6. New Business:

A. Announcement of Proposed Tax Levy / M25-111

Comm Rep Winner made a motion, seconded by Comm Rep Henderson to recommend to the full board to approve the intent to levy \$12,812,300 for the 2025 Tax Levy to be collected for the 2026 fiscal year.

The motion carried by voice vote.

B. Administration, Finance & IT Report / M25-104

Comm Rep Wilson made a motion, seconded by Comm Rep Henderson to recommend to the full board to include the November Administration, Finance & IT Report in the November Executive Director's Report.

Executive Director Talsma introduced Julie Vogt, new Director of Finance. She is a CPA and a CMA and has jumped into her role working on the levy and the budget. Julie is reporting to Deputy Director Bechtold.

Director Rivas said we are transitioning to IPBC for health insurance beginning in February.

Commissioner McGinn asked if there was any residual impact from the attempted cyber attack. Executive Director Talsma said no, that we were lucky. PDRMA is averaging one incident per month with their members. Our security protocols kicked in, and our IT staff did a great job. PDRMA sent in a team to make sure nothing was compromised. The largest cost was for the forensic legal team that came in. We did lose the HVAC computer, some desktop computers, and a camera server. This was all covered by insurance with a \$1,000 deductible.

The motion carried by voice vote.

C. Open and Paid Invoice Register: \$1,539,999.62:

Comm Rep Wilson made a motion, seconded by Comm Rep Winner to recommend the Board approve the Open and Paid Invoice Register as presented.

Comm Rep Winner asked about the goal posts purchased for the field at Sycamore Park, and if HEAA pays us for the use of that field. Executive Director Talsma said yes, that is a rental. This used to be a larger agreement, but the size of the football program is smaller than in the past, so this is now an hourly rental rate, and we have access to use the field as well.

The motion carried by voice vote.

D. Revenue and Expenditure Report

Comm Rep Wilson made a motion, seconded by Comm Rep Winner to recommend the Board approve the Revenue and Expenditure Report as presented.

The motion carried by voice vote.

7. Committee Member Comments:

Comm Rep Winner said welcome to Julie Vogt. He also read the B&G packet and said it is great we are going with solar on all three facilities.

Commissioner McGinn said thank you to the Community Reps, and he is looking forward to Santa's Breakfast next weekend. Director Bechtold said the event is almost sold out.

8. Adjournment:

Comm Rep Winner made a motion, seconded by Comm Rep Henderson to adjourn the meeting at 7:16 p.m. The motion carried by voice vote.

Respectfully submitted,

Craig Talsma
Secretary

Cindy Flynn
Executive Assistant

The following questions were asked and answered via email prior to the A&F meeting:

1. What does the "no tanks" description mean regarding the new Zamboni to be purchased?
[In the description for the Zamboni, the term "no tanks" means that the propane tanks are not included in the purchase. We will still be using propane tanks to power the Zamboni.](#)
2. I noticed a few lessons listed under Brian Dumler and James Karas. Based on the budget, it looks like we may be paying for golf lessons for them. Can you confirm if that is correct?
[Brian Dumler and Jim Karras are our Independent Contractors that teach private and group lessons for the district. They are 90%/10% split for private lessons and 70/30 split for group lessons.](#)
3. Sterling Network Integration – last two lines and bulk of dollars of invoice say insur claim rec cyber – are we filing an insurance claim for these costs?
[Yes, we have cyber security coverage with PDRMA and are filing a claim for all costs associated with our recovery from the attempted cyber attack in September.](#)
4. Village of Hoffman Estates – line for South Ridge Splash Pad is October. I thought we closed the splash pad in September.
[The water bill from September was paid in October.](#)

Re: 2025 Tax Levy Ordinance O25-005 / PTELL Reduction O25-006

Motion

Recommend to the full Board the approval of the District's 2025 annual tax levy, Ordinance O25-005, in the amount of \$12,812,300 and Ordinance O25-006 instructing the county where to reduce the levy if necessary.

Background

Attached, please find the District's final 2025 Annual Levy Ordinance O25-005 and corresponding Property Tax Extension Limitation Law reduction to be collected during the fiscal year 2026.

The levy was presented, and the amount intended to be levied was announced at our A&F Committee meeting on November 25, 2025.

The levy must be filed with the county by the last Tuesday in December.

Implications

The levy is anticipated to be reduced solely in the corporate fund, and the budget reflects the lesser amounts for these and any anticipated shortfalls in collections next year.

HOFFMAN ESTATES PARK DISTRICT MEMO #M25-114

From: Craig Talsma, Executive Director

Re: Comcast Network Fiber & Xfinity Coax Upgrade

Motion

Recommend to the full board to enter into the following contracts with Comcast / Xfinity:

- A new three (3) year contract with Comcast to upgrade the District's outlined fiber private network infrastructure to 1GB for a monthly cost of \$8,499.02.
- A new two (2) year contract with Xfinity to upgrade the District's outlined coax public internet and TV for a total monthly cost of \$1,255.

Background

Earlier this year in May, the District signed a two (2) year contract with Comcast to renew its fiber private network infrastructure. The fiber optic lines between our facilities have provided significantly stable and faster network speeds for the ever-increasing needs of our internet based business applications. With the impending transition of various applications (BS&A and RecTrac) and services (online backup) to the cloud, upgrading to 1GB will ensure we have the bandwidth capable of sustaining upload and download data transfers.

The District provides public internet and TV for our patrons on a completely segregated coax connection. Xfinity is offering a two (2) year contract to reduce the cost while upgrading internet speeds as well as providing high-definition TV for Willow Center.

Rationale

We are highly invested in Comcast's enterprise fiber solutions and have been extremely satisfied with not only the overall performance but the standard of care and minimal downtime the District has experienced. Our coax internet has performed well, and we have had little to no reported issues or complaints from our patrons utilizing our public WIFI.

The proposed fiber upgrade includes:

- All EDI (Ethernet Dedicated Internet) and ENS (Ethernet Network Service) speeds are increased to 1GB across the board with taxes, surcharges, and fees from our monthly recurring bill still waived.

The proposed coax upgrade includes:

- Faster internet speeds at all locations while decreasing cost.
- Provide high-definition TV for Willow Center.

Below is a table that summarizes the changes for fiber as well as the associated costs.

Total	\$2,407.00		\$1,255.00	(\$1,152.00)	

In terms of monthly costs, the current cost for Fiber at all locations is \$6,745.70. Upgrading all locations to 1GB will increase the cost by \$1,753.32 for a total of \$8,499.02. Prior to May, the District was paying \$7,989.82 which included taxes, surcharges, & fees.

The current cost for Coax at all locations is \$2,407.00. Most of the locations have plans that have lost their promotional discounts. With the upgrade, we will be increasing internet speeds as well as adding TV to Willow Center and saving \$1,152.00 per month.

Comcast's knowledgeable account team, excellent reputation, & impressive Service Level Agreements (SLA), will provide the District with stable & scalable bandwidth as our needs change and increase in the future. The contracting of data services is not required to be bid and the District may enter into a multi year contract for such services.
