Expectations:

Attendance: All dancers are expected to attend each weekly class. Elite Tap relies on the strength of the entire team. Dancers should also always bring a writing utensil notebook and closed lid water bottle to class each week.

- If you are going to be absent, the instructors must be notified at least 1 weeks prior unless for illness. If multiple classes are missed, it may affect participation in dance performances/competitions.
- We understand Elite Tap dancers are involved in other activities but please keep in mind that missing a dance class impacts not only the dancer that is absent but their fellow dancers as well! Exceptions can be made for school events if notified at least a week in advance.
- Dancers are expected to be in all choreography classes and dress rehearsals the week of a competition/performance. Failure to attend choreography classes and dress rehearsal the week of a competition could result in not dancing at that weekend's competition/performance.
- Dancers should be arriving at least 5 minutes before class time to get dressed and stretched in the hallway before class/rehearsal.
- Each company has their own rehearsal time, dancers may not come in during another company's rehearsal time unless invited in early by the teacher to view dances.
- Each company has their own rehearsal time, dancers may not come in during another company's rehearsal time unless invited in early by the teacher to view dances.
- If classes are missed, it is the responsibility of the dancer to learn any new choreography.
- If dancer is more than 10 minutes late dancer must stretch on their own in class before being invited to join in on the class.
- Arriving more than 15 minutes late to class or leaving 15 minutes early from class counts as half an absence.

Accountability:

- All dancers are expected to have respect for peers and teachers during classes, rehearsals and performances. Consequences can arise if being disrespectful.
- All Elite Tap dancers are expected to behave in a professional manner in all classes, rehearsals and performances.
- Dancers are expected to keep talking to a minimum and stay focused on what is being taught in class. If a dancer is asked to stop talking more than 2 times in class, the dancer will be asked to leave class and will be invited back in by the teacher.
- Elite Tap dancers should act as role models for younger dancers.
- Dancers are expected to show good sportsmanship in all classes, rehearsal and performances. Dancers should keep negativity out of the classroom and be encouraged by teammates.
- Dancers are expected to learn choreography quickly. If a class is missed it is the responsibility of the dancer to learn the new choreography before the next class.
- Dancers are expected to stretch and practice dances weekly.

Team Support:

- All Elite Tap dancers are part of one big team. Although dancers will be split up between different levels, dancers should be attending competitions to support one another.
- We are one large company/family, we need to support one another and no negative comments about each other, teachers, or the company.
- We all aren't best friends, but we are all teammates doing what we love.
- Attendance will be taken at all competitions whether performing that day or not. Carpooling is highly recommended for parents who cannot attend all times.

Elite Tap dancers who are in their senior year of high school have the opportunity to have a senior solo their last season. Dancers must be in good standing with the company and have been part of Elite Tap or Stars Dance Company for 2 consecutive seasons leading up to their senior year (Sophomore and Junior year of high school). Dancers can choose if they will compete the solo or just perform it at recital. Rehearsals will start in the fall either way. The fees would follow the solo fees for that season. Dancers will have input on style, costume and song, however choreography will be by a Stars Dance Company teacher.

If there are at least 2 graduating seniors part of Elite Tap then the seniors will have the opportunity to have a senior tap dance at recital. This dance will be choreographed by the senior tappers. Music, costumes, and choreography must be approved by Stars Dance Company teachers.
