**4. Comments from the Audience:**

None

**5. Old Business:**

None

**6. New Business:**

A. Tax Levy Ordinance / O25-005 / M25-113

Comm Rep Harner made a motion, seconded by Commissioner Kaplan to recommend to the full board to approve the Annual Levy Ordinance O25-005 in the amount of \$12,812,300 to be collected for the 2025 fiscal year.

The motion carried by voice vote.

B. 2025 PTELL Ordinance / O25-006 / M25-113

Comm Rep Wilson made a motion, seconded by Comm Rep Harner to recommend to the full board to approve the PTELL Reduction Ordinance O25-006, instructing the county where to reduce the levy if necessary.

The motion carried by voice vote.

C. Comcast Network Fiber & Xfinity Coax Upgrade / M25-114

Comm Rep Wilson made a motion, seconded by Comm Rep Harner to recommend to the full board to enter into the following contracts with Comcast/Xfinity:

- A new three (3) year contract with Comcast to update the District's outlined fiber private network infrastructure to 1GB for a monthly cost of \$8,499.02.
- A new two (2) year contract with Xfinity to upgrade the District's outlined coax public internet and TV for a total monthly cost of \$1,255.

Comm Rep Harner asked about the fiber coming into Triphahn Center, concerned about a fiber cut taking down all service for the facility. Executive Director Talsma said we will be using the same lines we had before, and we do have a redundancy at the maintenance building.

Comm Rep Musial asked about the prior invoices including Seascape and Freedom Run, but the table in the memo does not include these two locations. Executive Director Talsma said in the past we allocated costs based on percentage uses, although there wasn't necessarily a bill for all locations. He added that the dog park is not on the fiber network, and Seascape shares off of the golf course line.

Commissioner MacGregor asked if the 1G service can be shared with the public. Executive Director Talsma responded that we want to keep it separate.

Commissioner Evans asked if we check other providers. Executive Director Talsma said no that we have been with Comcast for a very long time and all of our infrastructure is with them. We are not aware of another provider than has fiber available for all of our locations.

The motion carried by voice vote.

D. Administration, Finance & IT Report / M25-116

Comm Rep Wilson made a motion, seconded by Comm Rep Henderson to recommend to the full board to include the December Administration, Finance & IT Report in the December Executive Director's Report.

The motion carried by voice vote.

E. Open and Paid Invoice Register: \$459,496.75:

Comm Rep Wilson made a motion, seconded by Commissioner Kaplan to recommend the Board approve the Open and Paid Invoice Register as presented.

Comm Rep Musial noted a payment made to Aqua Pure Enterprises; that some of it was going to the general fund. Director Huguen said that all maintenance goes through the general fund.

Comm Rep Musial asked about the expenses at Vogelei going to the general fund. Director Huguen said that the OSLAD project expenses go through this fund, and the grant reimbursement will come through that same fund.

Comm Rep Musial noted that there was only a ComEd expense for Cottonwood this month. Executive Director Talsma replied that our meetings were earlier this month, so most of the bills had not been received by the time the report was run.

The motion carried by voice vote.

F. Revenue and Expenditure Report

Commissioner Kaplan made a motion, seconded by Comm Rep Wilson to recommend the Board approve the Revenue and Expenditure Report as presented.

Comm Rep Musial noticed that both revenues and expenses are both below budget and wondered if we will fall short of revenues. Director Vogt noted that the Cook County tax bills were sent out late, so those payments are coming in later than expected. Executive Director Talsma said we are confident we will receive the tax payments and meet budget. When we receive them, they will be reported back to 2025.

The motion carried by voice vote.

7. **Committee Member Comments:**

Comm Rep Harner said the path around Black Bear Park was cleared right away with the snow.

Comm Rep Henderson said they will have a pop-up DMV on January 6. If you have licensing or Real ID needs, there are still a few appointments available.

Commissioner Kaplan said happy holidays to everyone.

Comm Rep Wilson said Happy New Year.

Commissioner McGinn said thank you to our Community Reps for their input, and thanks to Executive Director Talsma and staff for their work and financial stewardship.

Director Hugen noted that the common areas of the Triphahn Center building would receive new paint in January and new flooring closer to February.

**8. Adjournment:**

Comm Rep Henderson made a motion, seconded by Commissioner Kaplan to adjourn the meeting at 7:29 p.m. The motion carried by voice vote.

Respectfully submitted,

Craig Talsma

The following question was asked and answered via email prior to the A&F meeting:

Fund 11 The Club

	11/30 YTD Act	2025 Budget	Variance
Fitness Revenues	\$2,300,076	\$2,187,150	+ 105%
Expenses	\$ 172,733	\$225,107	77%

Revenues are ahead nicely but expenses seem to be trailing a bit.

My question is do we expect any significant expenses in December to narrow this gap, or will we have true upside to budget on the expense side at year end? Many times, when revenue is up we see a corresponding increase in expenses to support the growth.

Fitness revenues are performing very well year-to-date, primarily driven by strong membership rates, and are currently exceeding budget. On the expense side, costs are tracking below budget, and we do not anticipate any significant or unusual expenses in December that would narrow the variance. The Club is having an excellent year, with revenues exceeding expectations and expenses well controlled.

**RE:** Bond Abatements  
**DATE:** January 27, 2026

---

**Motion:**

Recommend to the full Board the approval of Ordinance O26-001 abating taxes levied for the District's bonds for the 2025 Levy.

**Background:**

Each year the District abates the additional levies on our bonds as filed with the county. This is done every year to ensure that we do not levy taxes for additional revenues to pay off our alternate revenue bonds. The abatement needs to be filed before the second installment of property taxes which Cook County calculates; the due date for this filing is April 1.

**Rationale:**

The District needs to approve this abatement to ensure that the correct dollar amount is levied for the District's property taxes for debt service to coincide with our tax levy and budget, which coincide with our actual needs.

NOW, THEREFORE, be it ordained by the Board of Park Commissioners, Hoffman Estates Park District, Hoffman Estates, Illinois as follows:

Section One: The 2025 levies as provided in the above ordinances for the Bonds shall be abated in their entirety.

Section Two: A certified copy hereof shall be filed with the County Clerk of Cook County who shall abate the 2025 levy for each of the Bonds.

Section Three: This ordinance shall be in full force and effect from and after its passage, and approval as provided by law.

**RE:** Resolution Committing Revenues – BPC Golf Course and The Club at  
Prairie Stone  
**DATE:** January 27, 2026

---

**Motion**

Recommend to the full board the approval of Resolution R26-001 committing revenues generated by the BPC Golf Course and The Club at Prairie Stone to their respective operations.

**Background**

The district has historically accounted for and reported the BPC Golf Course and The Club at Prairie Stone separately and wants to continue this practice. As part of the District's annual audit planning and financial reporting review, the District's external auditors recommended adoption of a formal resolution to commit revenues generated by the BPC Golf Course and The Club at Prairie Stone for their respective operational purposes. This would support continued separate financial reporting and ensure compliance with GASB requirements.

**Rationale**

Under GASB Statement No. 54, resources may only be classified as committed fund balance through formal action of the Board of Commissioners. Approval of the annual budget alone does not establish this classification.

The proposed resolution has been reviewed by the District's external auditors and their internal quality control team and has been confirmed as sufficient and aligned with applicable accounting standards.

This action is administrative in nature and does not require any operational or budgetary changes.

**RESOLUTION**  
**Hoffman Estates Park District**  
**Resolution No. R26-001**  
**A Resolution Committing Revenues of the BPC Golf Course**  
**and The Club at Prairie Stone**

---

**WHEREAS**, the Hoffman Estates Park District (“District”) operates the BPC Golf Course and The Club at Prairie Stone as distinct recreation facilities providing programs, services, and amenities to District residents and patrons; and

**WHEREAS**, the District receives revenues generated from operations at the BPC Golf Course and The Club at Prairie Stone; and

**WHEREAS**, the District desires to ensure that revenues generated by each of these facilities are used to support and sustain the ongoing operations, maintenance, programming, and related expenditures of the respective facilities; and

**WHEREAS**, Governmental Accounting Standards Board Statement No. 54 (GASB 54) provides that resources may be classified as committed fund balance when constrained by formal action of the District’s Board of Commissioners; and

**WHEREAS**, the Board of Commissioners is the District’s highest level of decision-making authority and is authorized to commit District resources through formal resolution or ordinance;

---

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners of the Hoffman Estates Park District, Cook County, Illinois, as follows:

**Section 1. Commitment of BPC Golf Course Revenues**

The Board of Commissioners hereby commits all current and future revenues generated from the operations of the BPC Golf Course to be used solely for the operations, maintenance, capital needs, programming, debt service, and other direct or indirect costs associated with the BPC Golf Course and its related facilities.

**Section 2. Commitment of The Club at Prairie Stone Revenues**

The Board of Commissioners hereby commits all current and future revenues generated from the operations of The Club at Prairie Stone to be used solely for the operations, maintenance, capital needs, programming, and other direct or indirect costs associated with The Club at Prairie Stone and its related facilities.

**Section 3. Accounting and Financial Reporting**

The committed resources described herein shall be reported as committed fund balance in accordance with GASB 54 and applicable governmental accounting standards.

These commitments shall remain in effect unless modified or rescinded by subsequent formal action of the Board of Commissioners.

**Section 4. No External Restriction**

This resolution establishes an internal commitment of resources by the District and does not create an external legal restriction nor impair the District’s overall financial flexibility beyond the terms expressly stated herein.
