

Qualifications for Freestyle ice

Freestyle requirements

Must be Basic 3/Snowplow Sam 3 level or higher to be on Freestyle ice, unless you're in a private lesson.

If you have never skated before, Basic 2/Snowplow Sam 2 level or below, you must be accompanied by a one of our staff coaches for a scheduled private lesson. You can skate for the length of your private and must exit the ice following the private.

We do offer, open public skate for all levels. Please visit heparks.org and follow the link for public dates/days/times and fee. Pre-register to avoid the lines and save.

What is Freestyle ice for?

Freestyle ice is for skaters with some experience to practice their skills, take private lessons, to practice their routines/programs and train for competitions.
