

DOG PARK VACCINATION FORM

To become a member of the dog park, Cook County requires specific vaccinations and tests to be current. We encourage all owners to have their vet complete and sign our vaccination form. By using this form, it allows you to present to the vet a specific list of what is required to become a member.

Records provided by the vet are accepted. However, please verify all required vaccinations and tests are listed. This includes what vaccinations are part of a "combo" shot, and if the fecal test is negative. If we are unable to determine which vaccinations are in the combo shot, if you are missing a vaccination, or the fecal test does not specify the test was negative, you may not be able to register/renew until proper documentation is provided.

It is your responsibility to keep your dog's vaccinations current throughout the year. Please provide a copy of any vaccinations as they are updated.

Owners Name: _____ Phone #: _____

Dogs Name: _____ Male: _____ Female: _____

Breed: _____ Color: _____

Required Vaccinations	Expiration Date	Notes
Rabies
