SPECIAL BOARD MEETING
COMMITTEE OF THE WHOLE BUDGET WORKSHOP
December 9, 2025**

1. Roll Call:

A special meeting of the Hoffman Estates Park District Board of Commissioners was held on December 9, 2025 at 6:01 p.m. at the Triphahn Center in Hoffman Estates, IL.

Present: Commissioners Chhatwani, Dressler, Evans, Kaplan, MacGregor and McGinn, President Friedman

Absent:

Also Present: Executive Director Talsma, Deputy Director Bechtold, Director of Parks, Planning & Maintenance Hugen, Director of Finance Vogt, Director of Administrative Services Rivas, Director of Recreation Sweeney, Executive Assistant Flynn

Audience: Community Reps Dowling, Sernett, Kratohvil, P. Henderson, L. Henderson, Musial, Wilson, and Winner

2. Pledge of Allegiance:

Everyone present stood for the Pledge of Allegiance.

3. Approval of Agenda:

Commissioner Chhatwani made a motion, seconded by Commissioner MacGregor to approve the agenda as presented.

4. Comments from the Audience:

None

5. Amendment to 2025 B&A Ordinance O24-006 / M25-115 / O24-006A

Commissioner MacGregor made a motion, seconded by Commissioner Chhatwani to approve the 2025 Budget Amendment Ordinance O24-006A.

Executive Director Talsma noted the following:

- We had a couple of items in our 2025 budget to adjust. We did have some extra funds, as there was an error in the Vogelei project listed both in Capital and in Special Recreation.
- We will use these extra funds for the down payments on the solar projects.
- We are making this a formal adjustment so we can show we have the money in the budget and don't have any issues applying for rebates.
- We will utilize money in the general fund for the solar project.
- The Club roof project will come from Fund 11 – there was more than enough excess revenue from memberships.
- The memo includes the rules for making amendments, so it is clear we are following regulations for doing so.

On a Roll Call: Carried 6-0-1

Ayes: 6 Chhatwani, Evans, Friedman, Kaplan, MacGregor, McGinn

Nays: 0

Absent: 1 Dressler

6. 2026 Budget Overview / M25-112

Executive Director Talsma noted that we start the annual budget process new each year, and nothing is assumed from year to year. He highlighted the following:

- Our goals are mostly created from everything that is a new initiative. The budget also includes everything that is status quo but doesn't necessarily go into the goals.
- The tax levy will be approved at next week's meeting, as we needed 20 days after the announcement of the intent to levy before we can pass it (announcement was November 25).
- We are spending reserved on projects this year. We anticipate some rebates from the solar projects the following year or later depending on the specific roof/facility.
- We referred to the 5-year CDP and looked at the goals we wanted to do in the short term. This is a dynamic document as things do change, but the budget takes this into consideration.
- The five-year capital spending plan is preliminary and based on the GIS software, which keeps track of every asset in the district.
- There are some debt service charge backs. Bridges transfers \$275,000; The Club transfers \$500,000 and Recreation transfers \$750,000 back for debt service on the original bond that paid for the renovations.
- This is our preliminary budget which is out for public viewing for 30 days and is finalized in January. Budget doesn't technically need to be approved until the end of the first quarter, but we do this in January. The tax levy is always approved in December.
- Some things will need to change based on what happens by the end of the year. For example, we have a Zamboni on order that may not be delivered before the end of 2025; if this happens, we need to roll those expenses over to 2026, as we need to have it in our possession to recognize the expense. If there is a deposit on

something like this, it would be entered as a prepaid expense and carried into next year.

- IMRF and FICA charges used to be distributed through all the different accounts, and we would make an interfund payment to reimburse those amounts. Now, using Paycom, that can be confusing, so we will charge all IMRF and FICA to the general fund. All healthcare will also be charged to the general fund. We will do an offset and interfund charge to all recreation, gold club, and The Club departments on a monthly basis.
- Personnel: we have 78 full-time staff, which is one less than last year. We have already hired the Superintendent of Golf Maintenance who will begin January 5, reporting to Director Hugen. We also promoted the current Supervisor of Playgrounds to the Superintendent level.
- We eliminated the Superintendent of Business position and replaced it with an Accounting Manager role. The current Business Supervisor will be promoted into the Accounting Manager position, and we will hire someone to fill this business position once the role is defined.
- One additional salary adjustment is for the Superintendent of Recreation position, increasing her salary to align her with other Superintendents in the District.
- We have included a 4% merit increase in the salary pool.
- For the Tax Levy, we do receive 2.9% in CPI. We are levying 4.9%. We are being reassessed this year and the increase in EAV is expected to be 15-20% in new growth. Individual bills for the park district should not go up more than about 2.9%.
- Licensing software – this number is the annual costs.
- We have collapsed several accounts. For instance, previously we had five different accounts for summer camp, but they all share expenses and labor (e.g., bus driver). To make things more streamlined in Paycom, we collapsed the pay codes to keep things more streamlined.
- Recreation facilities now includes both Triphahn Center and Willow Rec Center, as we share personnel.
- The current and proposed budget and charts were discussed.
- Executive Director Talsma reminded the board that we have planned to use our reserves for the roof projects.
- Commissioner McGinn asked about the cars parked at Seaside, and where that rental income fell. Executive Director said that it is prorated by month, so the revenue is in both 2025 and 2026.
- Comm Rep L. Henderson asked if the snow hill was open. Executive Director Talsma said yes it is, and there are parking spots reserved for both the snow hill and the playground. Comm Rep Winner noted that WGN filmed a spot at the snow hill after the first snow fall.

7. 2026 Organizational Chart and Salary Ranges

Commissioner MacGregor made a motion, seconded by Commissioner Chhatwani to approve the 2026 Organizational Chart and Salary Ranges.

Executive Director Talsma presented an updated organizational chart and salary ranges. The minimum salary ranges were adjusted up by CPI, and the maximums were increased by the 4% salary pool.

The motion carried by voice vote.

8. Five-Year Capital Spending Plan 2026-2030

Commissioner Kaplan made a motion, seconded by Commissioner McGinn to approve the Predicted Capital Spending Plan, amended to include the golf cart leases in future years, the roofing structures and to remove the repeated Bell Works line item.

Executive Director Talsma noted that 2026 is current, and what we actually plan to do. The 2027-2030 lists are plans based on the GIS software. These will be more refined as we move into these years.

Commissioner McGinn asked about the Triphahn Center roofs in 2029, where we list Roofs A, B, C, D and F, but no E. Director Hugen said that the E section was completed three years ago; this is the area over the track.

Executive Director Talsma specified that we will not do Triphahn Center roof in 2027, Willow Rec Center in 2028 and the Maintenance garage in 2029. We are changing the order due to the solar project timing requirements for the rebates.

Comm Rep Musial said there is a line for the golf cart lease in 2026 but not in future years. Director Bechtold said this lease will end in 2026 and we will have to do something new in 2027. Comm Rep Musial said we should still have something there in future years as a placeholder. Executive Director Talsma said we can add the golf cart lease and Toptracer fee to the future years as well.

The motion carried by voice vote.

9. 2026 Goals

Commissioner Evans made a motion, seconded by Commission MacGregor to approve the 2026 Division Goals with review.

The following questions were discussed regarding the divisional goals:

- Commissioner Dressler asked if we still have a partnership with PDRMA. Yes, we still have our insurance and risk management through PDRMA. Our health insurance is moving to IPBC.
- Commissioner Dressler asked about the armored car service. Executive Director Talsma said we are looking into using an armored car service for our cash pickups and deposits, especially during the summer months. This is a secure method and saves staff time as well.
- Comm Rep Winner asked if the virtual host software is due to the cyber issue we had in September. Executive Director Talsma said no, this is scheduled as annual maintenance. Anything regarding the cyber threat is being run through our insurance company.

- Commissioner Dressler asked how many individuals are getting credit cards. Executive Director Talsma said the reason for this is to ensure that if a purchase is made, we know who did so, and can make credit card reconciliation easier.
- Commissioner Kaplan asked if there was a cap on the card. Executive Director Talsma said we control that internally, rather than on the card itself.
- Commissioner Dressler asked about the entrance/exit at Seascape. Executive Director Talsma said we are replacing the revolving gates at the facility.
- Commissioner Dressler asked what we would do with the old banquet chairs at Bridges. Executive Director Talsma said we would dispose of them; Commissioner Dressler asked if we could look into donating them to the Chamber.
- Commissioner Kaplan asked where the Outdoor Fitness Equipment would be installed. Director Hugen said we don't have a particular park earmarked for this, but it was listed in our CDP, so we are researching it.
- Comm Rep Musial asked if the bus is included in the Vehicles purchase total. Yes it is.
- Commissioner Dressler asked about applying for Tier 1 Arboretum Status at Vogelei. Director Hugen said once the greenhouse is complete with living plants we can qualify. Morton Arboretum and Chicago Park District are the only other organizations in the state that have a Tier 1 Arboretum.
- Commissioner Dressler asked if there is a specific park slated for an OSLAD application. Executive Director Talsma said not specifically. We will look at what is planned to be replaced and will investigate if there are other things we could do at those locations that would earn "points" in the application process.
- Commissioner Chhatwani asked if Victoria Park is included in the controlled burn again. Director Hugen said not the same area of Victoria Park. We can only do that every three years. We will do a different section at that park and then a small section at Hunters Ridge. He added that cutting the growth does well, but burning allows new growth because it rids of things that don't belong there.
- President Friedman said he is happy to see the Athletics Internship in there. He always has former players come back to help him coach.
- Comm Rep Musial asked if we could partner with the cross country group that uses our park to expand our track and field program. Executive Director Talsma said we could look into this.
- Commissioner Kaplan said the NFL combine is missing again, and that the former Athletics Manager was getting ready to do this. Director Sweeney said we did try to offer this but didn't get enough enrollment to run it; we will try it again. Commissioner Kaplan said he would like this added as a goal.
- Commissioner Chhatwani said she liked the offerings for seniors.
- Commissioner Dressler said she noticed the Swim for All and asked what is being done to promote this. Executive Director Talsma said that our new Splash Camp for younger campers included swim lessons. He added that we are going to observe the success of outdoor swim lessons this year and determine if we should keep swim lessons as an indoor offering only. We are still offering Programs for All throughout the park district. In other programs, we fill empty seats. For swim lessons, if we have enough to create a class, we will do that.
- Commissioner Dressler noted that in partnering with local libraries, there is already a free program for those that need tech help.

- Commissioner Chhatwani offered to present to seniors about avoiding scams and financial literacy.
- Commissioner Kaplan said that perhaps District 54 Foundation would be interested in partnering with us for the Programs for All.
- Comm Rep Dowling said that if we remove outdoor swim lessons, she hopes the pool will still be open for senior lap swim.
- Commissioner Dressler asked about finding sponsors for the MORE program. Director Sweeney said this would be for in-kind donations, not advertising to the residents in these locations.
- Executive Director Talsma noted that Memorial Day is earlier this year, and that Seaside would be opening after Memorial Day, on May 30.
- Commissioner Dressler said she would like to be included in exploring partnerships with the village and/or township for senior programming.
- Executive Director Talsma noted that we are looking into future uses for the ice and locker room rentals.
- Comm Rep Sernett asked if hockey was coed. Executive Director Talsma said yes, we offer learn to skate hockey classes for boys and girls, and we do have girls' hockey teams as well.
- Commissioner Kaplan asked about clothing sales at the pro shop. Executive Director Talsma said this business is more for customer service; we do make about \$20,000-\$30,000 per year. We make enough to cover our costs.
- Commissioner Dressler asked if we could use photos from a nice wedding in our advertising. Deputy Director Bechtold said we will ask the photographer and client and if they agree we may get some shots for the website, etc.
- Executive Director Talsma added that our current GM at The Club will take on additional responsibilities as the Superintendent of Facilities to learn more and gain more experience. She was integral in renovating both fitness centers and helps with facility questions from others.
- Commissioner Evans asked if we have a lot of Silver Sneakers at The Club. Deputy Director Bechtold said no, the Silver Sneakers participants are only at Triphahn Center and Willow Rec Center. Renew Active is accepted at The Club. They make up about 5% of members.

The motion carried by voice vote.

10. 2026 Working Budget

Commissioner MacGregor made a motion, seconded by Commissioner Chhatwani to approve the 2026 Working Budget with amendments.

Executive Director Talsma presented an overview of each fund.

Comm Rep Musial asked about the 10% increase from 2025 to 206 in employee benefits. Executive Director Talsma said this is more about collapsing the GLs.

Comm Rep Musial asked if a 6% increase is adequate for the expected rate increases. Executive Director Talsma said yes, we are on a variable plan right now, although we cannot answer that for sure.

Comm Rep Musial asked about the budget decrease in payroll. Executive Director said we will review this again. He originally thought her email question was only regarding full time.

Executive Director Talsma said we will provide a recap about the changes we need and reviews we need to make.

The motion carried by voice vote.

11. 2026 Budget & Appropriation Ordinance / 025-007 (In Tentative Form)

Commissioner Chhatwani made a motion, seconded by Commissioner Dressler to approve the 2026 Budget & Appropriation Ordinance in tentative form with corrections.

Executive Director Talsma noted that this document must be on display for 30 days, and the final document will be approved at the January 2025 meeting.

On a Roll Call: Carried 7-0-0

Ayes: 7 Chhatwani, Dressler, Evans, Friedman, Kaplan, MacGregor, McGinn

Nays: 0

Absent: 0

12. Commissioner Comments:

Commissioner Dressler had fun at Winter Fest. The décor was over the top. She wondered if attendance was lower.

Commissioner McGinn thanked staff for all of their hard work.

Commissioner Kaplan said thank you for making this so easy.

Commissioner MacGregor said we've had a great year, and he is looking forward to 2026.

Commissioner Chhatwani thanked Executive Director Talsma, Directors Bechtold, Hugen, Rivas, Sweeney and Vogt, and Executive Assistant Flynn.

Commissioner Evans said it is great to see this process go through. It went very well.

Comm Rep Musial said it was much easier to read than previous years.

President Friedman applauded staff for coming up with the solar project and putting this together quickly.

13. Adjournment:

Commissioner MacGregor made a motion, seconded by Commissioner McGinn, to adjourn the meeting at 7:23 p.m. The motion carried by voice vote.

Respectfully submitted,

Craig Talsma
Secretary

Cindy Flynn
Executive Assistant

The following questions were asked and answered via email prior to the meeting:

1. Capital projects 2026 budget has Bell Works Play for \$100,000 and again under different g/l code for \$250,000 and also Playground - Bell Works for another \$250,000 under a third g/l code. Why is the Bell Works playground appear three times? **The \$250,000 amount should have appeared only once, but it was inadvertently listed under two separate G/L codes when the project was shifted entirely into the 2026 budget after not starting in 2025. We will correct this duplication and include the proper single \$250,000 entry in the January final budget revision for approval. The \$100,000 is the ADA portion of the park project.**
2. Are the Golf cart GPS lease and Toptracer lease in capital projects 2026 budget due to GASB 96? **GPS and Toptracer lease are for equipment and the software that comes with the equipment. Why aren't they in the capital budgets presented for 2027-2030? They are annual ones that have been previously approved. Therefore, not a part of the capital purchase plan for 2026 to 2030 plan.** Are they the only leases the district has that fall under GASB 96? What about software leases? **All other software subscriptions are accounted for in the Information service agreement GL in 14-10-7400-5050 and not capital items, as they represent annual maintenance costs and not purchase, except for the new parks software, but that is less than \$10,000 so not recorded as capital.**
3. What is the \$300,000 grant reimbursement budgeted in General Fund revenues and the \$429,457 donations budgeted in the Capital Fund revenue? **The \$300,000 is the OSLAD for Vogelei and the \$429,457 are from Bell Works and Kensington Fields cash in lieu of land developer donations.**
4. In Administration appropriations why did both service license agreement and utilities increase significantly over 2025 budget and projected actual?
Service License Agreements: We consolidated all service agreements into a single G/L account for 2026. Several of these agreements had previously been classified as capital expenses, so the shift into the operating budget makes the total appear significantly higher compared to the 2025 budget and projected actuals.
Utilities: We are currently on an adjustable utility rate, and based on recent trends, we do anticipate an increase in utility costs for 2026. We are actively working with our utility vendors to determine whether it is more advantageous to lock in fixed rates or remain on a variable structure, which has been beneficial to the district in prior years.
5. Within Rec Fund, Why did Rec Facilities revenue and appropriations more than double over 2025 budget and projected actual? **We have combined all Willow Rec Center facilities rentals with all Rec Facility rentals.**
6. Within Rec Fund, why is there no budget for Willow Rec Center? **All of Willow GL's have been merged into 02-32 accounts.**
7. Within Rec Fund Youth programs, why did youth camp revenues and appropriations triple over 2025 budgeted and projected actual? **The youth camp revenues and appropriations appear to have tripled because all camp programs were consolidated into a single general account rather than being separated by age group, as they were in prior years. Since expenses and resources are**

shared across all camps, combining them provides a more accurate reflection of overall program activity. This consolidation makes the total revenue and appropriation levels look significantly higher when compared to the individually budgeted 2025 lines, but it does not represent new or additional spending just a reclassification for clarity and accuracy.

8. Since the employee benefits are all in General Fund Appropriations as a line item in 2026 budget it is hard to compare to 2025 budget and projected 2025 actual for employee benefits. How does the \$1,262,100 for employee benefits in the 2026 general fund administration appropriations budget compare to 2025 budget and projected actual for all funds combined?

Health insurance for the district will see about a 6% increase for 2026. The employee reimbursement percentages will stay at the same percentage (though they increase slightly as well due to the overall increase).

9. 2026 budgeted payroll decreased in all funds over 2025 budget and projected actual except the Club administration and BPC maintenance funds. (Rec maintenance is more than 2025 budgeted but less than 2025 projected actual) That does not make sense with an increase of only one employee over 2025, and a 4% merit increase pool. Bridges has the addition of Golf Course Superintendent position in the maintenance department, The Club now has a roving custodian position as its home base, so this position is reflected out of Fund 11 which was in Fund 01 in the past. We have also shifted Business Service Manager from Fund 01 to Recreation Department Fund 02 as they will be managing Recreation Software for the district. The 2025 total budget salary total was \$5,972,000 (year-end projected is approximately \$5,900,000); for 2026, with salary adjustments, new hires, reduction of one full time position, and the overall 4% increase the budget total is \$6,172,000.

10. Typo in BPC Cornerstone #4 - second goal is to create special events calendar for 2025 season and performance measure says complete 2025 events calendar - those should say 2026 rather than 2025 correct? We will update to 2026.

**HOFFMAN ESTATES PARK DISTRICT
REGULAR BOARD MEETING NO. 1120**

EXECUTIVE DIRECTOR'S REPORT

January 2026

PARKS DIVISION REPORT

MOTION

Motion to recommend to the full board to include the Parks, Planning & Maintenance January Board Report in the January Executive Directors Report.

ADMINISTRATION & CAPITAL PROJECTS

TC Renovations

Board Room carpet was replaced with new carpet to match the administration offices and recreation offices. We have started the painting of the mutiple areas at TC as part of the 2026 capital project renovations. Staff met with contractors to get proper pricing and timing for the replacement of windows and framing in the admin area.

Administration

Bids have been opened for asphalt work, court repairs, mowing services. Purchases are being set for new mowers, vehicles and zambonis. Construction meetings have taken place for roofing projects and solar projects.

New staff members have been hired and started on January 5. Andrew Evans is the new Golf Course Superintendent. Andrew comes to us from Lockport Park District where he has been the Golf Course Superintendent for the past 7 years at Prairie Bluff. Andrew was at Bridges of Poplar Creek from 2011 to 2013 as the Assistant Golf Course Superintendent and then spent four years in private industry before his tenure at Prairie Bluff. We are very excited to have him and look forward to his work at Bridges of Poplar Creek. Christian Perez was hired as a Building Technician; Christian was previously working as a part time custodian at Bridges of Poplar Creek and demonstrated great workmanship while there. In his new role as a full-time employee, he will be taking care of our pools and spas at The Club, TC and Seaside while assisting the building maintenance team.

AQUATICS AND BUILDINGS

Tripahn Center:

- Installed new inducer on RTU 6 in Admin office and new flame sensor and ignitor on RTU 7.
- Basketball hoop #1 on the north side was not lowering; repaired key switch mechanism to restore functioning.

- Chicago faucet cartridges were installed in downstairs men's locker rooms, and the drain line was rodded out in men's lower-level locker rooms.
- New lighting was installed in Room 114, and a new ballast was installed in hockey locker rooms.
- Safety outlet covers were added throughout common areas of TC.
- Installed new electric and ran HDMI cables for new TVs in the board room.
- Administration offices had new supply vent diffusers installed.
- Electrical outage occurred for every other light in lower-level ice rinks. Emergency circuit was tripped (shorted from roof leak) – reset breaker to restore power.
- All expired ammonia relief valves were replaced.
- Parks team assisted with construction/painting at TC & Vogelei when snow operations were not necessary.
- Installation of drywall was completed, except for the window walls of the conference room.
- Sanded and mudded drywall in the new admin area and cubicle walls. Painted wood trim for the top of the cubicle walls and started install. Shelf was hung above the copier.
- Metro Door & Dock is scheduled to do yearly drop test on Zamboni doors.

The Club at Prairie Stone:

- Problematic check valve on lap pool; the check valve would not close during filter cleaning. Opened check valve and wiped surfaces clean to resolve issue.
- Blower fan faulted on activity pool Seresco – manually reset phase monitor and VFD.
- New mechanical seal was installed on spa filter pump.
- Replaced solenoid on automatic faucet in women's locker room and rodded urinal in men's community locker room.

Willow Rec:

- Ran electric for Stanley Access for both new automatic front doors.
- Fixed drywall above the new doors, filled side gaps with backing rod and installed foam pieces along bottom of the door to close gaps.

Vogelei:

- Ceiling fan was removed from Vogelei Barn.
- Removed and re-routed electric for remodel of upstairs rooms. Combined light circuits for all three areas and installed all new face plates.
- Moved furniture to Vogelei Barn and assisted with painting and clean up afterwards.
- Transported and built shelving for the greenhouse.

Bridges:

- Met with Metro Door & Dock for door repair at Bridges maintenance shop.

Seascape:

- Heater in bath house sprinkler room burnt out the contactor, causing room to dip below freezing. The sprinkler system was drained down by the fire department, and we were able to replace contactor and restore heat. However, the fire system back flow device appears to be cracked and will need to be repaired by Total Fire.

PARKS

Parks & Forestry:

- Ice depth checks were conducted at Evergreen, North/South Twin, Fabbrini, Black Bear, South Ridge, and North Ridge.
- Cleared snow along school sidewalks at Armstrong Park and Sycamore Park.
- Snow detailing was done around buildings, as well as salting paths. Ice and snow were treated at The Club, Willow Rec, TC and Vogelei.
- Weekly trash removal services were performed throughout the parks and dog parks.
- Inventory was taken for benches, and trash can counts at all of the parks.
- Parks team assessed storm damage and did branch pickup/removal at the West parks, as needed.
- Tree maintenance/clean up was done at Community Park, as well as maintenance for downed tree at Black Bear.
- Assembled fixtures at Vogelei park and fixture count/inspection done at various parks.
- Worked on cleaning native seeds.

Playgrounds:

- Removed ripped windscreens and drop screens from Fabbrini for the winter. Ripped windscreens were taken down at Pine Park sled hill and repaired a windscreen at TC.
- Evergreen playground had a broken gate that was fixed.
- Routine playground checks and clean-ups were conducted.

Key: C = Complete / O = On Track / D = Deferred / N= Not Complete

DISTRICT CORNERSTONE #1: HEALTHY AND ENJOYABLE EXPERIENCES

Objective/Goal	Performance Measures	Status
Enhance athletic programs with improved continuity, higher enrollment, and increased sports leagues	Continue to track enrollment, create league camaraderie activities, and keep communication and feedback consistent.	C
1Q Comments:	The Youth Basketball Season was successful. We saw a 50 participant increase in the Little Hoopers program. The overall youth basketball program ran smoothly with good communication to our coaches and parents. We plan to model this format with all other athletic program offerings to increase enrollment numbers and to offer better communication to our families.	
2Q Comments:	<p>New programs continue to launch, with strong participation in the VolleyKidz youth volleyball program held Sundays at Willow. Interest and enrollment grow steadily each session.</p> <p>Spring House League Soccer concluded in early June with the debut of the <i>Spring Fling</i>—a festive season-end event featuring 3v3 games, bounce houses, face painting, and participation medal presentations.</p> <p>Spring T-ball wrapped up in late June with a celebratory banquet recognizing players and teams. Families enjoyed food, fun, and time together to mark the end of the season.</p> <p>The athletics department remains focused on expanding and enhancing programs to deliver the best possible experience for all participants.</p>	
3Q Comments:	Fall House League Soccer started on September 2. Staff worked with marketing to promote the program via a variety of avenues. An Early Bird discount was offered to those who registered by August 10. There was a 40 player increase in enrollment over the 2024 Fall League Soccer.	
4Q Comments - Complete	<p>Revitalizing the Men's Basketball League was also a focus in 2025. The program experienced three successful seasons.</p> <p>In the fall, the athletics staff met with other districts and affiliate organizations to plan collaborative athletic programs for 2026, including youth baseball, youth girls' softball, and flag football, ensuring continued access to sports opportunities for youth in our community.</p>	
Offer more youth fitness programming at parks and gyms	The new Willow Facility Manager will be adding this youth fitness focus to his/her job duties.	C
1Q Comments:	Youth fitness programming will be added into our Pop-up Park events this	

	summer.
2Q Comments:	The Willow and TC Facility Managers are meeting to plan some fitness programming once renovations are completed at TC and WRC.
3Q Comments:	The Willow Facility Manager is offering a student introduction to equipment and gym etiquette class in December to 14–18-year-olds.
4Q Comments - Complete	An Intro to Fitness program was offered for ages 13–17 in December 2025. Unfortunately, there was not enough interest, but staff will continue to explore strategies to better engage this age group in 2026 with support from staff at The Club.

Provide special aquatics events at The Club pool and Seaside	Offer new events at both facilities	C
1Q Comments:	The Club successfully ran our first-ever Glow Pool Party. This event was sold out. For summer, Seaside is planning to run our first ever Dolphin Derby Party. This event is one of our Friends of the HEParks days.	
2Q Comments:	Seaside hosted the Dolphin Derby on June 21 and Decorate the Deck on July 9, with both events benefiting Friends of HEParks. National Ice Cream Day will also be celebrated later this month.	
3Q Comments - Complete:	Seaside hosted the following events over the summer: Dolphin Derby, Worlds' Largest Swim lesson, Decorate the Deck, National Ice Cream Day and Bingo by the Pool. The Pumpkin Plunge will return for the 2nd year in October at The Club.	

Initiate a campaign to promote the new dog features at Bo's Run and Freedom Run Dog Parks.	Collaborate with Marketing on a campaign to publicize our dog park improvements.	C
1Q Comments:	This has been discussed as one of several dog park events for this year. The two facility managers will be meeting soon to start planning for an event most likely to take place in late summer once a completion window is determined. The Parks Department plans on the updated dog equipment being installed by July.	
2Q Comments:	Updates to the park have taken place. Plans for an event are ongoing.	
3Q Comments:	The WRC Facilities Manager and the Supt of Community Outreach and Events are planning a dog event that will take place in the fall.	
4Q Comments - Complete	The Howl-O-Ween event was held at Bo's Run on October 29 for community dog owners. Free trick-or-treat bags with dog treats and Pup Cups were distributed. The event provided a great opportunity to see owners and their dogs enjoying the new play structures. Additional dog-focused events are being planned in 2026.	

Provide more extensive and structured volunteer coach training and clinics.	Provide new opportunities in-season and off-season to keep coaches engaged and connected to our coaching leagues.	C
1Q Comments:	Ongoing- Aces Soccer offer their curriculum and their coaching staff at each practice to help the volunteer coaches each night to run their practices. We will offer a flag football coaching clinic as we continue to get closer to the start of this program.	
2Q Comments:	The flag football program transitioned to a clinic format, eliminating the need for volunteer parent coaches and allowing for more consistent	

	<p>instruction.</p> <p>Looking ahead to the fall House League Soccer season, athletics staff will partner with Aces staff to provide structured coaches' training clinics both before and during the season to better support volunteer coaches and improve overall experience.</p>

1Q Comments:	During the Facility Managers' meeting, the need for training, when to do it, and specific issues/topics were discussed. Future quarterly meetings with dates published months in advance will be implemented for both buildings to be trained together. In the short term, individual training will take place.	
2Q Comments:	Staff meetings are now held quarterly, with combined (TC/WRC) meetings planned. Managers have introduced a memo binder and expanded the use of Microsoft Teams to improve internal communication, enabling the front desk to better assist customers. Additionally, staff are in the process of updating the desk operation manual and developing targeted trainings and resources.	
3Q Comments:	The facility managers have updated the desk operation manual and have developed an on-boarding system for new Guest Service staff.	
4Q Comments – Complete	WC and TC held fall staff meetings to review updates and changes, with additional meetings scheduled for 2026 in February and May. These meetings will provide ongoing training and resources while strengthening collaboration between the two desks.	

DISTRICT CORNERSTONE #2: SOCIAL EQUITY

Objective/Goal	Performance Measures	Status
Continue to promote M.O.R.E. opportunities in underserved areas	Have a structured M.O.R.E. outreach template	C
1Q Comments:	The team has set dates for these- the next step will be to reach out to local housing communities within Hoffman Estates to set specific locations.	
2Q Comments:	M.O.R.E. events are scheduled at Renew Apartments on July 16 and EnClave Apartments on August 6. Additional events are planned for August and September."	
3Q Comments - Complete:	M.O.R.E. events were held on July 23 at ReNew Apartments and at Enclave Apartments on August 6. The M.O.R.E. van was also at the following events this spring and summer: Easter Egg Hunt, Kids to Parks, Unplug Day, all Freezy Friday's, several school PTO events, the village Car Show, and will be at Haunted Hoffman.	

Create more dog-friendly events.	Willow Facility Manager will create new dog events for warmer months.	C
1Q Comments:	The team will meet to develop some ideas that will take place this summer and fall. A few "national" pet holidays have been identified as a possible starting point. A year-round plan for 2026 will be created with dates to help pre-plan and market for next year with annual events at each site.	
2Q Comments:	Plans for dog-friendly events are ongoing.	
3Q Comments:	The WRC Facilities Manager and the Supt of Community Outreach and	

	Events are planning a dog event that will take place in the fall. A Howl-O-Ween event will take place at Bo's Run on October 29.
4Q Comments - Complete	A Howl-o-ween costume party and walk was held at Bo's Run. More events are being planned for 2026 for both locations.

Provide intergenerational opportunities	Create intergenerational opportunities within programs to increase community involvement	C
1Q Comments:	Music with the Ages occurred in March to bring a collaboration with our preschoolers and seniors. Additionally, we are looking to partner with Harper College, College of DuPage, and Elgin Community College to offer technology classes and presentations, which will add a new dynamic to the Triphahn Center Senior Lunch and Learns.	
2Q Comments - Complete	Expanded volunteer opportunities have attracted more older residents. Teen Camp participants have been collaborating with younger STEAM Camp campers on activities. Staff are also coordinating with the Cook County Forest Preserve to offer intergenerational fall fishing programs.	

Expand the “Swim for All” initiative through marketing and outreach	Work with Marketing and Scholarships to have a year-long marketing plan for Swim for All.	C
1Q Comments:	Seascape will be offering World's Largest Swim Lesson, which will be a free 30-minute lesson in the evening for all those who register.	
2Q Comments:	Completed the World's Largest Swim Lesson on June 26 with 39 participants. Aquatics is also working with the marketing team to continue promoting the Swim for All campaign.	
3Q Comments:	A free Swim For All lesson was offered on September 14 and staff will be offering one more in the 4 th quarter.	
4Q Comments - Complete	We hosted Swim for all lessons November 26, 29, December 21 and 29. There were a total of 7 participants. Scholarship families have swim lessons as an option through the Swim for All program as well, assisting an additional 11 participants.	

Create a 50+ hub at WRC	Create free programs for 50+ weekly out of Willow Recreation Center	C
1Q Comments:	We are currently exploring new program ideas, clubs, and groups for the Willow Recreation Center (WRC), especially as the facility will soon undergo construction and maintenance. Our goal is to enhance the WRC offerings by introducing art, music, and pickleball activities in rooms that are underutilized during the week. We see significant potential for these spaces to host art and music programs on a regular basis. Additionally, we are considering outdoor fitness classes and dog obedience sessions, utilizing the dog park located on the facility grounds.	
2Q Comments:	After completing instructor interviews, staff plan to expand music and fitness programs at Willow. The 50+ team will meet with Willow Facility Manager to discuss ideas and scheduling post-renovation.	
3Q Comments:	An Open House will be held once the renovations have been completed and the Senior Center Manager will be on hand to discuss programs/drop-in offerings that are a good fit for WRC.	

4Q Comments - Comments	Staff hosted an initial 50+ meeting at Willow to gather input on participant interests and program needs. Morning pickleball open play is currently offered at Willow, with many participants being part of the 50+ group. In early 2026, staff will host a dessert and coffee event to collect additional feedback on desired activities and programming at Willow. Exploring the potential development of a dedicated 50+ hub at Willow will be a priority in 2026.
-------------------------------	--

Strengthen and build more village community partnerships in programming	Senior and adult program managers will be adding a focus on community outreach.	C
1Q Comments:	We are exploring options to offer free vaccination clinics in partnership with Jewel-Osco, CVS Pharmacy, or Walgreens. Additionally, we are reaching out to Harper College in Palatine to expand technology programs and presentation opportunities for their students. We are also collaborating with local libraries and park districts to gather insights into successful initiatives and share ideas.	
2Q Comments:	Ascension will hold a fall flu clinic on October 16 at Triphahn Center, and Jewel will offer RSV, COVID, and shingles clinics at the Senior Center in November. Our Senior Program Manager participates in the IPRA senior committee to share programming ideas and will meet quarterly with a neighboring park district to collaborate on programs.	
3Q Comments:	The Supt of Community Outreach and Events and Senior/Adult Manager have joined the following community committees and commissions: Chamber Fishing Derby, Village Fourth Fest, Arts Commission, Cultural Awareness Commission, and Sr Citizen Commission. They have attended/are planning on attending the following community events: D211 Job Fair, Fishing Derby, Fourth Fest, PlatzKonzert, Chamber Car Show, Summer Concerts on the Village Green, National Night Out, Mayor's Recognition Event, Hispanic Heritage Day and October Fire Dept Open Houses	
4Q Comments - Complete	The November 50 + Open house included several community booths including fire, police, the Senior Commission, and local Senior Housing groups. Our Supt of Community Outreach attended the Friendship Tree Lighting Ceremony on November 22 and plans to assist more in that event next year. Plans are underway to partner with the police department on some teen events in 2026.	

Provide more Go Hoffman walking events at various parks, team with The Club (stroller, dog, glow walks)	Work with NRPA and Walk with Ease to enhance walking within the district.	C
1Q Comments:	Working to create a consistent schedule of these. We will start by tapping into the Senior community already utilizing our facilities/parks. This will also tie into our Walking with Ease grant.	
2Q Comments:	The first Go Hoffman event is set for September 17 at Fabrinni Park, which will be busy with soccer and baseball that evening. The Walk with Ease program is underway and the Senior Program Manager officially trained. Fall indoor and outdoor walks are planned through the NRPA program.	

3Q Comments:	A fall kickoff walk was held on October 16 and a free 6-week Walk with Ease course will be held October 21 to November 25. There will also be Go Hoffman evening walk in conjunction with the Hall-O-Ween Dog Event at Bo's Run on October 29.
4Q Comments - Complete	The Club and 50+ walking group have moved inside to the indoor track for the colder months. More outdoor walks are planned for spring of 2026.

DISTRICT CORNERSTONE #3: FINANCIAL & ENVIRONMENTAL STEWARDSHIP

Objective/Goal	Performance Measures	Status
Investigate opportunities for text alerts for program changes	Purchase a rainout line or other comparable resources.	C
1Q Comments:	We are looking into purchasing the Rainout line texting app or other software/app options, this can help in many programming areas with alerts.	
2Q Comments:	Aces introduced the Player 360 App and is used in the House League Soccer program. Staff are still investigating other apps, but want to see how the new district website can be utilized.	
3Q Comments:	Staff will be getting a quote soon from Statusfy, a service that allows for status information updates for facilities, events, and programs. Updates can be made via mobile app, website or dial-in phone line. Users can receive notifications of updates via text, app or email.	
4Q Comments - Complete	Statusfy was approved for use in 2026, service will be implemented in Q1 of 2026.	

Work toward getting HEParks as a desired baseball tournament space	Increase revenue by 20 percent for the spring/ summer season. Create a marketing campaign in Fall of 2025 to secure more Tournament play.	C
1Q Comments:	We have secured rental dates with Seminole Sports and Game Time. They will be renting space at Cannon Sports Complex to host their tournament games. Staff will continue to report on numbers as the rentals take place. The rental dates vary from spring to fall of 2025.	
2Q Comments:	As a host site, Cannon Crossings successfully hosted five spring tournaments; two with Seminole Sports and three with Game Time Event generating \$21,780 in rental revenue. Staff is coordinating with Game Time Events to secure fall dates for a youth baseball league that will run mid-August to mid-October and will continue working with both organizations to schedule the 2026 season.	
3Q Comments - Complete	Staff coordinated fall dates with Game Time Events to rent fields for youth baseball league that will run mid-August to mid-October. Discussions have already begun with both organizations to schedule the 2026 season.	

Re-invent the Vogelei Barn (rental space, activity/gym room, nature/art space)	Work with the Parks Department on upstairs and lower space needs.	C
1Q Comments:	E-Sports at Vogelei barn is now closed and we are working on clearing it	

	out to move HOTT theater into that lower-level space. Additional offerings will be added to this space.
2Q Comments:	HOTT Theater has been practicing and using the lower level of Vogelei. Construction of upstairs will begin in the fall.
3Q Comments - Complete:	HOTT Theater continues to use the lower level of Vogelei. Construction upstairs will begin late fall, and programs will begin in the space in January.

Evaluate improvements to gymnastics space at Vogelei; move to Willow mini gym.	Work with Tumbling Times manager to coordinate the move in the Spring for gymnastics	C
1Q Comments:	Vogelei gymnastics will be closed September 29-October 11. We continue to keep open lines of communication with Tumbling Times. We are working on getting quotes on new equipment and flooring.	
2Q Comments:	Vogelei will be closed from September 29 to October 11. A reduced class schedule will be offered at Willow this fall. Staff will soon meet with Tumbling Times to outline programming following the Willow renovation.	
3Q Comments:	Tumbling Times classes are scheduled to start in the new gymnastics studio at WRC the week of October 20. Staff will also be offering some open gym times and birthday parties in the space.	
4Q Comments - Complete	Tumbling Times has transitioned smoothly into the new gymnastics' studio, leading to increased class participation. Park District staff also began hosting gymnastics birthday parties	

Once the Little Stars Childcare program space is renovated, plan for providing additional programming and rental space in the Triphahn Center	Brainstorm with programmers on ideas for the open room space in childcare, including new and existing programs.	C
1Q Comments:	We have reached out to a couple of different contractors, The Medical School, and Soulful Creatives Art, to start adding new classes in the fall.	
2Q Comments:	TC Room 107 has been emptied and freshly painted. This fall, new contractors including The Medical School, Chess ED, Magic 321, and Adventure Academy will begin offering classes. Rooms 105 and 106 are scheduled for renovation in the last summer/early fall and will be used for programming and rentals.	
3Q Comments - Complete:	Rooms 105 and 106 are scheduled for renovation in late fall and will be used for programming and rentals beginning in 2026.	

DISTRICT CORNERSTONE #4: OPERATIONAL EXCELLENCE

Objective/Goal	Performance Measures	Status
Increase safety drills (fire, lockdown, tornado) at all Willow and Triphahn.	Have new Facility Managers collaborate with HR/Risk on a set timeline. Work with the police and fire department for training,	C
1Q Comments:	The Facility Managers will work with the HR/Risk Mgmt. teams shortly after the new hires have started. A plan will be created to address related	

	training, communication between different city departments, and timelines for future drills. An annual checklist of drills and training that will be recommended each year.
2Q Comments:	The Facility Managers have met with HR/Risk Management and began addressing facility safety, including training and drills. 1Q Comments:	The new facility managers are working on this project.	
2Q Comments:	An online request form has been created and is live on the district's website. Additional action will take place this fall when the new website is complete as well as updates based on renovations at TC and WRC.	
3Q Comments - Complete:	Staff are working with marketing to finalize updates based on renovations at TC and WRC to be reflected on the new website.	

Evaluate entrance points at Triphahn Center and Willow Rec Center to have fewer entrance/exit points, especially in the evening	Facility Managers will work with Marketing to advertise changes and create signage.	C
1Q Comments:	The Facility Managers are identifying building usage needs and patterns. Plans are underway.	
2Q Comments:	TC entrance points have been evaluated and new hours for the North Entrance were implemented in June. Staff will evaluate Willow once renovations have been completed.	
3Q Comments:	Staff will evaluate Willow once renovations have been completed.	
4Q Comments - Complete	Staff have established designated times when the TC North entrance is open and staffed to address patron needs and provide supervision on the north side of the facility. The desk is also staffed during rentals, basketball games, and other events. Willow currently has one public entrance which has been upgraded to automatic sliding doors.	

Launch a flag football league for youth ages 10 to 18	Collaborate with local schools to be a feeder for these team sports. Also create relations with local park districts for partnerships.	C
1Q Comments:	We have partnered with Overtime Athletics to run the first season of youth flag football. They are in agreement with the NFL Flag football program structure to be able to use their NFL Flag logos. We will offer a spring clinic, summer leagues, and fall clinics. We look forward to starting the marketing campaign to drive enrollment to have a successful season. We will continue to report on numbers.	
2Q Comments:	Athletics staff partnered with marketing and Overtime Athletics to promote our new flag football program. Initially planned as a July/August	

	league, low registration led to a shift toward a seven-week clinic focused on fundamentals and gameplay, with 26 participants currently registered. Staff are also exploring partnerships with local park districts for the future to increase participation.	
3Q Comments - Complete:	Overtime Athletics is running a session of Flag Football Clinics this fall. Staff are also exploring partnerships with local park districts for the future to increase participation in 2026.	

Increase participation in volleyball programs at Willow.	Collaborate with local volleyball coaches and publicize with marketing the district's new offerings. Keep up with current volleyball trends.	C
1Q Comments:	We have partnered with VolleyKidz to offer our youth volleyball program. We offer different fundamentals and Match play class offerings. We offered our first sessions at the start of February. Through the start of the April sessions, we have had 53 kids participate in the program. We will continue to work with our marketing team to promote our youth volleyball program. We look forward to continuing to grow this program.	
2Q Comments:	Participation for VolleyKidz youth volleyball held on Sundays at Willow has been well received and continue to grow each session and build a presence in the community.	
3Q Comments - Complete:	VolleyKidz youth volleyball classes are being held at Willow for the fall. The adult drop-in volleyball continues to be popular as well. Volleyball will be promoted at the WRC Open House.

FACILITIES AND MARKETING DIVISION REPORT

Motion:

Recommend the January Facilities Report to be included in the January Executive Director's Report for Board approval.

Bridges General Programs:

- Breakfast with Santa and Winter Fest were a huge success. We had a total of 318 guests for Breakfast and large crowd for Winter Fest.
- Toptracer was open on and off for the month of December. We had a cold spell and some snow that prevented us from opening for most days. The weather has also been good for early January. We will continue to monitor the weather and snow and reopen if the weather allows.

Member Services/Sales & Fitness

- **December New Member Enrollments:** The Club finished December new enrollments with 132 new members enrolled for the month. The Club team announced a rate increase of \$5-\$10 per member (dependent on membership type) at the beginning of the month.
- **Referral Program Success:** Member referrals are a key indicator of membership satisfaction. In December, we had 27 new members joining as the result of a referral from an existing member. Each member referring received a free month of dues!
- **United Healthcare Renew Active Program:** We recorded 118 Renew Active pass holders visit the Club in December, enrolling 3 new members under the Renew Active program in December.
- **Member Engagement and Facility Usage:** We had 2,625 unique visits this month, meaning, 78% of active members used the facility at least once in the month of December. This indicates a very high participation number in relation to total number of members. High participation indicates people are using what they pay for which translates into better member retention rates.
- **Community Outreach:** The Club, along with the rest of the district facilities had the pleasure to be part of the Salvation Army's Giving Tree gift drive this season. The Club members responded with an overwhelming amount of gift donations, fulfilling the gift lists of over 100 families!
- **Facility Rentals:** Facility rental numbers are starting to pick up slightly, with lots of requests coming in for the winter months.
 - 50 volleyball rentals
 - 18 pickleball court rentals
 - 5 pickleball group classes
 - 5 birthday parties
 - 15 basketball court rentals
 - 2 overnight lock-ins
- **Fitness Team/Operations Team Initiatives:**
 - The fitness team had a busy and exciting month with two special events offered. The Club team offered a “Mocktails and Mistletoe” event in December in partnership with the Bridges staff who came and demonstrated how to make some mocktail drink recipes and attendees were able to paint either a wine glass or a martini glass with a holiday theme. The team also offered the annual cookie exchange event inviting members to bring in their favorite holiday treat to share with others.

- The Club staff ran the first annual “Picklebells Holiday Pickleball Tournament” on Dec 7 with great success! Staff got lots of great feedback about this tournament and are excited to start planning another!

Marketing Report

BRIDGES

In December, Bridges continued promoting seasonal events through a variety of marketing campaigns, both in print and online. Promotions were executed for Toptracer Range, and Beer Garden events with updates made to the marquee and website event page. Targeted emails throughout the month promoted Breakfast with Santa, Yappy Hour, NFL Sunday Ticket, and Toptracer Range challenges.

THE CLUB

In December, The Club continued their digital marketing efforts through Facebook ads promoting their monthly promotion. SEO Google Map Lead Calls jumped 27% during the month; an amazing 275% increase in Facebook leads and a 64% increase in SEO organic lead calls.

Google Business profile impressions saw an increase of 4.65% with website clicks increasing by 9%. There were 701 Google Map Phone Calls (151 more than November), and The Club received six new Google reviews.

Marketing collateral was created to promote monthly member specials; Winter Pop-up classes, rentals, massages, referrals, along with updating the front desk graphics and Membership Services windows with branded graphics. A price comparison sheet was created to highlight The Club's actual and perceived value among competing boutique gyms and health clubs.

Through effective marketing campaigns, reinvesting in new equipment, and the incredible efforts of a dedicated staff, The Club ended the year with 3,348 members and a revenue increase of \$315K in membership and \$11K in rentals (above projections).

OTHER

In December, staff continued to promote park district programs and events throughout the community. Staff attended the monthly HE Chamber Board of Directors meeting. Attendance at HE Chamber and SBA events provided an opportunity to further promote park district initiatives and strengthen community relationships.

All District C&M Production Metrics

In December, the Communications & Marketing team focused on the timely drafting, design, and layout of the Spring Program Guide and Interactive Flipbook, while also planning and executing six integrated campaigns. Additional efforts included preparing IPRA submissions and

dedicating a full week to reviewing the staged website and providing detailed feedback and collaboration with the web development team.

Marketing supported six integrated campaigns across digital, print, email, and community channels. Deliverables included email blasts, social posts, posters, event pages, signage, and on-site event support. The team produced 101 social media posts and stories, distributed 10 HEParks email campaigns (plus one partner email), and supported Winterfest and Skate with Santa events.

December email performance remained stable compared to the prior month, despite a slightly higher volume of messages sent. The average open rate was 29.46%, very close to November's 29.88%, indicating consistent reach. Click rates were 0.58%, and bounce and unsubscribe rates remained extremely low, reflecting strong list health and sustained audience tolerance.

Website reach increased by 35% in December, with users growing from approximately 20,000 in November to 27,000. This reflects increased visibility and more new visitors finding the site through marketing, search, and referrals. Top pages visited included RecTrac pages and Winter program content, with the Skate with Santa event page ranking among the top ten pages.

Total sessions remained essentially flat, increasing slightly from 35,826 to 35,900. In practical terms, more people visited the site, but they did not return as frequently within the same month, which has been a consistent pattern.

Overall, these results indicate that marketing efforts are successfully expanding reach and attracting new audiences, while repeat engagement remains tied to usability. Engagement and return visits are expected to improve following the launch of the new website and a clearer, more intuitive user experience.

Special Board Meeting - Tuesday, 1.20.2026

Please note that there will be a Special Board meeting immediately following the B&G and Rec & Facilities meetings on Tuesday, January 20.

Thank you from Cary Collins' Family

Please see the attached note from Timothy Collins, brother of Cary Collins. The district sent a flower arrangement to the service held in Indiana last week for Cary's memorial. Cary, a long-time supporter of the Hoffman Estates Park District and our Friends of HEParks Foundation, passed away suddenly on December 26, just a few short weeks after the loss of his wife to cancer. A local Hoffman resident, Cary was an attorney who was well known for his work in Fire and Police Pension Law. He served on the Illinois Department of Financial and Professional Regulation Advisory Panel and the Judicial Inquiry Board.
