities, these statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the District's operations in more detail than the government-wide statements by providing information about the District's most significant funds.

Government-Wide Financial Statements

The government-wide financial statements provide readers with a broad overview of the District's finances, in a matter similar to a private-sector business.

The Statement of Net Position reports information on all of the District's assets/deferred outflows and liabilities/deferred inflows, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating. Consideration of other nonfinancial factors, such as changes in the District's property tax base and the condition of the District's infrastructure, is needed to assess the overall health of the District.

Management's Discussion and Analysis

December 31, 2021

USING THIS ANNUAL REPORT - Continued

Government-Wide Financial Statements - Continued

The Statement of Activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the District that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and government and recreation services. There are no business-type activities reported by the District.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All the funds of the District are reported as governmental funds.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate the comparison between governmental funds and governmental activities.

The District maintains nine individual governmental funds. Information is presented separately in the governmental fund balances sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Recreation Fund, Bridges of Poplar Creek Country Club Fund, The Club at Prairie Stone Fund, Debt Service Fund, and Capital Projects Fund, all of which are considered to be major funds, and the Illinois Municipal Retirement Fund, Social Security Fund and Special Recreation Fund, the District's nonmajor funds.

The District adopts an annual appropriated budget for all of the governmental funds. A budgetary comparison schedule for these funds has been provided to demonstrate compliance with this budget.

GOVERNMENT-WIDE FINANCIAL ANALYSIS - Continued

A large portion of the District's net position, (\$9,978,596), reflects its investment in capital assets (for example, land, buildings, machinery, and equipment), less any related debt used to acquire those assets that is still outstanding. The District uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the District's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion, \$5,996,866, of the District's net position represents resources that are subject to external restrictions on how they may be used. Essentially, these restrictions represent property taxes levied for a specific purpose. The remaining \$8,568,745, represents unrestricted net position and may be used to meet the government's ongoing obligations to citizens and creditors.

GOVERNMENT-WIDE FINANCIAL ANALYSIS - Continued

Governmental Activities

Revenues for governmental activities totaled \$18,068,543, while the cost of all governmental functions totaled \$16,741,624. This results in an increase of \$1,326,919. For the year ended December 31, 2020, revenues of \$15,362,345 were lower than expenses of \$16,362,271, resulting in a decrease of \$999,926. In 2021, the District recognized the \$190,468 in the remaining OSLAD grant funds for Birch Park and received a grant of \$288,406 from the Illinois Network of Child Care Resource & Referral Agencies. Charges for services increased by \$2,365,134 compared to the prior fiscal year due to the lifting of COVID restrictions. The District did not resume full staffing levels to minimize costs should COVID-19 mitigations again impacted charges for services.

The following chart graphically depicts the major revenue sources of the District. This graph illustrates that, more than half of the District's revenues come from charges for services and other general revenues.

Revenues by Source - Governmental Activities

The Expenses and Program Revenues Chart identifies those governmental functions where program expenses greatly exceed revenues. Although in the government-wide statements expenses normally exceed revenues, general revenues such as property and replacement taxes support the general government expenses, a portion of recreation expenses, and interest expenses. In 2021, the COVID-19 pandemic mitigation measures resulted in a reduction in revenue from charges for services in the early part of the year.

FINANCIAL ANALYSIS OF THE DISTRICT'S FUNDS

As noted earlier, the District uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the District's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The ending fund balance for the District's Governmental Funds combined is \$13,569,288 which is an increase of \$25,234, or 0.2 percent, from last year's restated total of \$13,544,054. The District's intent is to remain true to its fund balance policy that is discussed in the Notes to the Financial Statements, by transferring a portion of the excess balances to the Capital Projects Fund to assure that the District's existing assets are well maintained moving forward.

The General Fund is the chief operating fund of the District. At December 31, 2021, unassigned fund balance in the General Fund was \$1,303,226, which represents 33.1 percent of the total fund balance of the General Fund. As a measure of the General Fund's liquidity, it may be useful to compare unassigned fund balance to total fund expenditures. Unassigned fund balance in the General Fund represents approximately 28.0 percent of total General Fund expenditures. The General Fund reported a decrease of \$211,468 due to the development of Birch Park. This was an anticipated drawdown of reserves.

The Recreation Fund reported an increase for the year ended of \$972,437 or 73.4 percent, resulting in an ending fund balance of \$2,297,155. As patrons returned to the programs and services provided by the District, overhead costs were still strictly curtailed to enable the District to react quickly should circumstances change.

The Bridges of Poplar Creek Country Club Fund reported an increase for the year of \$404,313 or 88.6 percent, resulting in an ending fund balance of \$860,494. This is due to a rise in golf rounds. Golf was one of the few recreational opportunities available during COVID-19 restrictions which resulted in a surge in popularity. The course was closed until May 2020 due to early mitigation restrictions. Favorable spring weather allowed for greater course availability in the early part of 2021.

The Club at Prairie Stone Fund reported an increase for the year of \$290,374 or 856.3 percent, resulting in an ending fund balance of \$256,463. Fitness Centers were hit particularly hard by the COVID-19 restrictions. In 2020, the center remained closed for three months and the mask mandate was not lifted until May of 2021 and then reinstated in September.

The Debt Service Fund reported a decrease of \$386,564, to an ending fund balance of \$1,723,860. This was a planned decrease to reduce accumulated funds from prior year transfers from operations. The fund balance in the Debt Service Fund is restricted for future debt service payments.

The Capital Projects Fund reported a decrease in fund balance of \$388,043 to an ending fund balance of \$2,710,503. This is due to the planned spend down of resources for the TopTracer Driving Range project.

GENERAL FUND BUDGETARY HIGHLIGHTS

During 2021, the District did not revise the annual operating budget of the General Fund. The fund is reported as a major fund, and accounts for the routine park operations of the District. The overall performance of the fund was greater than budgeted. The actual revenues for the year total \$4,435,693, compared to budgeted revenue of \$4,470,304. The \$34,611 difference in projected and actual revenues was mainly due to \$64,622 in grants received from FEMA to cover costs incurred in relation to the pandemic. Expenditures were lower than budgeted by \$236,732. Positions that were not filled during 2020 were held open with those responsibilities shifting temporarily to salaried individuals.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

The District's investment in capital assets for its governmental activities as of December 31, 2021 was \$57,233,274 (net of accumulated depreciation). This investment in capital assets includes land, land improvements, construction, machinery and equipment, and vehicles.

	Capital Assets - Net of

CAPITAL ASSETS AND DEBT ADMINISTRATION - Continued

Debt Administration

At year-end, the District had total outstanding debt of \$63,410,000 as compared to \$64,210,000 the previous year, a decrease of 1.25 percent. The District's debt consists of General Obligation Bonds comprised of \$55,715,000 in Alternate Revenue Bonds and \$7,695,000 in Limited Bonds. The Limited Bonds are measured against the current legal debt limit of \$59,378,310. The following is a comparative statement of outstanding debt:

	Long-Term Debt Outstanding	
	2021	2020
General Obligation Park Bonds	\$ 63,410,000	64,210,000

The change is the result of issuing \$2,855,000 of General Obligation Limited Park Bonds with an offset of payments to principal.

The District was upgraded to an AA+ rating in 2010 by Standard and Poor's. The District has been able to maintain this rating despite the Illinois downgrades and pandemic impact. Standard and Poor's confirmed the AA+ rating in 2020. This is an excellent reflection of the District's financial strength.

Additional information on the District's long-term debt can be found in Note 3 of this report.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

Through conservative efforts to maintain its reserves and careful financial planning, the District's financial position continues to remain strong. Many trends and economic factors which can affect the future operations of the District are considered during budgeting and long-range planning. The District is committed to maintaining reserves and continually reviews ways to improve and maintain its capital assets and strong financial position to provide residents with excellent programs and facilities. The COVID-19 pandemic impacted operations in the early part of 2021, although we already see increases in memberships and participation near pre-pandemic levels.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the District's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional information should be directed to Office of the Director of Finance and Administration, Hoffman Estates Park District, 1685 West Higgins Rd, Hoffman Estates, Illinois 60169.

**Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of the
Governmental Funds to the Statement of Activities - Governmental Activities
For the Fiscal Year Ended December 31, 2021**

Net Change in Fund Balances - Total Governmental Funds	\$ 25,234
---	------------------

Amounts reported for governmental activities in the Statement of Activities
are different because:

Governmental funds report capital outlays as expenditures. However, in the
Statement of Activities the cost of those assets is allocated over their estimated
useful lives and reported as depreciation expense.

Capital Outlays	2,098,697
Depreciation Expense	(3,143,661)
Disposals - Cost	(309,957)
Disposals - Accumulated Depreciation	309,957

The net effect of deferred outflows (inflows) of resources related
to the pensions not reported in the funds.

Change in Deferred Items - IMRF	(1,078,140)
---------------------------------	-------------

The issuance of long-term debt provides current financial resources to
governmental funds, while the repayment of the principal on long-term
debt consumes the current financial resources of the governmental funds.

Change in Compensated Absences Payable	(23,209)
Change in Net Pension (Asset) - IMRF	2,290,297
Retirement of Long-Term Debt	3,655,000
Change in Premium on Debt Issuance	258,591
Issuance of Debt	(2,855,000)

Changes to accrued interest on long-term debt in the Statement of Activities
does not require the use of current financial resources and, therefore, are not
reported as expenditures in the governmental funds.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Hoffman Estates Park District (District) of Illinois is duly organized and existing under the provisions of the laws of the State of Illinois. The District is operating under the provisions of the Park District Code of the State of Illinois approved July 8, 1947 and under all laws amendatory thereto. The District operates under the commissioner-director form of government. The District's major governmental activities include providing preservation of open space, recreational program activities, development and maintenance of parks and facilities and general administration.

The government-wide financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant of the District's accounting policies established in GAAP and used by the District are described below.

REPORTING ENTITY

The District's financial reporting entity comprises the following:

Primary Government:	Hoffman Estates Park District
---------------------	-------------------------------

In determining the financial reporting entity, the District complies with the provisions of GASB Statement No. 61 "The Financial Reporting Omnibus - an Amendment of GASB Statements No. 14 and No. 34," and includes all component units that have a significant operational or financial relationship with the District. Based upon the criteria set forth in the GASB Statement No. 61, there are no component units included in the reporting entity.

BASIS OF PRESENTATION

Government-Wide Statements

The District's basic financial statements include both government-wide (reporting the District as a whole) and fund financial statements (reporting the District's major funds). The District's recreation services are classified as governmental activities.

In the government-wide Statement of Net Position, the governmental activities columns are: (a) presented on a consolidated basis by column, and (b) reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The District's net position is reported in three parts: net investment in capital assets; restricted net position; and unrestricted net position. The District first utilizes restricted resources to finance qualifying activities.

The government-wide Statement of Activities reports both the gross and net cost of each of the District's functions (general government, recreation, etc.). The functions are supported by general government revenues (property and personal property replacement taxes, certain intergovernmental revenues, interest income, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, which include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment.

BASIS OF PRESENTATION - Continued

Government-Wide Statements - Continued

The net costs (by function) are normally covered by general revenue (property tax, intergovernmental revenues, interest income, etc.). The District does not allocate indirect costs.

This government-wide focus is more on the sustainability of the District as an entity and the change in the District's net position resulting from the current year's activities.

Fund Financial Statements

The financial transactions of the District are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues and expenditures/expenses. All of the District funds are reported as governmental funds. An emphasis is placed on major funds within the governmental category. Nonmajor funds by category are summarized into a single column.

GASB Statement No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues or expenditures/expenses of either fund category or the governmental and enterprise combined) for the determination of major funds. The District electively added funds, as major funds, which either had debt outstanding or specific community focus. The nonmajor funds are combined in a column in the fund financial statements.

A fund is considered major if it is the primary operating fund of the District or meets the following criteria: District

Total assets/deferred outflows, liabilities/deferred inflows, revenues, or expenditures/expenses of that individual governmental fund are at least 10 percent of the corresponding total for all governmental funds combined.

The various funds are reported by generic classification within the financial statements. The following fund types are used by the District:

Governmental Funds

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the District:

General Fund is the general operating fund of the District. It accounts for all revenues and expenditures of the District which are not accounted for in other funds. The General Fund is a major fund.

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The District maintains six special revenue funds. The Recreation Fund, a major fund, is used to account for the proceeds derived from, and the related costs incurred, in connection with the recreation programs offered by the District. Financing is provided from an annual property tax levy restricted by the State for recreation purposed and fees and charges for programs and activities assigned for recreation purposes. The Bridges of Poplar Creek Country Club Fund, also a major fund, is used to account for the golf course and food and beverage operations at the Bridges of Poplar Creed Country Club. The Club at Prairie Stone Fund, also a major fund, is used to account for the proceeds derived from, and the related costs incurred, in connection with the recreational activities offered at the Club at Prairie Stone. The revenues in this fund are for the use with the Club activities and are assigned for this purpose.

Debt Service Funds are used to account for the accumulation of funds for the periodic payment of principal and interest on general long-term debt. The Debt Service Fund, a major fund, is used to account for the accumulation of funds that are restricted or assigned for repayment of principal and interest on the District's general obligation debt where repayment is financed by an annual property tax levy or through transfers from other funds.

Capital Projects Funds are used to account for financial resources to be used for the acquisition of construction of major capital facilities. The Capital Projects Fund, a major fund, is used to account for all resources used for restricted financial resources to be used for the acquisition or construction of major capital facilities.

MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

Measurement focus is a term used to describe “which” transactions are recorded within the various financial statements. Basis of accounting refers to “when” transactions are recorded regardless of the measurement focus applied.

Measurement Focus

On the government-wide Statement of Net Position and the Statement of Activities, governmental activities are presented using the economic resources measurement focus as defined below.

In the fund financial statements, the “current financial resources” measurement focus or the “economic resources” measurement focus is used as appropriate.

All governmental funds utilize a “current financial resources” measurement focus. Only current financial assets/deferred outflows and liabilities/deferred inflows are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.

The accounting objectives of the “economic resources” measurement focus is the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets/deferred outflows, liabilities/deferred inflows (whether current or noncurrent) associated with their activities are reported.

Basis of Accounting

In the government-wide Statement of Net Position and Statement of Activities, governmental activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability/deferred inflow is incurred or economic asset used. Revenues, expenses, gains, losses, assets/deferred outflows, and liabilities/deferred inflows resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Under this modified accrual basis of accounting, revenues are recognized when “measurable and available.” Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or within sixty days after year end. The District recognizes property taxes when they become both measurable and available in accordance with GASB Codification Section P70. A sixty-day availability period is used for revenue recognition for all other governmental fund revenues. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are recognized when due.

In applying the susceptible to accrual concept under the modified accrual basis, those revenues susceptible to accrual are property taxes, interest revenue, and charges for services. All other revenues are not susceptible to accrual because generally they are not measurable until received in cash.

ASSETS/DEFERRED OUTFLOWS, LIABILITIES/DEFERRED INFLOWS, AND NET POSITION OR EQUITY

Cash and Investments

For purpose of the Statement of Net Position, the District's cash and cash equivalents are considered to be cash on hand, demand deposits, and cash with fiscal agent.

Investments are generally reported at fair value. Short-term investments are reported at cost, which approximates fair value. For investments, the District categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. All of the District's investments are in 2a7-like investment pools that are measured at the net asset value per share determined by the pool.

Receivables

In the government-wide financial statements, receivables consist of all revenues earned at year-end and not yet received. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable. Major receivables balances for governmental activities include property taxes.

Prepays/Inventories

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaids in both the government-wide and fund financial statements. Prepays/inventories are valued at cost, which approximates market, using the first-in/first-out (FIFO) method. The costs of governmental fund-type prepaids/inventories are recorded as expenditures when consumed rather than when purchased.

Interfund Receivables, Payables and Activity

Interfund activity is reported as loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers.

ASSETS/DEFERRED OUTFLOWS, LIABILITIES/DEFERRED INFLOWS, AND NET POSITION OR EQUITY - Continued

Capital Assets

Capital assets purchased or acquired with an original cost of \$5,000 or more, depending on asset class, are reported at historical cost or estimated historical cost. Contributed assets are reported at acquisition value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. General capital assets are long-lived assets of the District as a whole. When purchased, such assets are recorded as expenditures in the governmental funds and capitalized. Infrastructure such as streets, traffic signals and signs are capitalized. The valuation basis for general capital assets are historical cost, or where historical cost is not available, estimated historical cost based on replacement costs.

Depreciation on all assets is computed and recorded using the straight-line method of depreciation over the following estimated useful lives:

Land Improvements	15 Years
Construction	10 - 15 Years
Machinery and Equipment	7 - 15 Years
Vehicles	8 Years

Deferred Outflows/Inflows of Resources

Deferred outflow/inflow of resources represents an acquisition/reduction of net position that applies to a future period and therefore will not be recognized as an outflow of resources (expense)/inflow of resources (revenue) until that future time.

Compensated Absences

The District accrues accumulated unpaid vacation and associated employee-related costs when earned (or estimated to be earned) by the employee. In accordance with GASB Statement No. 16, no liability is recorded for nonvesting accumulation rights to receive sick pay benefits. However, a liability is recognized for that portion of accumulated sick leave that is estimated to be taken as “terminal leave” prior to retirement.

All vacation pay is accrued when incurred in the government-wide fund financial statements. A liability for these amounts is reported in the governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

Long-Term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities Statement of Net Position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as expenses at the time of issuance.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Net Position

In the government-wide financial statements, equity is classified as net position and displayed in three components:

Net Investment in Capital Assets - Consists of capital assets, including restricted capital assets, net of accumulated depreciation, and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted - Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Unrestricted - All other net position balances that do not meet the definition of "restricted" or "net investment in capital assets."

BUDGETARY INFORMATION

The District's budgetary operations are governed by the appropriation law detailed in the Illinois Park District Code and administered by the Director of Administration and Finance. Annually, before the end of the first quarter of each year, the District appropriates amounts necessary to defray all necessary expenditures identified in the budget, plus additional specifically identified contingent items. The appropriation law allows for transfers among categories in any fund, not to exceed an aggregate of 10% of the total amount appropriated in such fund, without additional District Board action. After the first six months of any fiscal year, the District Board may, by a two-thirds vote, amend the initially approved appropriation ordinance. Unused appropriations, lapse at the end of the year.

BUDGETARY INFORMATION - Continued

Budgetary information for individual funds is prepared on the same basis as the basic financial statements. The budget is prepared in accordance with the Illinois Park District Code and is derived from the combined annual budget and appropriation ordinance of the District. Working budgets are prepared for all governmental fund types. All budgets are prepared based on the annual fiscal year of the District. Budgetary funds are controlled by an integrated budgetary accounting system in accordance, where applicable, with various legal requirements which govern the District.

Expenditures may not legally exceed budgeted appropriations at the fund level.

EXCESS OF ACTUAL EXPENDITURES OVER BUDGET IN INDIVIDUAL FUNDS

The following funds had an excess of actual expenditures over budget but not over the appropriation for the fiscal year:

<u>Fund</u>	<u>Actual</u>	<u>Budget</u>	<u>Appropriation</u>
Recreation	\$ 4,001,717	3,785,942	6,246,522
Illinois Municipal Retirement	363,878	346,565	1,145,958

Special Recreation	507,924	461,640	1,047,579

NOTE 3 - DETAIL NOTES ON ALL FUNDS

DEPOSITS AND INVESTMENTS

The District maintains a cash and investment pool that is available for use by all funds. Each fund type's portion of this pool is displayed on the combined balance sheet as "cash and investments." In addition, investments are separately held by several of the District's funds.

Permitted Deposits and Investments - Statutes authorize the District to make deposits/invest in commercial banks, savings and loan institutions, obligations of the U.S. Treasury and U.S. Agencies, obligations of States and their political subdivisions, credit union shares, repurchase agreements, commercial paper rated within the three highest classifications by at least two standard rating services, and the Illinois Park District Liquid Asset Fund.

The Illinois Park District Liquid Asset Fund allows Illinois park districts, forest preserves and joint recreational programs to pool their funds for investment purposes. The Illinois Park District Liquid Asset Fund is composed of finance officials and treasurers all of whom are employees of the Illinois public agencies, which are investors in the Illinois Park District Liquid Asset Fund. The Illinois Park District Liquid Asset Fund is not registered with the SEC as an investment company. Regulatory oversight of the pool is managed by their Board of Trustees and Audit Committee. Investments in the Illinois Park District Liquid Asset Fund are valued at the share price, the price for which the investment could be sold.

Interest Rate Risk, Credit Risk, Concentration Risk, and Custodial Credit Risk

Deposits. At year-end, the carrying amount of the District's deposits totaled \$5,189,823 and the bank balances totaled \$6,901,773.

Investments. The District has the following recurring fair value measurements as of December 31, 2021:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments by Fair Value Level	Totals			
Equity Securities				
Mutual Funds	\$ 5,946,680	5,946,680	—	—
Investments Measured at the Net Asset Value (NAV)				
IPDLAF	3,238,638			
		9,185,318		

Interest Rate Risk. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The District limits its exposure to interest rate risk by structuring its investments so that they mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity, and by investing operating funds primarily in shorter term certificates. The District's investment in the Illinois Park District Liquid Asset Fund and the mutual funds have an average maturity of less than one year.

Credit Risk. Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. State law limits the District's investments to the instruments listed above as permitted deposits and investments. As of December 31, 2021, the District's investment in the Illinois Park District Liquid Asset Fund was rated AAAM by Standard & Poor's.

Concentration of Credit Risk. Concentration of credit risk is the risk of loss attributed to the magnitude of the District's investment in a single issuer. The District's investment policy does not include any limitations on individual investment types. In addition to the securities and fair values listed above, the District also has \$5,946,680 invested in mutual funds. At year-end, the District does not have any investments over 5 percent of the total cash and investment portfolio (other than investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments).

Interest Rate Risk, Credit Risk, Concentration Risk, and Custodial Credit Risk - Continued

Custodial Credit Risk. In the case of deposits, this is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District's investment requires pledging of collateral to be held in the name of the District by the District's agent with a market value of at least 110% for all bank balances in excess of federal depository insurance. At December 31, 2021, the entire amount of the bank balance of the deposits was covered by federal depository or equivalent insurance.

For an investment, this is the risk that, in the event of the failure of the counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The District's investment policy does not address custodial credit risk for investments. At December 31, 2021, the District's investment in the Illinois Park District Liquid Asset Fund is not subject to custodial credit risk.

PROPERTY TAXES

Property taxes for 2020 attach as an enforceable lien on January 1 on property values assessed as of the same date. Taxes are levied by December of the subsequent fiscal year (by passage of a Tax Levy Ordinance). Tax bills are prepared by the County and are payable in two installments, on or about March 1 and August 1. The County collects such taxes and remits them periodically. The allowance for uncollectible taxes has been stated at 1% of the tax levy, to reflect actual collection experience.

INTERFUND TRANSFERS

Interfund transfers for the year consisted of the following:

Transfers In	Transfers Out	Amount
General	Nonmajor Governmental	\$ 3,780
Recreation	Nonmajor Governmental	45,900
Bridges of Poplar Creek Country Club	Nonmajor Governmental	9,180
The Club at Prairie Stone	Nonmajor Governmental	27,000
Debt Service	Bridges of Poplar Creek Country Club	100,000
Debt Service	Recreation	750,000
		<u>935,860</u>

FUND BALANCE CLASSIFICATIONS

In the governmental funds financial statements, the District considers restricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available. The District first utilizes committed, then assigned and then unassigned fund balance when an expenditure is incurred for purposes for which all three unrestricted fund balances are available.

Nonspendable Fund Balance. Consists of resources that cannot be spent because they are either: a) not in a spendable form; or b) legally or contractually required to be maintained intact.

Restricted Fund Balance. Consists of resources that are restricted to specific purposes, that is, when constraints placed on the use of resources are either: a) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance. Consists of resources constrained (issuance of an ordinance) to specific purposes by the government itself, using its highest level of decision-making authority, the Board of Commissioners; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest-level action to remove or change the constraint.

Assigned Fund Balance. Consists of amounts that are constrained by the Board of Commissioners' intent to be used for specific purposes but are neither restricted nor committed. Intent is expressed by a) the Board of Commissioners itself or b) a body or official to which the Board of Commissioners has delegated the authority to assign amounts to be used for specific purposes. The District's highest level of decision-making authority is the Board of Commissioners, who is authorized to assign amounts to a specific purpose.

Unassigned Fund Balance. Consists of residual net resources of a fund that has not been restricted, committed, or assigned within the General Fund and deficit fund balances of other governmental funds.

Minimum Fund Balance Policy. The District's fund balance policy states the General Fund should maintain a minimum unassigned fund balance reserve equal to 40% of the actual operating expenditures and 25% for all other funds.

RISK MANAGEMENT - Continued

Park District Risk Management Agency (PDRMA) - Continued

As a member of PDRMA, the District is represented on the Board of Directors and is entitled to one vote. The relationship between the District and PDRMA is governed by a contract and by-laws that have been adopted by resolution of the District's governing body.

The District is contractually obligated to make all annual and supplementary contributions to PDRMA, to report claims on a timely basis, cooperate with PDRMA, its claims administrator and attorneys in claims investigations and settlement, and to follow risk management procedures as outlined by PDRMA.

Members have a contractual obligation to fund any deficit of PDRMA attributable to a membership year during which they were a member.

PDRMA is responsible for administering the self-insurance program and purchasing excess insurance according to the direction of the Program Council. PDRMA also provides its members with risk management services, including the defense of and settlement of claims, and establishes reasonable and necessary loss reduction and prevention procedures to be followed by the members.

The following represents a summary of PDRMA's Property/Casualty Program balance sheet at December 31, 2020 and the statement of revenues and expenses for the period ending December 31, 2020. The District's portion of the overall equity of the pool is 1.770% or \$1,004,854.

Total Net Position		56,758,119
Operating Revenues		19,454,155
Nonoperating Revenues		4,109,196
Expenditures		16,158,333

Since 89.98% of PDRMA's liabilities are reserves for losses and loss adjustment expenses which are based on an actuarial estimate of the ultimate losses incurred, the Member Balances are adjusted annually as more recent loss information becomes available.

Park District Risk Management Agency (PDRMA) Health Program

Since 1990, the District has been a member of the Park District Risk Management Agency (PDRMA) Health Program, a health insurance pool of park districts, special recreation associations and public service organizations through which medical, vision, dental, life and prescription drug coverages are provided in excess of specified limits for the members, acting as a single insurable unit. The pool purchases excess insurance covering single claims over \$250,000. Until January 1, 2001 the PDRMA Health Program was a separate legal entity formerly known as the Illinois Park Employees Health Network (IPEHN).

Members can choose to provide any combination of coverages available to their employees, and pay premiums accordingly.

As a member of the PDRMA Health Program, the District is represented on the Health Program Council as well as the Membership Assembly and is entitled to one vote on each. The relationship between the member agency and PDRMA Health Program is governed by a contract and by-laws that have been adopted by a resolution of each member's governing body. Members are contractually obligated to make all monthly payments to the PDRMA Health Program and to fund any deficit of the PDRMA Health Program upon dissolution of the pool. They will share in any surplus of the pool based on a decision by the Health Program Council.

The following represents a summary of PDRMA's Health Program balance sheet at December 31, 2020 and the statement of revenues and expenses for the period ending December 31, 2020.

CONTINGENT LIABILITIES

Litigation

The District is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the District's attorney the resolution of these matters will not have a material adverse effect on the financial condition of the District.

Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the District expects such amounts, if any, to be immaterial.

Financial Impact from COVID-19

In March 2020, the World Health Organization declared the COVID-19 virus a public health emergency. As of the date of this report, the extent of the impact of COVID-19 on the District's operations and financial position cannot be determined.

LEASE COMMITMENTS

The District has entered into three operating leases with unrelated parties for equipment used at the Bridges of Poplar Creek Country Club. Two leases had terms of 48 months which expired in 2016. The third lease had a term of 60 months which expires in 2021. The total of equipment rent expenditures for the District was \$28,206 for the fiscal year ended December 31, 2021.

JOINT VENTURES - NORTHWEST SPECIAL RECREATION ASSOCIATION

The District is a member of the Northwest Special Recreation Association (NWSRA), an association of seventeen area park districts that provides recreation programs and other activities for handicapped and impaired individuals. Each member agency shares ratably in NWSRA, and generally provides funding based on its equalized assessed valuation. For the fiscal year ended December 31, 2021, the District contributed \$311,405 to NWSRA.

The District does not have a direct financial interest in NWSRA, and therefore its investment therein is not reported within the financial statements. Upon dissolution of NWSRA, the assets, if any, shall be divided between the members, in accordance with an equitable formula, as determined by a unanimous vote of the NWSRA's Board of Directors.

Complete separate financial statements for NWSRA can be obtained from NWSRA's administrative offices at 3000 Central Road, Rolling Meadows, Illinois.

EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLAN

Illinois Municipal Retirement Fund (IMRF)

The District contributes to the Illinois Municipal Retirement Fund (IMRF), a defined benefit agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for local governments and school districts in Illinois. IMRF issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole, but not by individual employer. That report may be obtained online at www.imrf.org. The benefits, benefit levels, employee contributions, and employer contributions are governed by Illinois Compiled Statutes (ILCS) and can only be amended by the Illinois General Assembly.

Plan Descriptions

Plan Administration. All employees hired in positions that meet or exceed the prescribed annual hourly standard must be enrolled in IMRF as participating members. The plan is accounted for on the economic resources measurement focus and the accrual basis of accounting. Employer and employee contributions are recognized when earned in the year that the contributions are required, benefits and refunds are recognized as an expense and liability when due and payable.

Benefits Provided. IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

IMRF provides two tiers of pension benefits. Employees hired *before* January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired *on or after* January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the *lesser* of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

Plan Membership. As of December 31, 2021, the measurement date, the following employees were covered by the benefit terms:

Inactive Plan Members Currently Receiving Benefits	85
Inactive Plan Members Entitled to but not yet Receiving Benefits	158
Active Plan Members	<u>107</u>
Total	<u><u>350</u></u>

Contributions. As set by statute, the District's Regular Plan Members are required to contribute 4.5% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. For the year-ended December 31, 2021, the District's contribution was 7.63% of covered payroll.

Net Pension (Asset). The District's net pension (asset) was measured as of December 31, 2021. The total pension liability used to calculate the net pension (asset) was determined by an actuarial valuation as of that date.

Actuarial Assumptions. The total pension liability was determined by an actuarial valuation performed, as of December 31, 2021, using the following actuarial methods and assumptions:

Actuarial Cost Method	Entry Age Normal
Asset Valuation Method	Fair Value
Actuarial Assumptions	
Interest Rate	7.25%
Salary Increases	2.85% to 13.75%
Cost of Living Adjustments	2.25%
Inflation	2.25%

Actuarial Assumptions - Continued. For nondisabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Retiree, Male (adjusted 106%) and Female (adjusted 105%) tables, and future mortality improvements projected using scale MP-2020. For disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Disabled Retiree, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020. For active members, the Pub-2010, Amount-Weighted, below-median income, General, Employee, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return to the target asset allocation percentage and adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target	Long-Term Expected Real Rate of Return
Fixed Income	25.00%	2.00%
Domestic Equities	39.00%	4.50%
International Equities	15.00%	5.75%
Real Estate	10.00%	5.90%
Blended	10.00%	4.30% - 8.10%
Cash and Cash Equivalents	1.00%	1.70%

Discount Rate

The discount rate used to measure the total pension liability was 7.25%, the same as the prior valuation. The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that District contributions will be made at rates equal to the difference between the actuarially determined contribution rates and the member rate. Based on those assumptions, the Fund's fiduciary net position was projected to be available to make all project future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all period of projected benefit payments to determine the total pension liability.

OTHER POST-EMPLOYMENT BENEFITS

The District has evaluated its potential other post-employment benefits liability. Former employees who choose to retain their rights to health insurance through the District are required to pay 100% of the current premium. However, there is minimal participation. As the District provides no explicit benefit, and there is minimal participation, there is no material implicit subsidy to calculate in accordance with GASB Statement No. 75, *Accounting and Financial Reporting for Post-Employment Benefits Other Than Pensions*. Therefore, the District has not recorded a liability as of December 31, 2021.

INDIVIDUAL FUND DESCRIPTIONS

GENERAL FUND

The General Fund is used to account for all financial resources except those required to be accounted for in another fund.

SPECIAL REVENUE FUNDS

The Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than fiduciary funds or capital projects funds) that are legally restricted to expenditure for specified purposes.

Recreation Fund

The Recreation Fund is used to account for the proceeds derived from, and the related costs incurred, in connection with the recreation programs offered by the District. Financing is provided from an annual property tax levy restricted by the State for recreation purposed and fees and charges for programs and activities assigned for recreation purposes.

Bridges of Poplar Creek Country Club Fund

The Bridges of Poplar Creek Country Club Fund is used to account for the golf course and food and beverage operations at the Bridges of Poplar Creed Country Club.

The Club at Prairie Stone Fund

The Club at Prairie Stone Fund is used to account for the proceeds derived from, and the related costs incurred, in connection with the recreational activities offered at the Club at Prairie Stone. The revenues in this fund are for the use with the Club activities and are assigned for this purpose.

Illinois Municipal Retirement Fund

The Illinois Municipal Retirement Fund (IMRF) is used to account for the activities resulting from the District's participation in IMRF. Financing is provided by a restricted annual property tax levy, which produces a sufficient amount to pay the District's contributions to IMRF on behalf of the District's employees and can only be used for this purpose.

Social Security Fund

The Social Security Fund is used to account for the District's obligation for Social Security and Medicare taxes. Financing is provided by a restricted annual property tax levy, which produces the majority of the District's contribution and can only be used for this purpose.

INDIVIDUAL FUND DESCRIPTIONS

SPECIAL REVENUE FUNDS - Continued

Special Recreation Fund

The Special Recreation Fund is used to account for the expenditures in connection with the District's participation in Northwest Special Recreation Association, which provides recreation programs to the handicapped and impaired. Financing is provided from the restricted annual property tax levy, the proceeds of which can only be used for this purpose.

DEBT SERVICE FUND

The Debt Service Fund is used to account for the accumulation of funds that are restricted or assigned for repayment of principal and interest on the District's general obligation debt where repayment is financed by an annual property tax levy or through transfers from other funds.

CAPITAL PROJECTS FUND

The Capital Projects Fund is used to account for all resources used for restricted financial resources to be used for the acquisition or construction of major capital facilities.

(1) Total EAV of property based on the Assessed Valuation of property determined by the Cook County Assessor based on 10% of fair market value for residential property and 25% of fair value for commercial and industrial property (except for certain exemptions) equalized by the Equalization Factor calculated by the Illinois Department of Revenue applicable to Cook County. Accordingly, the EAV before exemptions and tax increment should approximate 33% of the market value of taxable property in the District.

(2) Total Equalized Assessed Valuation of the District is reduced by Homeowners Exemptions and the Tax Increment (the EAV of property in a Tax Increment District that exceeds the Frozen Level at the inception of the Tax Increment District) for purpose of billing and collection general property taxes for the District.

(3) The Total Estimated Market Value of the District is based on the EAV before Homeowners Exemptions and Tax Increment multiplied by 3. This calculation assumes that the countywide Equalization Factor adjusts Assessed Value in the District to one third of market value.

(1) User fees are gross user fees or charges for services from the District Special Revenue Funds including Recreation Programs, Bridges of Poplar Creek Country Club (golf), and The Club at Prairie Stone. User fees not used to fund Alternate Revenue Bond debt service may be spent for any other District governmental purpose.

(2) Annual Limited Bond Proceeds are derived from the issuance of general obligation bonds payable from dedicated debt service levy from the District's Debt Service Extension Base. Any portion of Annual Limited Bond proceeds not required to fund Alternate Revenue Bond debt service is used to fund District capital projects.

(3) Pledged Revenues are intended to pay debt service on December 1 of the current fiscal year and the following June 1 payment (the Annual Debt Service Requirement). Capitalized interest and Build America Bond rebates are not reflected in these amounts.

(4) The District has covenanted to maintain Pledged Revenues in an annual amount that is at least 125% of the Annual Debt Service Requirement. If there are not sufficient Pledged Revenues, the District could levy Pledged Taxes to fund any shortfall of Pledged Revenues. This has never occurred since the District has issued Alternate Revenue Bonds.

HOFFMAN ESTATES PARK DISTRICT MEMORANDUM # M22-050

To: Administration & Finance Committee
From: Craig Talsma, Executive Director
Nicole Hopkins, Director of Finance & Administration
John Agudelo, Information Technology Manager
Date: May 24, 2022
Re: Comcast Network Infrastructure Renewal

Background

In May 2021, the District signed a three (3)-year contract with Comcast to upgrade its fiber network infrastructure to include The Club at Prairie Stone (PS) and Vogelei barn (VOG). The fiber optic lines between our facilities have provided significantly stable and faster network speeds for the ever increasing needs of our internet based business applications. This contract with Comcast is set to expire May 2024.

Staff has been planning to renew this contract early in order to realign our services, upgrade speeds, and lock in the current pricing for next three (3) years.

Implications

We are highly invested in Comcast's enterprise fiber solutions and have been extremely satisfied with not only the overall performance but the standard of care and minimal downtime the District has experienced. This proposed renewal and upgrade includes:

- All facilities will see increased speeds with an upgrade to their bandwidth.
- A significant cost savings at Vogelei barn (VOG) with the removal of their dedicated 100Mbps fiber internet line. Comcast was able to provide a 1000Mbps business-class public internet based on its Coax line which provided more than adequate internet access speed for the e-sports computers.

Below is a table that summarizes the changes as well as the associated costs.

Comcast Business					
Products:	Ethernet Network Service (ENS)-Priority, Ethernet Dedicated Internet (EDI)				
Location & Existing Service Type	Existing Monthly Recurring Charge	Location & Service Type Upgrade	New Monthly Recurring Charge	Change from Existing Monthly Charge	Contract Terms
TRIPHAHN CENTER, 300MBPS EDI & 200MBPS ENS FIBER	\$2,504.00	TRIPHAHN CENTER, 300MBPS EDI & 500MBPS ENS FIBER	\$2,604.00	\$100.00	36-MONTHS
BRIDGES OF POPLAR CREEK GC, 40MBPS ENS FIBER	\$475.00	BRIDGES OF POPLAR CREEK GC, 100MBPS ENS FIBER	\$575.00	\$100.00	36-MONTHS
PARKS MAINTENANCE GARAGE, 100MBPS EDI & 200MBPS ENS FIBER	\$1,842.00	PARKS MAINTENANCE GARAGE, 200MBPS EDI & 200MBPS ENS FIBER	\$1,942.00	\$100.00	36-MONTHS
PRAIRIE STONE, 40MBPS ENS COAX	\$475.00	PRAIRIE STONE, 100MBPS ENS FIBER	\$575.00	\$100.00	36-MONTHS
WILLOW REC CENTER, 20MBPS ENS FIBER	\$313.00	WILLOW REC CENTER, 50MBPS ENS FIBER	\$370.00	\$57.00	36-MONTHS
VOGELEI BARN, 100MBPS EDI & 20MBPS ENS	\$1,380.00	VOGELEI BARN, 50MBPS ENS	\$370.00	-\$1,010.00	36-MONTHS
Total	\$6,989.00		\$6,436.00	-\$553.00	

In terms of monthly costs, Triphahn (TC), Parks Maintenance (PARKS), Bridges of Poplar Creek (BPC), and The Club at Prairie Stone (PS) will see an increase of \$100/month. Willow Recreation (WRC) will see an increase of \$57/month. Vogelei Barn (VOG) will have the largest reduction cost at -\$1,010.00. Business Class Coax-based internet at VOG for 1000Mbps is \$365/month.

The total cost of Comcast’s proposal is \$6,436 per month (plus taxes and surcharges) for a three-year contract. The District is currently paying \$6,989 per month (plus taxes and surcharges) for a savings of -\$553 per month. Comcast’s knowledgeable account team, excellent reputation, and impressive Service Level Agreements (SLA), will provide the District with stable and scalable bandwidth as our needs change and increase in the future. The contracting of data services is not required to be bid and the District may enter into a three year contract for such services.

Recommendation

The A&F Committee recommends to the full board to enter into a three-year contract with Comcast to provide the District the outlined network infrastructure renewal and upgrade for a base monthly cost of \$6,436 plus taxes & surcharges.

RE: Balanced Scorecard
DATE: May 24, 2022

Background

According to the definition from Wikipedia, “*the **Balanced Scorecard (BSC)** is a strategy tool - a semi-standard structured, supported by design methods and automation tools, that can be used by managers to keep track of the execution of activities by the staff within their control and to monitor the consequences arising from these actions*”

The phrase 'Balanced scorecard' is commonly used in two broad forms:

- 1. As individual scorecards that contain measures to manage performance, those scorecards may be operational or have a more strategic intent; and*
- 2. As a Strategic Management System, as originally defined by Kaplan & Norton.*

Key components in utilizing the Balanced Scorecard methodology

- its focus on the strategic agenda of the organization concerned*
- the selection of a small number of data items to monitor*
- a mix of financial and non-financial data items.”*

Implications

The goal of the balanced scorecard is to provide a snapshot view of key components at a specific point in time and to have an annual year to year comparison. This allows us to determine on a very broad spectrum the direction in which the District is moving. Given the events of the past year, the scorecard will be an important measure of the District’s recovery.

These key components are not being analyzed on a valuation to current budgets or forecasts as much as to the same time period in previous years. Those types of evaluations are provided in the monthly Recreation Committee participation reports and the financial statements in the A&F Committee reports. The Balanced Scorecard comparison gives us a broad overview as to the

direction the District is moving with regard to our overall mission, values and goals. The Balanced Scorecard reports year to date numbers and compare these numbers to previous year for the same time period.

Some items of note:

- The decrease in sessions offered reflects the transition back to group lessons from private lessons. Group lessons run several days over the course of weeks, private lessons consist of a single day and time for each person.
- Participation increased over prior year as capacity restrictions for youth activities were lifted for 2022.
- Golf rounds and baskets are down slightly from 2021 due to unfavorable weather conditions in 2022.
- Visits are up overall. Beginning in March 2022, Covid related restrictions were lifted increasing visits at the Club.
- As the District's high interest CDs mature, interest income is declining. A new investment vehicle with the Illinois Park District Liquid Asset Fund is allowing the District to receive better returns without locking in to current low rates long term. Additionally, cd rates are starting to improve so the District should have a better opportunity as the year progresses.
- Facility rentals in the first quarter of 2021 were down as capacity limitations did not allow for hockey tournaments and league rentals.
- Donations, Grants & Sponsorships have declined due to the end of the Early Childhood Grants that were administered through the state.

Recommendation

Staff recommends the Board approve the Balanced Scorecard for the first quarter 2022.

HOFFMAN ESTATES PARK DISTRICT MEMORANDUM NO M22-051

TO: A&F Committee
FROM: Craig Talsma, Executive Director
Peter Cahill, Director of Administrative Services
Catalina Rodelo, HR Manager
RE: A&F Board Report
DATE: May 24, 2022

A. Administrative Services

- Assigned all appropriate employees DCFS Mandated Reporter training. The law changed in 2020, which now requires employees who work with children or in facilities with children’s programming to complete training every three years.
- Implemented the new Illinois Whistleblower Act into new hire orientation and will inform all employees later this summer.
- Completed research into new applicant tracking systems. The work group, including Alisa Kapusinski, Brian Bechtold and Nicole Hopkins, selected BreezyHR as our new provider. However, we decided to make it a 2023 project because our annual fee for Applitrack has already been paid.
- Assisted the Finance department on the annual audit.
- Restarted the Safety Committee and held our first meeting on April 20. The Committee will be holding meetings quarterly.
- Updated our new full-time employee onboarding. Solicited information from each department to determine what information is necessary for new full-time and part-time employees.
- Handled a confidential issue regarding the background check of a prospective employee. Worked with PDRMA attorneys to develop an adverse action notification for this prospective employee pursuant to the new Illinois law passed in 2021.
- Managed a confidential employee separation issue with Parks.

B. Human Resources

- Managed the **new** employment interest forms and the “Now-Hiring” page.
- Created a full-time benefits summary, which had not been done in almost ten years. This summary can be provided to employees during their orientation or during the hiring process.
- Processed 10 new part-time hires
- Processed 2 new full-time hire, Mark Hafner, FT Bridges building maintenance associate and Scott Meyer, Willow Recreation Center Facility Manager.
- Conducted with Peter Cahill new employee orientation for new FT Preschool Teacher – Sajida Sultana and new FT Bridges building maintenance associate, Mark Hafner.
- Attended PDRMA’s Hot Topics, Updates and Best Practices for Claims Webinar
- Held first annual 2022 seasonal employees onboarding orientation at Parks facility.
- Attended Palatine Library’s Job Fair to promote summer seasonal positions

C. Recommendation

Staff recommends that the A&F Committee forward the May Administrative Services Report to be included in the May Executive Director’s Report for Board approval.

A. Finance/Administration

- Researched and analyzed available information to address the District’s hiring and turnover issues.
- Determined and tested solution to improve new hire document flow in PandaDoc to automate distribution of documents to departments that need them while preserving employee privacy.
- Processed applicable monthly returns as required.
- Processed applicable quarterly returns as required.
- Processed Club/TC/WRC cancellations, including attaching documentation to RecTrac household member and member holds prior to May billing.
- Completed BSA software updates.
- RecTrac Enhancements/Processes
 - Dance recital tickets for online purchase
 - Seascape cabana rentals
 - Daily drop-in for fitness and volleyball
 - Created new PT staff passes
- Payroll Cycle Processing
 - 04/01/22 \$270,912.10
 - 04/15/22 \$296,668.87
 - 04/29/22 \$302,799.06

Administrative Registration for:

- a. Scholarship Applications
- b. Waitlist Enrollments
 - a. STEAM Camp
 - b. Swim
 - c. Soccer
- c. Prime Hockey transfers
- d. Inter-Village Soccer transfers

C. Technology

- Updated security camera at WRC skate park.
- Deployed three (3) of the four (4) new Reach computers/TVs.
- The Active Directory integration for the Mitel phone system has been completed, which has eliminated the need for a separate password.
- The SSL certificate has been installed on all devices and converted RecTrac to a secure https:// link.
- Four (4) monitors have been purchased and deployed for administrative staff.
- Preparing Seascape equipment for seasonal deployment.
- Worked with Watchfire and Walton Signage to determine the scope of warranty on all Marquee signs. All parts are under warranty until 2024 with the exception of the 3G modems. The cellular modems were an added component to the product for use in communicating with the signs, however, the modems were not manufactured by Watchfire, so were only covered by the product's warranty as provided for by the product's manufacturer. The existing modems are not defective; however, there will be a compatibility issue once the network provider no longer offers a 3G option. This is a Carrier decision and not a product defect.
 - a. The cost for each modem is \$995 and we will need eight (8). One modem per panel and we have four (4) signs with two (2) panels each. We budgeted \$9,000 this year for the Marquee signs.

D. Recommendation

Staff recommends that the A&F Committee forward the May Administration & Finance Report to be included in the May Executive Director's Report for Board approval.
