

New Park & Playground at Seascape Family Aquatic Center

The new park to be located at Seascape Family Aquatic Center will serve an area of Hoffman Estates that does not have a park within a ½ mile walk of their residents. The new park will feature a state-of-the-art playground with synthetic grass as the fall surface, open green space around the playground, shelter with picnic tables and will be completely fenced in.

The anticipated opening date for the park is May 16, 2025.
